"What Would You, a Student, Do With $20?

The question has arisen as to what might be the best way to use the $20 raised by last year's Student Council.

Among the many suggestions, we find the good one: "Why not save it?" This is what we should do for soon we'll have a new Student Council and it will be convenient for them if they have some money on which to depend when they begin the year. Twenty dollars would give them something to work with until they are "on their feet." Then, at the end of the year, this $20, plus what the council earns this year, could be pooled and a bigger sum would be available with which to act more advantageously in the future.

Buying a bond with the money would be another way to accomplish nearly the same purpose, i.e.: that of saving it, tho this would keep the money tied up for such a number of years that the people now in high school would not benefit from it in any way other than knowing that they have helped their country in time of need.

Another suggestion was that of securing a flag or some type of bulletin board on which to put stars bearing the names of those Andover students and alumni who are now in the service.

Someone suggested that a picture for either the office or the library would be suitable. True, it would make either place more attractive, but because it is not at all necessary, most of the students with whom we have talked vetoed the idea.

If there is any further question about this problem, its solution should be left up to the students. After all, it's their money—earned for them under the leadership of the Student Council which they elected to act in their behalf—and it's they, themselves, as a majority, that they have to please. They should get what they want and somethink that would benefit the students and their school. VLM

"PROGRESSIVE MEANS VICTORY"

We, the Progessives, on the eve before the polls open, wish to freshen your minds as to which students are best fitted for our Student Council this year.

Our only girl candidate is Ruth Lynch, who believes the lower classmen should be represented on our Council and she intends to represent them if elected to the Council.

George Karcanes wants to start a Varsity A Club, that is for all boys who have earned at least one letter. George believes that this could be very successful this year because there will be no town team basketball games. Dances could be sponsored after the games. It would create more enthusiasm in sports and the younger boys would work harder for letters. In addition, it would promote better relationship between the younger and older players.

Paul Kilbane believes and we all think that he is right, that by having both upper and lower classmen on our Council, that the classes would co-operate better together. He thinks the only way that this could be done is to vote as everyone else is voting—straight Progressive, for

Senior "Hoe Down" To Be Hallowe'en Party

Committees Are Named

The first dance of the season is to be an old-fashioned "hoe-down" dance to be held Hallowe'en night, October 31, in the high school gymnasium from 9 to 12 o'clock by the Senior Class, under the advisorship of Miss Pauline Anderson and Miss Rita Hussong.

Square and round dancing music is to be furnished by various talented members of the community, including Henry Baker and Mr. and Mrs. Freeman Rogers. Nelson Brewster will be the caller. Newly purchased records will be included, also to furnish a part of the round dancing music.

The class president, Arthur Temple, at the last senior meeting, chose committees for the dance as follows:

Music: Marilyn Hardy and Dorothy Baker.

Refreshments: Barbara Brownell, Doris Mead and Betty Halsey.

Decorations: Elaine Pope and Mary Baker.

Clean-up: Senior Class.

The admission price has been set at 35 cents per person, with refreshments extra. Proceeds of the dance are to go toward the purchase of the Senior rings.

The auditorium is to be properly decorated for the occasion. Everyone is invited to come. DB

Fourth District Holds House of Delegates Meeting

Various members of the supervisory district number four under Mr. William Garwood met last Wednesday evening, Oct. 14th, at the Alfred-Almond Central School for the purpose of electing a classroom teacher delegate and an administrator delegate to attend the House of Delegates meeting in New York City on Nov. 23-24.

Mrs. Mabel Farwell of the Canaseraga Central School was elected teacher delegate, with Grace Watrous of Alfred-Almond as alternate delegate. Mr. Harold F. McGraw of Alfred-Almond Central School was elected administrator delegate, with Mr. Glenn E. Bretsch as alternate delegate.

Following the election and business meeting, Mr. Handville of the New York State Guidance Department gave a brief, interesting talk on "Guidance in District Number Four."

Representatives who attended from Andover Central School were Mr. Bretsch and Mr. Maloy. BD

Seniors Have Suggestion" Box "Activity

On Miss Hussong's desk, in the Senior homeroom is a pretty pink box with a slit in the top. This slit is to admit written suggestions which the Seniors may have for senior activities. This ingenious idea originated in the minds of Mary Baker and Marilyn Hardy. PEP

Six Fire Drills Held

Six successful fire drills have been held this year in Andover Central School.

Twelve drills must be held during the year, eight of which are to come before November 1, 1942.

Mr. Bretsch stated that "the fire drills were very well carried out once the building was emptied in about one and one-half minutes."

The students were thankful for the brief rest from classes which the drill provided." VL

"Art" Temple Elected President Of Science Club

Arthur Temple, president of the Senior Class, was also elected president of the Science Club at the first meeting held Thursday afternoon, October 15. Other officers are:

Vice president, Carlton Ordway.

Secretary-treasurer, Dorothy Baker.

Program planner: Francis Horan.

The Science Club, under the direction of William Maloy, plans to hold meetings every other Thursday during activity period. Those members of the Hi Herald staff who wish to belong to the science club also will be excused from Hi Herald meetings to attend those science club meetings on alternate Thursdays. PEP

Special Study Group Convenes Eighth Period

A special study hall is being held during the activity period for those pupils who had one red mark (failing mark) or two marks of 65 per cent on their report cards.

Those students taking five subjects must obtain an average of 70 per cent, or more. If they fail to meet this requirement, they have also been asked to attend this special study hall.

Students will be excused from this only for intramurals or other scheduled activities.

These people who are being detained because of their low marks will continue reporting to room 222 for the four weeks until next marking period, when, if their marks have improved, they will be excused.

Make-up classes in all subjects were held during this period last week. These classes were for students who had been absent two or more days the week before the official potato digging vacation, which was from October 5-12. They must complete all the work they missed.

