ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptable for the urine and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail, upon receipt of three two-cent stamps to cover cost of postage on the bottle. Mention the ANDOVER NEWS and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

The Greatest Discovery Yet.

W. M. Repine, editor Tiskilwa (Ill.) *Chief*, says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have a certain and sure cure for coughs, colds, whooping cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at L. A. Burrows' drug store.

"I owe my whole life to Burdock Blood Bitters. Scrofulous sores covered my body. I seemed beyond cure. B. B. B. has made me a perfectly well woman." Mrs. Chas. Hutton, Berville, Mich.

A thrill of terror is experienced when a brassy cough of croup sounds through the house at night. But the terror soon changes to relief after One Minute Cough Cure has been administered. Safe and harmless for children. Benedict & Van Noy.

Rather Peculiar.

It is an Oddity to Find This in New York State.

On West Seventh street, Jamestown, N. Y., the house with No. 12 over the door was built, even to shingles, out of the trees which grew on the lot. Its occupant, Mrs. C. E. Harris, was one of Jamestown's pioneers, and purchased bush land long before steam boats plied Lake Chautauqua, or the "iron horse" skirted its banks. Sixty-six years spent in one neighborhood is a long time to look back upon, and although Mrs. Harris cannot claim the distinction now of knowing everybody in Jamestown, nor claim that every body knows her, it is only some twenty years ago since this was really the case. While chatting with our representative recently about reminiscences of the city, amongst other things discussed, the following may prove of interest to the reader.

"Although 88 years of age I have always been a worker and up until 15 years ago was able to do my share. I had backache then but I got over it and for some years I had not an attack. Three years ago it recurred and I suffered intensely and could get nothing to drive it away. With the backache I had distressing urinary weakness that caused me much embarrassment. I heard of Doan's Kidney Pills and procured a box from a drug store. I had taken them but three days when I found that I could control the kidney secretions. They gave me strength at once. I could barely walk across the floor with a cane and was hardly strong enough to sit in a chair when I began using the remedy, but now I can get around about as well as most young people of 60. Doan's Kidney Pills made a new woman of me."

Doan's Kidney Pills are sold for 50 cents per box by all dealers, or mailed on receipt of price by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Last evening's demonstrations on the street during and after the canvassing of the ballots at the Opera House, makes it evident to one up a tree that a night watchman is a necessity that ought to be realized in our village. For a daily paper that is expected to furnish all the news when it is news, no paper in Western New York surpasses *The Buffalo Morning Express.* The market pages are authority everywhere; and railroad men between New York and Chicago know that their world is faithfully reproduced. The Wellsville *Reporter*, in speaking of the successful patriotic concert given on Tuesday evening of last week, in that village, by the Epworth League, says: The honors of the evening were carried off by the Andover ladies. Should she organize a class, many of our young people should avail themselves of her instruction, as there is great benefit derived from gymnastic practice of this kind.

In the beginning God created the heavens and the earth. Then He made the editor, the liberal advertiser, and prompt-paying subscriber. And it was good. The next day a blizzard set in and He created the man who didn't believe in advertising, and another who didn't take his home paper. Then He rested. Then the devil got in the moulding room and he created the fellow who takes the paper for years and then fails to pay for it. The devil then rested, but the editor hasn't had a minute's rest since.—*Corning (O.) Breeze.*

A letter before us from the *Christian Herald* states that the Spanish Government has agreed to allow all contributions for the suffering and destitute of Cuba to enter the port of Havana free of expense and duty, and as same are sent directly to Consul General Lee, and distributed under his personal superintendency, none but the needy are assisted. The money collected is used in the purchase of provisions in New York, and they certainly reach the hands for which they are intended. The railroad also transport all needed provisions free of charge.

Fifty-eight couples attended the dance at Knox's Hall Friday evening, all report a hot time. Those from out-of-town were: Orange Underwood, Mr. and Mrs. Perkins, George Hubbell, Ray Mosier, Will Dorethy, Pearl Smith, Genevieve Costello and Rathelyn F. McCarthy of Wellsville; J. L. Garvin, T. J. McAndrew, P. T. Lynch, Mr. and Mrs. Than Perkins, Frank Brown, J. White, Sadie Green, Andover; Milo Ruder, Minnie Witters, Maggie McCarthy, Will Bryson, Herbert Hills, John Kane, of Belmon; Dan Crowley, Charley Daley and John Daley, of Ford's Brook; and a large attendance from Oswayo and Bolivar. It took the Andover boys so long to satisfy their ravenous appetites that the waiters got tired and removed their dishes. They had such a large crowd they had to stretch the oysters to make them last.—*Stone Dam Cor. Wellsville Reporter.*

Cannon's Store News. . .

ANOTHER DEPARTMENT is opened this week. Ready-to-wear clothing is given quarters in the light and spacious room overhead the Dry Goods store. The new stocks are on the tables and ready for your inspection. The assortment is large, and embraces the choicest fabrics for spring and summer wear for men and boys. An air of up-to-dateness pervades the whole stock for none but '98 models are among them. They come from the most reliable manufacturers in the country and every garment may be depended upon. In this new department we have adopted a rule that will be religiously lived up to; that no shoddy, no trash, none but honest goods can ever be said to come from here.

Dealing in clothing in conjunction with many other lines makes the expense of its handling almost nothing, and enables us to sell for less than half the profits exacted by any exclusive clothier outside the large cities. We want every man and the mother of every boy to see the line, and we will risk the result of their closest scrutiny. We particularly invite the young men of the neighborhood to pay this department a visit and see what a nobby outfit a small sum will procure.
