THE ANDOVER NEWS.

HAMILTON C. NORRIS, - EDITOR

ANDOVER, N. Y., AUGUST 5, 1891.

There is no doubt in the minds of all fair-minded men that, following the usual custom, the nomination for Sheriff on the Republican ticket belongs this fall to the Southern district of this County. This seems to be conceded to a considerable extent in the Northern district, as is evidenced by the fact that there is only one prominent candidate in that district, while three years ago there were nearly half-a-dozen. The lack of candidates from that district is not because of the one man's universal popularity, for it is whispered from that section that he is not as sure to receive a hearty support there as he thinks he is, and some of the northern delegates will vote for a southern man notwithstanding the numerous devices that are being used in the interest of this one man. The people are supreme, and will nominate whom they want for office, and the use of one man's candidacy as a club to whip the voters into line for another candidate will deceive nobody. Neither is there one man in the Republican party or any other, upon whose nomination hinges the party's success as regards any office. There are a number of candidates for Sheriff in the Southern district, either of whom it would be an honor to the party to nominate, and the people of the Southern district should not neglect to assert their rights. There are enough fair-minded people in the Northern district who will lend a hand in the interest of justice to insure success, and it will be the fault of the Southern people themselves if they are not successful.

Joel B. Erhardt has resigned his position as Collector of Customs at the port of New York, and J. Sloat Fassett has been appointed in his place. The appointment of Mr. Fassett is said to have been a surprise to himself and his friends, but it is admitted that Mr. Erhardt's resignation has been in the President's hands for several weeks, and also that it had been hinted to Mr. Fassett that he might be appointed to the position. Perhaps this may account for Mr. Fassett's unwillingness to have his name mentioned in connection with the Senatorship, the Governorship, or any other position to which he was a possible aspirant. However this may be, his appointment as Collector is pleasing to his Allegany friends.

The Republican State Convention will be held at Rochester Sept. 9.

AN INTERESTING LETTER.

Written from Andover—Strong Testimonial for Dr. Kilmer's Swamp Root.

ANDOVER, N. Y., May 3, 1891.

Dr. KILMER:—

Dear Sir: I thought I would write you a few lines and tell you how much we think of your remedies. About three years ago my husband commenced to fail very rapidly with kidney trouble. He lost his appetite and became so weak that the least exertion would cause him to lie down. He could scarcely walk. He doctored with all the local physicians here, but without getting any relief. He gave up and said that he could not live three months. One day we received one of your "Guides to Health" through the mail, and I persuaded him to get a bottle of your Swamp Root and try it. Before he had taken the whole of the first bottle we could see a change for the better. He kept up the treatment for some time, until he was able to do considerable work, and to-day he is so much improved that it is not necessary for him to take the medicine all the time, and he can walk a mile and a half to the village and back.

We have also tried your Indian Cough Cure, and never found anything that could beat it. I noticed in our "Guide to Health" that you would send six beautiful cards and a picture of yourself. We would be very glad to get your picture, as we are certain he would have been in his grave, if it had not been for your Swamp Root. We recommend your medicines everychance we get. MRS. D. B. LEE.

Send 25 cents to the Gazette Company, Elmira, N. Y., and you will receive the Elmira *Weekly Gazette & Free Press* to January 1, 1892.

A night blooming cereus in blossom at the residence of D. B. Spaulding last evening attracted many visitors to see the beautiful and fragrant flower.

Charles Preston felled a hemlock tree on his farm in this town which he says was seven feet in diameter at the butt. There was frost in the center of the tree.

The Andover ball team will go to Friendship this week Saturday to play the team at that place. The Bolivar club is expected here again the latter part of next week.

About twenty persons went from here to Wellsville Monday to see the ball game between the Wellsville and Bolivar teams. The game resulted in a victory for Wellsville by a score of 10 to 3. Robert O'Donnell of this place was one of the umpires.

