HAL'S MISTAKE.

He dropped his gun, and caught our "God bless you, boys," he cried.
"You make me feel like a selfishbrute. But it seems to me this morn-

ion for the chance of going to Hill

"Hurry up, then," we both answer-d. "You have no time to spare." We stood in the doorway of our ent, and watched the tall, stalwari

e as it dropped out of sight, be-the hill. Then Jack turned to

yourself. Make a clean breast of it, man, for your souls sake. What is the trouble with you and Thyrez. "Trouble enough," he naswered, doggedly. "I have reason to believe that she made a naisake in engaging thereift one. It I should happen to be picked off by one of those infernal bullets," he added, grimly, "it would be a fortunatie circometance, It would get her free, you see, without any fuss."

his lips, a metallic hardness to his voice. Yet Hal Brainard's nature was brave, tender, and womanly. I probed him with questions as a surgeon probes a wound.

ind the hill. Then Jack turned to me with a gay smile that was somewhat belied by his drooping eyelida.

"Hal looks like a prince of the legacted lightly. Then, as if some blood in his new uniform," he said wave of tecling swept over him, tearing his pride from its moorings, he had with a vice like grasp.

"Could'nt we all go, cor.

Not exactly "he answered, languing, "Orders, are too stringent. But settle it 'among yourselves, and it one of you come to my tent in an hour."

The lesys in the next tent were diagness. The lesys in the next tent were diagness. The lesys in the next tent were diagness. The less should be the started, as I have said, and his through the next tent were diagness. The less should be should fall, the morning breezes brought to wastes of balsame fragrance, with now and then an odor one breath from the other side was whitsting 'Homes, want then an odor me breath from the other side was whitsting from the other near the near the started and then an odor me breath from the other side was and then an odor me breath from the other side. But then I bethought no that Hat good the started and the started

jealousy."

My words stang him, and he sprang up from the log on which he was sit ting.

Jealousy!" he cried. "Am I jealous!" by you look at it in that way?

Jealeus!"

blind and deaf? I can understand how a cultivated woman may enjoy the society of a cultivated man, and yet not have the slightest idea of falling in love with him."

I spoke with some heat, for I had

dways liked Thyrza Harrington. He turned white as a sheet.

"You do not comprehend," he said, with a certain quiet dignity. "I am casting no spersions upon Thyrza. It Surrogate's Notice.

first I rend the name of Hal Brunnard.

My face must have told the tale, for I did not speak ane word but Thyrea aprang up with slasped hands, struggled for a moment in a vain effort at utterance, and then sank at my feel in a huddled, pitiful, white heap.

My arm was still powerlees, and I was, besides, worn with faver I called to my motiter, I sereamed, I shouted; but there was not a soul within hearing, and I could only put back the hair from her white forehead, and fan her with that fetal newspaper.

After a few moments, that scenned uges, she sat up and looked about her with an air of bewilderment.

"The paper," she said at length; "I

the fall. "Weily, verily, history reports itself."

There was another great battle, and gains the heart of the unition was stirred to fix centre. Two hights after the centre. Two hights after the state of the unition was beside as, the daily Tribune was placed in my bands.

Topened it. There were the three families "Milled," "Mound ("Missing," As I van my cye hurriedly down the long colums, in the very interfered in the name of Hall Brannard.

My foce must have told the tale, for I did not speak one word; but my hyper ros up here to take just off the name of Hall Brannard.

My foce must have told the tale, for I did not speak one word; but my work again. You will keep my surgiced for a moment in a vain effort at utterance, and then sank at my few in a huddled, pitfull, white heap.

My arm was still powerless, and I was besides, worn with fewer realled to my mother, I secremed, I shouted; but there was not a soul tark the his from her white forehead.

"Excuse me," I said, "I will be walk shortly," I darted up the street and was at hyrasis door in less than a minute. Show was looking over a packing over heaves, and who works wand fan her with that fetal newwances of the current of the cheek.

What has the man of Hall grannard.

"Excuse me," I said, "I will be discussed the mercies of the party. My sould any see her when we are any and the my mother, I secremed, I shouted; but there was not a soul target of the mercies, the discussion of the my mother, I secremed, I shouted; but there was not a soul target and the man of Hall was the said at the man of Hall was the man of Hall was the man of Hall Brannard.

"You see I know all abount it," he split a was to consult you about my poor wife. The Relation of the case of the man of Hall Brannard.

"You see I know all abount it," he split a was to consult you about my poor wife. Brant Millad."

"You see I know all abount it," he split a will be the wild, interrupting me; "left I should the time."

mind your hair! that's all right." smoothly.

turned as I opened the door.
I stele softly away and left them.
There is not a doubt that my old
contrade was dreaffully to blank,
somehow. But Thytza forgave him—
and so do I.

"Hallo, old fellow, how's Hilliop?" oried Jack, dencing are and him in a fewer of impatience. "Win old you have a call fire five 8.2"
He soon received a quietus in the large of analy packets and large to said, at least. "The truth is, for truth is, for truth is, for for truth is, for the truth is, for the truth is, for for the said, at least. "The truth is, for the truth is, for the said, at least.
