The Kidneys and Blood

It is your part to see to it that your Kidneys and Blood are in a healthy condition. It is an easy matter to learn what state your Kidneys are in. Place some of your urine in a bottle or tumbler, and leave it stand one day and nights. A sediment at the bottom shows that you have a dangerous Kidney disease. Pains in the small of the back indicate the same thing. So does a desire to pass water often, particularly at night, and a scalding pain in urinating is still another certain sign.

Dr. David Kennedy's Favorite Remedy is what you need. It will cure you surely if you do not delay too long in taking it. Kidney diseases are dangerous, and should not be neglected a single moment.

Read what P. H. Kipp, of Union, N. Y., a prominent member of the G. A. R., says:—"I was troubled with my Kidneys and Urinary Organs and suffered great annoyance day and night, but since using *Dr. David Kennedy's Favorite Remedy* I have greatly improved, and that dreadful burning sensation has entirely gone. I had on my lip what was called a pipe cancer, which spread 'most across my lip, and was exceeding painful; now that is almost well. I also had severe heart trouble, so that it was difficult to work; that is a great deal better. I have gained nine pounds since I commenced taking the *Favorite Remedy;* am greatly benefited in every way, and cannot praise it too much."

Favorite Remedy is a specific for Kidney, Liver and Urinary troubles. In Rheumatism, Neuralgia, Dyspepsia, and Skin and Blood Diseases, it has never failed where the directions were followed. It is also a specific for the troubles peculiar to females. All druggists sell it at $1.00 a bottle.

Sample Bottle Free! If you will send your full postoffice address to the Dr. David Kennedy Corporation, Rondout, N. Y., and *mention this paper*, we will forward you, prepaid, a free sample bottle of the *Favorite Remedy*, together with full directions for its use. You can depend upon this offer being genuine, and should write at once for a free trial bottle.

Discovered by a Woman.

Another great discovery has been made, and that too by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamnch & Co., of Shelby, N. C. Trial bottles free at L. A. Burrows' drug store. Regular size 50 cents and $1.00. Every bottle guaranteed.

STOP IT!

Stop lugging coal to dirty the house, over heat the kitchen, and waste fuel while you are not cooking. If you want to see how 2,000,000 housekeepers keep cool, avoid work and worry, and save cash, go buy a modern

VAPOR STOVE

and do your cooking with

Stove Gasoline

You can do anything on a Vapor Stove that you can do on any other stove, and do it better, with less expense and trouble. It's safe as a coal stove, and the cost of operation is so small it is hardly worth considering. It will not heat the room. You light it in an instant, turn it out the moment you are done cooking.

If your dealer does not sell Vapor Stoves and Stove Gasoline, write to the Standard Oil Company, New York City.

GORWIN HILL NEWS.

The scholars of our school celebrated Arbor Day by singing, delivering recitations and planting a tree. The talent displayed speaks well for their teacher.

Mrs. Nan. Leaver, of East Hill, who has been very sick for several weeks, is reported much improved.

L. L. Pingrey, of Friendship, was in this place visiting relatives and friends the first of last week.

Mr. and Mrs. John Biel visited Mrs. S. Kemp last week.

Miss Edith Howard visited Loren Pingrey's people one day last week.

A number of people from this place went to Elm Valley last Friday evening to attend Arbor Day exercises.

Our teacher, Miss Bessie Bullard, was not able to take charge of the school Monday last. Miss Florence Cochran kindly took her place, and the school progressed as usual.

Sudden Death of James McTighe.

James McTighe died very suddenly last Thursday, May 12th, with hemorrhage of the lungs. He had been down town twice during the morning apparently as well as usual, and carried a roll of wall paper home with him. On his entering the house, he fell to the floor, and hemorrhage of the lungs followed, from the effects of which he died immediately.

Mr. McTighe was born in the town of Alfred, near the town line, in March, 1862, and was the son of Mr. and Mrs. James McTighe. He was at the time of his death a traveling salesman for the rubber manufactory of Geo. Watkinson & Co., of Philadelphia. We understand that he was recognized by the firm as an efficient salesman. He returned a week previous to his death from a tour in Wisconsin and Missouri where he was engaged about two months, and was preparing to start out the next day on an extensive tour in the eastern part of this state. He recently purchased a home in this village, and had just moved from Williamsport, Pa., where he had lived the past two years.

He leaves a wife and two children, three brothers and three sisters: Thos. McTighe of Andover, Michael McTighe of Binghamton, John McTighe of Chicago, Miss Kate McTighe of Painted Post, Mrs. Dennis Collins of Fort Recovery, Ohio, and Mrs. Anna Delaney of this village.

Funeral services were held at the Blessed Sacrament Church Saturday morning, Rev. Father Murray officiating. The remains were deposited in the Catholic cemetery.

Experience With a Mud Turtle.

There was once a boy of six years who had a pet turtle, and as he was lacking company one Sunday he took the turtle out walking. He happened to go into a barn where he saw some boys, and one of them put a wire in the turtle's shell. This made the turtle mad and it grabbed the owner's finger. The boy being very much frightened ran home with the turtle on the end of his finger. When he reached home, the turtle, believing he had been carried long enough, dropped off. When the boy goes out walking again he will take with him a more tamed friend.