Postmaster J. C. Green is having extensive repairs made upon his dwelling house. The cellar will be enlarged, the house raised about a foot higher from the ground, a veranda built across the front of the house, and alterations will be made on the interior.

Mrs. M. F. Rogers returned this morning from Ovid, N. Y., where she went to assist Superintendent Weaver in taking Mrs. George E. Brown of Andover to the asylum. Mrs. Rogers brings encouraging news regarding the prospect of Mrs. Brown's recovery. The physicians speak hopefully of her case.—*Monday's Wellsville Reporter.*

A team owned by Patrick Riley, who lives on South Hill, ran away, on Monday of this week. The team started from Mr. Riley's house. They were six persons in the wagon to which the team was hitched, all of whom were thrown out. One of the occupants, Martin O'Brien, was severely cut and bruised about the head. The team then ran against a post a mile, and the wagon was demolished.

Simmons Liver Regulator will make you feel like living by improving the liver.

C. F. Davis brought some fine specimens of oats to this office the other day, which he found on the farm of James Bess. One of the heads measures twenty-three inches in length and is well filled.

Some of the papers have recently published an item to the effect that it has just been discovered that a law was passed over a year ago compelling incorporated villages to build all bridges located within the corporate limits. The town has always borne the expense of building the bridges and will continue to do so, as the newly-discovered law applies only to Westchester county.

David H. Norton of Friendship was in town last Thursday. He is a candidate for Sheriff and presents as one of the reasons why he should be nominated the fact that he has had experience in that line of business for the past nine years, having been under-sheriff and deputy for that length of time. He also urges the claim that the nomination belongs this time to the southern district, which of course is true.

Personal.

W. W. Miller is home from Hammond, La.

Dr. M. B. Cottrell of Hornellsville was in town Monday.

Mr. and Mrs. Arthur C. Sidman were in town the first of the week, visiting friends and renewing acquaintances. Mr. Sidman has just closed an engagement at Port Allegany, Pa., where he opened a new opera house, of course with good success. He will begin a new season with "Uncle Rube" in a few weeks and has engagements booked far in advance.

Annual School Meeting.

The annual school meeting was held last evening in the Union School building, and was largely attended. J. A. Hunt was elected chairman and Mrs. A. D. Brown secretary. The financial report was read and adopted, after which came the election of trustees. G. M. Barney was elected in place of H. P. Bundy; A. C. Frisbey was elected in place of Mrs. A. D. Brown—both for three years, the terms of office of Mr. Bundy and Mrs. Brown having expired. James Owen, elected last year, having resigned, T. McTighe was elected to fill the vacancy. There was considerable strife in the election of the two trustees first above named, the vote being very close, especially between Mr. Frisbey and Mrs. Brown.

The two retiring members of the board have won deserved praise from the other members and also from those familiar with the work of the board. They have done faithful work in the interest of the school and the people.

Taken to Willard.

Mrs. George E. Brown was taken to Willard Asylum last Saturday. For a few days previous to that time she had been growing worse and it was impossible to treat her here with any degree of success. She was frantic and uncontrollable before being placed on the train, but after the journey was well begun she quieted down and seemed to enjoy the ride. She remained in a comparatively comfortable condition up to last accounts. Her husband, who accompanied her, returned Monday morning.

Death of Mrs. Catherine Bines.

Mrs. Catherine Bines died at her home in this village, Wednesday evening, July 29, 1891, aged 76 years. She was ill about one week, but had been feeble for some time as the result of previous sickness. The funeral was held Friday morning at the Catholic church and was attended by a very large number of relatives, friends and citizens.

Mrs. Bines was born in Ireland and came to this country fifty five years ago. She lived in New York thirty years, coming to Andover twenty-five years ago last May. She purchased the property where the American hotel now stands. Three weeks after she took possession the hotel then standing there burned. Mrs. Bines built the present building and has owned the property ever since. She was well known throughout this section as a good business woman, honorable in her dealings and much respected.

