Timely Warning

Trouble with thousands of women is not "female weakness," although many physicians suppose it is. The real trouble lies in the Kidneys, Liver and Bladder. Doctors often fail to effect a cure, simply because they don't as men can ascertain for them. Simply fill a bottle or glass tumbler with urine and let it stand a day and a night. If there is a sediment at the bottom, something is wrong with the Kidneys. If there is a desire to urinate often—if there is a pain in the small of the back—if the urine stains linen—look out! The Kidneys are diseased.

Ladies can take *Dr. David Kennedy's Favorite Remedy* with perfect assurance of relief. It will cure them of Kidney, Liver and Bladder disorders just as certainly as it cures men.

Mrs. G. W. Davenport, of West Troy, N. Y., says: "I was troubled with my Kidneys, and suffered intense pain in my back and loins. The wife of Dr. Robinson, pastor of the First Avenue Methodist Church, recommended *Dr. David Kennedy's Favorite Remedy.* I got some, and have used it ever since, with the result that I am greatly benefited. All pains have left me, and I am like another person."

Dr. David Kennedy's Favorite Remedy is a perfect blood and nerve medicine. It restores the liver to a healthy condition and cures the worst cases of constipation. It is a certain cure for all diseases peculiar to females.

Sun Beams—Here and There.

BY BAYARD TAYLOR CHAFFEE.

"Tis a sun-bright day, and warm and still;
The snow has melted from the hill,
And everywhere the balmy air
Doth seem to say to grass and trees,
"The winter's wrath hath been appeased."

The seasons come, the seasons go,
Rain and sleet, and mud and snow,
(And incidentally between),
The flowers grow, the trees are green,
The violets leap forth from the sod,
Out of long sleep, in praise to God.

O many a wintry day has passed,
And many a spring bright morn,
Yet hope is rooted in my heart,
And memory where it was born.
And all along life's path I find
The flowers thy love hath left behind.

BINGHAMTON, N. Y.

Easter Services at the Churches.

The programme for the Easter service in the Presbyterian church, last Sunday, was as follows:

Voluntary.
Anthem, "Crown Him," in soprano and alto, duet and chorus.
Miss Ruth Randolph, Mrs. E. Smith and choir
Invocation.
Apostles' Creed.
Hymn, "All hail the power of Jesus' name,"
Choir and congregation
Scripture.
Prayer.
Bass solo, "Behold the place where they laid him,"
W. E. Snyder
Responsive reading, Lesson, 45, Psalter.
Easter Anthem, "Praise to our risen King," soprano solo, bass obligato and chorus.
Miss M. Wood, W. E. Snyder and choir
Sermon, Romans 6: 4, Christ's Resurrection.
Prayer.
Hymn, "How calm and beautiful the man."
Benediction.

The congregation was large and deeply interested. All of the singing was exceptionally fine, and the bass solo by W. E. Snyder was particularly admired.

The church was beautifully and artistically decorated with a great profusion of flowers which attracted much attention both before and after the service.

The service in the evening was virtually a continuation of the morning, with anthems, sermon, etc.

Easter service in the M. E. church last Sunday, while not partaking of any very especial character respecting the great event, the day was well spent in divine worship. The 6 o'clock prayer and praise meeting was well attended. Congregations, both morning and evening were large and attentive. The evening worship was made especially interesting by the use of the responsive praise service. The recitations by Miss Bessie Bullard and Miss Gertrude Livermore were well rendered.

The morning service was given to reception of members by letters, taking the benevolent collection and sermon. Excellent music was rendered by the choir, morning and evening. The decorations were modest but beautiful. The Sunday school and Epworth League were well attended and full of interest.

The Easter services at the Catholic Church last Sunday were most impressive. The church presented a scene of beauty, the altars being tastefully decorated with palms, cut flowers and potted plants. The music, which was of a high order, was greatly augmented by the orchestra. Rosewigs Mass in G was rendered in a manner so artistic as to surprise as well as please many who heard it.

In his sermon Father Murray gave a scholarly dissertation upon the resurrection, proving in a masterly way the Divinity of Christ.

We learn that the Easter musical programme will be repeated next Sunday with full orchestra accompaniment.

A large and attentive congregation assembled at the Baptist church last Sunday evening to listen to the Easter exercises. The programme consisted of recitations, select readings, solos, anthems, hymns and a short address by the pastor. The church was beautifully draped in white and the flowers and evergreens were galore.

At the Seventh-day Baptist Church, Saturday morning, Rev. Stephen Burdick preached an excellent Easter sermon.
