ANDOVER NEWS.

VOL. XI., NO. 31. ANDOVER, ALLEGANY COUNTY, N. Y., MARCH 23, 1898. ONE DOLLAR PER YEAR.

IF IT DOSEN'T PAY TO ADVERTISE IN THE NEWS, WHY DO SO MANY PEOPLE USE ITS COLUMNS ?

Why not be well?

If you are suffering with any disease of the Kidneys, Bladder or Urinary Organs, *Dr. David Kennedy's Favorite Remedy* will make you well again. It has cured cases that bordered on the miraculous.

It quickly cures men and women of inability to hold urine, and they are not compelled to get up often and make water at night. It removes the scalding sensation in passing it, and, when taken according to directions, it invariably cures pains in the small of the back. *Favorite Remedy* not only cures Stone in the Bladder and Bright's Disease, but prevents them from developing.

One case is that of JOHN J. NEILL, of 2011 North Eighth Street, Philadelphia, Pa. In 1889 he began to suffer indescribable miseries from Stone in the Bladder. An eminent physician said a surgical operation was necessary. If unsuccessful it meant death, and Mr. Neill put off the evil day as long as possible. While in this frame of mind he heard of *Dr. David Kennedy's Favorite Remedy*, and bought it. Before he had finished the third bottle the gravel was completely dissolved and his sufferings were at an end.

Favorite Remedy is a perfect Blood and Nerve medicine. It restores the liver to a healthy condition, cures the worst cases of Constipation, and all diseases peculiar to females. It cures Scrofula, Salt Rheum, Rheumatism. Your druggist will sell you a regular full-sized bottle for $1.00.

Sample Bottle Free.

Those sufferers who wish to try *Favorite Remedy* before buying should send their full postoffice address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and *mention this paper*. A free sample bottle will be sent them prepaid, together with full directions for using. This is a genuine offer, and all our readers can depend upon it.

Jesse Clarke gave a party on Saturday evening to the young people. About twenty were in attendance. A good time is reported.

A Serious Matter.

Until the evolution of the new woman gives her the ability to take care of herself under all circumstances, the fact remains that the average woman must be more or less at the mercy of the men with whom she does business, and this statement of a policy holder is decidedly to the point: "I carry insurance with the Equitable on the instalment plan because I have noticed that money accumulated by a man for his family is often lost or wasted after his death. Few women have any business experience. They are often induced to make injudicious investments. Trustees are usually either so cautious as to make investments which do not yield an adequate return, or so ignorant or inattentive as to impair the value of the estates left in their charge. I think it a great thing to be able to leave the proceeds of my insurance with the Equitable to be wisely guarded and paid in instalments to my family." Call on either

ALFRED STATION NEWS.

On Thursday of last week, about 11 o'clock a. m., the meat market was discovered to be on fire. The sparks flew from the sawmill, which had started up that morning. The alarm of fire was sounded in a few minutes. The bucket brigade carried water from the creek and others with ladders carried pails of water on the roof of the building. The fire was soon extinguished with not very much damage done. If it had not been discontinued it might have been disastrous because the wind was blowing very hard from the south. It was very lively for a few minutes.

Charles Palmiter and wife, of Elmira, and Wm. Bardeen, wife and children, of Richburg, were visiting at T. B. Bardeen's the last of last week.

John Cook, of Willing, is in town.

Last Friday, as Andrew Smith was shoeing a horse, the horse kicked him, throwing him against an anvil, striking the horn of the anvil in his back, hurting him quite badly.

After years of untold suffering from piles, B. W. Pursell of Knitnersville, Pa., was cured by using a single box of DeWitt's Witch Hazel Salve. Skin diseases such as eczema, rash, pimples and obstinate sores are readily cured by this famous remedy. Benedict & Van Noy.
