A certain editor recently received from a lady some verses daintily tied up with pink ribbon and entitled "I Wonder If He'll Miss Me?"

After reading them the editor returned the effort to the sender with the following note:

"Dear Madam: If he does he ought never to be trusted with firearms again."

Good Records Made in Allegany County Herds

Ninety herds containing 1,692 cows were tested by the supervisors of the Allegany County Dairy Herd Improvement Association during April, according to reports recently released at the Farm Bureau office in Belmont. New members of the association who started record keeping on their herds during April are William Joyce, Andover; Daniel Dwyer, Wellsville, and Claude Pettit, Cuba.

Two cows produced during April over 90 pounds of butterfat; one is owned by Ceylon Snider, Fillmore; the other by Arling Cobb, Whitesville. Both Carl Clarke, Andover, and James Young, Angelica, have a cow that produced over 80 pounds of fat during the month. In addition, five other dairymen had honor roll cows producing over 70 pounds of fat and 16 dairymen own animals producing over 60 pounds of fat during April.

Sixteen cows completed lactation records in 12 different herds in the association. These completed lactation records will help prove 12 different herd sires. The lactation records of the 16 cows range from 6,342 pounds of milk, 215 pounds of fat to 11,350 pounds of milk, 432 pounds of fat.

High herd averages were recorded for the month of April for practically all herds on test. The high herd for Division I was George Nunn's herd at Black Creek; for Division II, Laurence Perkin's herd, Whitesville; for Division III, Carl Clarke's herd, Andover; and for Division 4, William Joyce's herd, Andover.

Uncle Ab says troubles are a blessing to those who have nothing else to talk about.

Moving Pictures Given

Wednesday afternoon and evening the gym was the scene of a moving picture. The Exchange Club and the school secured two different pictures on various sports.

The first one, on model airplane building, was presented for the Junior High students, altho high school students might attend if they wished. Three reels were used in the showing of this picture.

The second one was on baseball. This was only one reel long, but it was well attended.

The movie on model airplanes was secured from the Air Youth of America, and the one on baseball from the National Baseball league.

Teacher's Interview

MRS. SCHWARZENBACH

My full name is Harriet Henry Schwarzenbach, and I was born in Canadice, Ontario county. I attended Honeoye High, and Wayland High School; fourth year at North Cohocton and Atlanta where I finished teacher training class also.

My favorite subject while in school was biology, tho I liked all of the sciences. My aim was always to become a teacher.

My favorite book is "Gone With the Wind" and my favorite movie was "Men of Boys' Town." I like to watch basketball, to travel and to play bridge.

The most outstanding experience in my early life (high school days), was driving the old white horse back and forth to school every day, about eleven miles round trip. Sometimes in the winter when the weather was stormy, it some time after arriving to get thawed out enough to go to studying.

We wish Mrs. Schwarzenbach much success. RJB
