AFFRONTIATIONS FOR SECTARY
AN SCHOOLS.
To the summed message of Governor
Dir, he formishes the following state me ternishes the following state in regard to appropriations be-id speen public charities, as ful. . Paring the years 1860, 1870, 371, more than 32,000,000 were spon private charactes, by the c, for the most part of a securion character. The e of 1871 and 1872 voted sot to make any scetarian appropria-tions during that session. The Gov-ernor arges opon this Legislaure the argessity of following the hard Assessity of following the hat in relating the appropriations. We believe many every American citizen will fully endorse the Legislature if they follow the recommendations of the Governor in this matter. The appropriations berectore made have been envising but a found in the following the received at the appropriation street of \$1.70 for every \$1 given to rate of \$1.70 for every \$1 given to rate of \$1. 30 for every \$1 given t all other sectation schools. Is it righ that the State should use its publi-money to advance the Reman Carlier money to account the moment cather lice or any other denomination to the degreeness of all others. We do not believe the State should, it they have distrement of all others. We do not believe the State should, it they have the right of the state of the stat

We should judge trom the debate that
followed that a minority of our Somin all probability the passage of such bill is but a matter of time. We cin cerely hope that it will be acred upon immediately. Industry. cerely hope that it will be acted upon-immediately, lor we desir it among the immediately, lor we desir it among the that would be of great value; to the aboring class of his State. Every in-discement, possible should be given to this class of our citizens to precise house of their own. They appreciate the stero necessity which compells them to borrow and only sek that an unnecessary and unjust rearriestor. In the universe of a doubt anx he reputaled Let us fave immediates action on this important question. A bill has been introduced in

A bill has been introduced in our Seente which should be passed without delay, as we believe that it is productive of much good. The bill provides that whenever the jury on the winder that whenever the jury on the trial of any indictionen for felony shall have course even uptions. We shall have magnit the defendent on the ground of immunity, they shall go state their verificity and further; that whenever u, on the trial of any indicement for any capacity of the trial of any indicement for any capacity of the trial of any indicement for any capacity of the trial of any indicement for any capacity of the trial of any indicement of many capacity of the production of the ground of insanity, the court shall make an order that persons so excipted shall be confined in a state saylent for a period, not fies from iff, toeso or more than theiry years. With the corn more than theiry years with the part of criminats to set, up the now popular plea of insanity, and as a consequence in argeet personings of our murderers would be punished. Ent us that the trial was the many capacity of the law.

The appointment of editor E. M. Johnson of the Addi-on Advertiser in Jouron Clerk of the Assembly, will give more antifaction to the Liberal wing of the Dumorate party in this section shall to the R publicans. Mr. Johnson edited and published the unity professed Republican paper in Struben Canasy, which deserted to the meany to the section of the meany to the section of the meany to the section of the sectio professed Regardines poper in Sruber to the more professed Regardines poper in Sruber to the more professed Regardines poper in Sruber to the more received and state the littled, without professed the first the hour of whicker.
