Letter from a Woman

Dr. David Kennedy's Favorite Remedy frequently cures several members of a family. While it is considered by many to be a Kidney and Bladder Medicine, it is just as certain to cure Dyspepsia, Constipation, Rheumatism, Scrofula and Eczema. This is because it first puts the Kidneys in a healthy condition, so they can sift all impurities from the blood. Healthy blood practically means a completely healthy body.

Here is a letter from Mrs. Capt. PETER RACE, of Hudson, N. Y.: "My husband was troubled with his kidneys, and suffered fearfully with shooting pains through his back. He took *Dr. David Kennedy's Favorite Remedy*, and is now well and strong. Although seventy years of age, he is as hearty as a man many years younger. I was so troubled with Dyspepsia that it was painful for me to walk. My food did me no good, and as my stomach could not digest it. Somebody recommended *Favorite Remedy* to me, and after taking two bottles of it I was completely cured, and am feeling splendid now. We both attribute our good health to *Favorite Remedy*."

It is prescribed with unfailing success for Nerve Troubles, and for the Liver and Blood it is a specific. It has cured many that were beyond the aid of other medicine. Ask your druggist for it, and insist upon getting it. Don't take a substitute. It will cost you $1.00 for a regular full-sized bottle.

Sample Bottle Free

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptable for the urine and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail, upon receipt of three two cent stamps to cover cost of postage on the bottle. Mention the ANDOVER NEWS and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
