Horace Greeley.

The Most Popular Biography Extant—The Most Complete Political History—Charles, Editorial, Truth, Impartiality.—A Book for the People—A Book for the Laboring Man—A Book for the Statesman, Scholars and Thinkers—A Book for Every American Family.

No biographical work of such interest has before appeared in American literature. It is a full, complete, impartial account of the life of one of the most laborious and influential of our country's reformers, the first journalist of the age, and the honest man that ever lived.

The press also extended notices of very many of

MR. GREELEY'S COTEMPORARIES,

Whether in journal or in general politics, as that the whole is a rather full, just, and faithful representation of American politics for a period of forty years.

Here you will learn of the rise and fall of parties; of the triumph and defeat of policies; of the loves and enmities of

MANY EMINENT MEN.

This work is, in short the great biographico-historical work of the times. It is the great History of the times. Every Intelligent man and woman will have it. Orders are already coming in in such a way as to show they will soon begin to pour.

Mechanically it is the handsome book published, being profusely and elegantly illustrated with about 40 engravings, including portraits, also a steel engraving of Mr. Greeley, which is the most pleasing and natural of any yet published, making a volume of over 600 royal octavo pages.

THE GREAT SOUTH AMERICAN JURUBEBA BLOOD PURIFIER

is the most powerful cleanser, strengthener and renovator of Constitution ever offered to mortal mortals.

It is specially adapted to constitutions "worn down," and debilitated by the warm weather of Spring and Summer, when the blood is in active circulation, consequently quickening impurities from sluggishness and imperfect action of the bowels, or pores, and is a sparkling Tonic, Eruptions, Blotches, Boils, Pimples, Scrofula, &c.

When weary and languid from over work, and dullness, drowsiness and inertia take the place of energy and vigor, the system needs a Tonic to build it up and help the Vital Forces to regain their recuperative power.

In the heat of Summer, frequently the Liver and Spleen do not properly perform their functions. The Urine and Urinary Organs are inactive, producing weakness of the stomach and intestines and a profit-portion to billious derangement.

DR. WELL'S

EXTRACT OF JURUBEBA.

is prepared directly from the South American plant, and is peculiarly adapted to all these difficulties; it will cleanse the Vitiated Blood, strengthen the life giving energy, and remove all disorders from impurities of the blood.

If should be freely taken, as Jurubeba is pronounced by medical writers the most efficient Purifier, Tonic, and Deobstruent known in the whole range of medical plants.

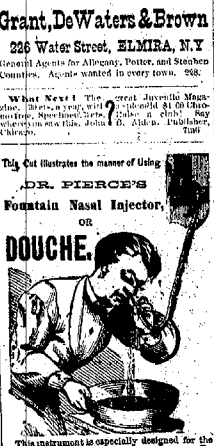
This Cut illustrates the manner of Using

DR. PIERCE'S

Fountain Nasal Injector,

OR

DOUCHE.



This instrument is especially designed for the perfect application of

DR. SAGE'S CATARRH REMEDY.

Its the only form of instrument yet invented with which fluid medicine can be carried high up and properly applied to all parts of the affected nasal passages, and the chambers or cavities communicating therewith, in which acute and severe frequently exist, and from which the catarrhal discharge usually proceeds. The want of success in treating catarrh heretofore has arisen largely from the impossibility of applying remedies to those cavities. Syringes are used by any of the ordinary methods. This obstacle in the way of effecting cures is entirely overcome by the invention of the Douche. In using this instrument, the Fluid is carried by its own weight (no sniffing, snorting or pinching being required) in one nostril in a full gushy flowing stream to the highest portion of the nasal passages, passes into and thoroughly cleanses all the tubes and chambers connected therewith, and flows out of the opposite nostril. Its use is pleasant and so simple that a child can understand it. Full and explicit directions accompany each instrument. When used with this instrument, Dr. Sage's Catarrh Remedy cures recent attacks of "Cold in the Head" with few applications.

Symptoms of Catarrh. Frequent headache, discharges falling into throat, sometimes purulent, watery, thick mucus, purulent, offensive, &c. In others a dryness, dry, watery, weak or inflamed eyes, stopping up or obstruction of nasal passages, ringing in ears, deafness, hawking and coughing to clear throat, ulcerations, scabs from ulcers, voice altered, nasal twang, offensive breath, impaired or total deprivation of sense of smell and taste, dizziness, mental depression, loss of appetite, indigestion, enlarged tonsils, tickling cough, &c. Only a few of these symptoms are likely to be present in any case at the time.

Dr. Sage's Catarrh Remedy, when used with Dr. Pierce's Nasal Douche, and accompanied with the constitutional treatment which is recommended in the pamphlet that wraps each bottle of the Remedy, is a perfect specific for this loathsome disease, and the proprietor offers, in good faith, $500 reward for a case he cannot cure. The Remedy is mild and pleasant to use, containing no strong or caustic drugs or poisons. The Catarrh Remedy is sold at 50 cents. Douche at 50 cents, by all druggists, or either will be mailed by proprietor on receipt of 60 cents
