THE ANDOVER NEWS.

VOL. XI, NO. 22. ANDOVER, ALLEGANY COUNTY, N. Y., JANUARY 19, 1898. ONE DOLLAR PER YEAR.

The Firemen's Fair will be the Greatest Event of the Season---Of Course you are Going to help Swell the Crowd and the Receipts.

Some Potent Facts.

That the Reader Will Do Well to Carefully Ponder Over.

It was not a secret for years in a good old Quaker family. The neighbors all knew about it, and many a time had reason to be thankful for its existence. Its fame spread and strangers who heard about it wrote for information concerning it, sometimes tried its virtues and sometimes put off a trial for a more convenient season. To tell how it was dragged from an obscure country village and placed before the general public, would be interesting to the reader, but lack of space compels us to withhold the particulars. It is sufficient to know that over a year ago it came to Dunkirk like it had gone to every city and town in the North, unpretentious and unassuming. It said, "I can do certain things; investigate my claims; try me if you have backache or kidney ache, and you will not be disappointed." The above is a fragment from the history of Doan's Kidney Pills, a preparation which has come to this vicinity as well as Dunkirk to stay. One of Dunkirk's representative citizens who helped to push the good work along is Mr. Adam Hyle, of 134 Second street, a well known and respected citizen of Dunkirk, N. Y.

That gentleman says:—"A.out eight years ago I hurt my back either by a strain or lifting. I was very bad for some time but it gradually wore off until of late years. I have been laboring under a pronounced kidney disorder; a very lame back, pains across my kidneys, presence of blood in the secretions; and pain across the loins, inability to sleep and weakness and languor making it unable for me to get about. I took a great deal of medicine and have been attended to by our physician but seemed to get worse instead of better. A neighbor who had been cured by using Doan's Kidney Pills advised me to take them and I bought a box at a drug store. I am now able to get about and sleep well and my back does not pain me. I am certainly a gainer from using Doan's Kidney Pills and can heartily endorse them."

Doan's Kidney Pills are sold for 50 cents per box by all dealers, or mailed on receipt of price by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name Doan's and take no substitute.

SUCCESSOR TO FOWLER & REMINGTON

The Firemen's Fair.

On Wednesday evening, the second night of the Firemen's Fair, will be given one of the most pleasing entertainments ever witnessed by an Andover audience. Hornellsville has long had a reputation for possessing some of the best amateur theatrical talent anywhere to be found. Not long ago a vaudeville entertainment was given by Hornellsville people and pronounced by all who saw it to be one of the best, if not the *best* performance ever given in that city. The entertainment committee for the Fair has been fortunate enough to secure the services of a majority of the persons who gave that entertainment, and Andover people will be able to witness for twenty-five cents what Hornellsville had to pay seventy-five cents and one dollar to see. Among those who have promised to assist that evening are Mr. Bert Magee and Miss Ethel Gartside, in a very funny Irish sketch, introducing a solo by Miss Gartside and some very funny work by Magee. Mr. Magee has a good deal of natural ability in this direction, and the two make a great team. Mr. Burt Stevens and Miss Agnes Preston in "Eli Green's Cake Walk," make a great hit as two swell "coons," and do a cake walk that is very artistic as well as funny. Both are artists of exceptional ability, and this one act will be worth more than the price of admission. Fred Cameron possesses a voice of rare sweetness over which he has perfect control, and we are very fortunate in securing his services for a number on the programme. The committee is particularly fortunate in securing the services of Robert Burnham. Mr. Burnham possesses a remarkable amount of talent for all kinds of comedy work. But Andover people will see him at his best in one of his coon songs, in the rendition of which, has few equals even on the professional stage, and we are very glad to be able to furnish this treat for Andover people. Paul Near has made a very decided success of perhaps the hardest of all Vaudeville acts, the Monologm. If you want to forget all your troubles and enjoy a good laugh, hear Mr. Near on February 2d. Merriman's orchestra which has so many times delighted Andover people, will furnish the orchestra part of the programme. The above named persons have very kindly consented to make up the programme for the second evening of the Fair and in this way render very valuable assistance to the Hose Campany in their effort to raise the necessary amount of money to entertain the County Convention next summer. This kindness is truly appreciated by every member of the Hose Company, and we are very glad to be able to provide so good an entertainment for the people of Andover.

Illustrated Buffalo Express.

In these days of syndicated newspaper matter it is a relief to read *The Illustrated Buffalo Express.* That journal buys the best of the syndicated work, but continues to make its leading features the work of its own writers and artists. *The Express* is wise to adhere to this policy, for it makes a paper of wider news value, and much higher literary quality, than is possible where one relies on cheap "syndicates." *The Illustrated Express* deserves its popularity.

First Evening of the Fair.

"Hickory Farm," to be given on Tuesday evening, at the Firemen's Fair, is a play of much merit, abounding in dramatic situations and rich in dialogue both humorous and pathetic. In it are portrayed the manners and customs of the yeomanry of New England, a people who, as a type, are like the buffalo, rapidly becoming extinct. The calculating Yankee and the witty Mitesian will afford food for merriment, while in other characters the subtler and baser attributes of humanity will be delineated. The firemen and their ladies who will take part in "Hickory Farm," anxious to please their patrons and to give a faithful representation of the personalities and passions of the characters they represent, are giving careful study to their parts. Under such conditions, we may confidently look forward to a strong play happily presented.

The cast of characters is as follows:

Ezekiel Fortune, a New England farmer, fair but fierce, A. B. Burrows
Uriah Skinner, a miser, Jett. Hodgett
Gilbert Darkwood, handsome and unscrupulous, John E. Cannon
Jack Nelson, Fortune's adopted son, homely but good, J. S. Phillips
Lawrence McGeegan, an alderman from the city, T. K. Regan
Mr. Rankin, a detective, reticent but active, Edward Kinney
Jessie Fortune, pretty and unsophisticated, Mrs. W. B. Bundy
Mrs. Priscilla Dodge, a susceptible widow, Mrs. A. B. Richardson

It is rumored that Frank Bluestone will be removed from the office of School Commissioner of the Northern District, and already a large number of applications for the place are in the hands of Judge Norton, who will appoint Bluestone's successor in case he is removed.—*Friendship Register.*

The rumor current here is that Mr. Bluestone has been removed, and that a man from Albany was sent last week to Canaseraga to hold teachers' examination. Also there is an indefinite rumor, not traceable, of a case of Mr Bluestone's selling mortgaged property and the officers being after him.—*Angelica Every Week.*