INDEPENDENCE NEWS.

Mr. and Mrs. Josiah Trask of Andover were in this place Sunday.

Master Rogers Crandall was baptised by Elder Clarke Saturday.

Mr. and Mrs. Birney Wilson of Whitesville, who have been sick of malarial fever, are able to be out again.

Mrs. Evaline A. Stevens of Kansas is visiting her parents, Mr. and Mrs. John Cline, and other relatives in Whitesville and vicinity.

The members of Sawyer Post, G. A. R. of Whitesville expect to visit Seaman Post of Andover Saturday evening, Aug. 15.

Mr. Burt Wildman and Miss Carrie Knowles, both of Whitesville, were married last week Thursday, and Burt has opened a drug store in the Jones block, probably to guard against accidents. Sensible fellow.

Mrs. Antoinette Dexter and Son Willie, of Whitesville, were rusticating at Silver Lake last week.

Mr. Frank Bassett, of the hardware firm of B. S. Bassett & Co., Whitesville, was in this place Sunday. Frank isn't a candidate for Governor of this state, but he drives a fast nag and makes him show his mettle.

Your correspondent attended the "Andersonville Chain-gang" entertainment in G. A. R. hall, Whitesville, last week Wednesday evening, and found it as represented on the bills. The three comrades, Wilfred W. Crandall, Sidney Crandall and Judson D. Jacobs, were all prisoners of war and confined in that hell on earth, and for attempting to escape such devilish misery they were compelled to wear Jeff Davis's bracelets for a long time. They acted their parts to the life, rags, gray-backs (imaginary), ball and chains, and all. They also, with the aid of Mrs. W. W. Crandall, Mrs. B. B. Slade and Mrs. Sidney Crandall, performed the "Year of Jubilo" dance and rejoicing when the Emancipation Proclamation reach: l the colored people of the South. Other exercises, some grave, some comical, vocal and instrumental music, and a speech by that talented young lawyer, Mr. Burton C. White, on the resources and developments of Montana, made an interesting and enjoyable evening for those who braved thunder, lightning and darkness in order to be present. The receipts amounted to $20.50, which I understand was appropriated to the use of the Ladies' Aid Society of the Baptist Church. It is estimated that over 200 were present. The G. A. R. boys know how to do things.

Comrade Sidney Crandall of Whitesville journeyed to Cuba last week Thursday to further his interests as candidate for Superintendent of the Poor. The latest news from the seat of war is to the effect that he is scaling the ramparts of "our friends the enemy," and will probably enter the fort with flying colors at the close of the campaign.

When he goes in to win,
But few can hold a candle
To "Little Sid;" he's full of vim
And fight, is comrade Crandall.

We may yet have oil territory developed right here at home, as I learn of a citizens' company being formed to put down a test well in Wileyville, about six miles east of Whitesville, in the town of West Union.

Hornellsville Operators S. Runs Andover 24.

Last Friday the Hornellsville operators came up to play ball with the Andover team. A large crowd turned out to see the sport and had the satisfaction of seeing the home nine chase each other around the diamond twenty-four times, while the disciples of Morse chased the ball. The latter scored only three runs. The game wasn't close enough to be interesting, but it gave the home nine good practice. The Hornellsville team are pretty good ball players, but lacked a good pitcher, and the ball was batted all over the adjacent country by our boys. With a battery equal to ours the game would have been much closer. Cannon, the regular Andover pitcher, played in the field most of the time, with Barrett in the box and Emery behind the bat. Following is the score in detail:

Has Andover Valuable Mineral Water?

It is perhaps not generally known that a vein of mineral water was struck in the Kemp well, which was drilled over two years ago. The water was struck about 125 feet below the surface. It has ever since been flowing over the top of the drive pipe. The water is as clear as a crystal and is impregnated with sulphur and other ingredients. The temperature remains the same during hot and cold weather, and high or low water makes no difference with the output, the flow always being the same. The water has never been alalyzed.