We Discover Things

"What? What did we need? Oh, nothing. We're just counting windows." A slight look of disbelief crossed Miss ——'s face. We had been rudely staring in at the door for about two minutes. Results of our staring included four windows, one bulletin board, one waste basket and four plants of various varieties.

We strolled leisurely down the hall, counting each and every marble block. Net result, 1,278 blocks in ACS halls. We were very amazed at this huge number of blocks that have to be kept clean by the two Mr. Nobles. We also were rather dumfounded by the number of window panes, 4,296 to be exact, exclusive of storerooms, gymnasium and basements. Mr. John Nobles seemed discouraged at the number of panes he and the other Mr. Nobles have kept clean for this year.

There were 177 windows, also exclusive of storerooms and basements.

Then, after tiring ourselves with the windows, we inquired very closely into the complete statistics of waste baskets, bulletin boards, and plants. Results: 30 waste baskets, 29 bulletin boards and 45 plants in the school. The teacher with the highest number is Miss Baker, with five.

Then, gasping, puffing and panting, we urged our tired feet up the steep stairs to the steeple, which trip netted us 66 steps. In all there are 236 steps inside our building.

Thus, everything was complete, and two very exhausted reporters stumbled back to the library. JB

Ag. Boys to Build Trailer, Have Banquet

The Ag students of ACS are building a trailer. Mr. Michael Lynch gave the boys a trailer box and they are making the trailer from the front end of a Chevrolet car.

On October 29th the FFA boys and their fathers are sponsoring a banquet at which prizes will be awarded. At this banquet also the Freshman boys will be initiated into the Future Farmers Club. FMM

Grade News

Kindergarten has been learning to count from one to ten. This week they bought $7.40 worth of War Stamps. This gave them the total of $30.10 so far this year. Ada Hilliard and Roger Phelps and Patricia Baker started a book of war stamps this week.

Mrs. Allen's first grade has made a fall bulletin board. Richard Voorhees has moved to Allentown. The following pupils bought War Stamps —Robert Dodge, Pat Crandall, Sally Jones, Ann Wood, Charles Lehman, Betty Ann Kemp, Dale Ordway, Ruth Atwell, Charles Gavin and Sandra Skuse. The total for this week was $3.50.

Miss Clark's second grade purchased $2.00 worth of War Stamps this week.

Miss Striker's second grade has bought $25.50 worth of Defense stamps so far this year. Carol Lee Stone and Marian Mulligin entered the second grade in Andover this week. Kent Harder has another War Bond. This is his first this school year. However, this makes his sixth bond.

Miss Elliott's third grade bought $2.50 in War Stamps this week. — They have been making a bulletin board on "Animal Friends."

Miss Gottlieb's third and fourth grades have bought $13.20 worth of war stamps. They have been making a bulletin board on "Children's Work."

Miss Jordan's fifth grade has a new pupil, Kenneth Milligan, from Friendship.

Miss Kuhn's grade is making booklets on Australia. They have lost one of their pupils, Patricia Lawrence, who moved to Arkport.

Mrs. Schwarzenbach's room has $13.50 in War Stamps. The following pupils have them: Ann Marie Greene, Rose Mary Mead, Richard Burdick and Evelyn Glover.

Miss Jackle has three new pupils: Carroll Wall, Audrey Milligan and Mary Pierce.

Mrs. McKibben's eighth grade had a weiner roast before vacation. They also put on a program for the seventh grade girls, given by the eighth grade girls, with Beverly Stevens as chairman. BEC-RH

With Needle and Spoon

The Home Economics 7 girls have been discussing hobbies in relation to wise use of leisure time. Each girl explained her hobbies to the class and ways in which she spent her leisure time. Several members of the class brought their hobby or hobbies to show to the other members of the class.

The Homemaking A girls have begun a unit on nutrition. They are studying the daily food requirements for girls of their age as well as their own individual requirements. They are also studying the calorie requirements which they need and the caloric value of foods.

The 9th grade Homemaking girls have been studying and discussing ways of helping and caring for the sick in the home. The girls have set up a number of rules to follow to promote good health and avoid illness. They have learned how to treat minor injuries such as insect bites, slight burns, cuts, nose bleeds and other slight injuries which can be cared for by home remedies. The girls also learned to count the pulse and number of respirations. BB

SPORTS NEWS

Andover's Commando obstacle course is near completion and Coach Ingerson plans to start regular physical education class work on it.

Alfred-Almond's fall sports program consists of intramural soccer and touch football leagues, under the direction of Coach Miller.

Elliott Hartman, basketball coach of Hornell High School, says the schools in Steuben county will continue basketball as usual this year. All the schools in ClassA league are located near each other and playing the league games will not entail excessive traveling.

Providing Allegany county continues basketball, Andover will be in a league with Wellsville, Alfred-Almond, Whitesville, Scio and Richburg.

Other schools will probably lose no time in joining ACS in building obstacle courses to aid in the physical fitness program for American youth. There will probably also be Commando teams in different schools to compete on these courses and will eventually take the place of track teams and track meets.

Most of last year's veteran basketball combine has been seen at one time or another at practice on the outdoor court getting ready for the coming hardwood season. There is yet a question as to whether it will be on intramural or interscholastic terms.

The Purple Panthers will miss Jack Dean, Paul Ryan and Stan Ruger on the court this season. MG

REVIEWS AND PREVIEWS OF GIRLS' SPORTS

"Bebe" Dean, Freshman sport enthusiast, beat the all time girls' record in push-ups by achieving a total of 135 times. Poor "Bebe" was almost "done for" after this exertion.

Volley ball seems to be the main sport interest of the moment. After a last fling at softball and a taste of archery, the playing of volleyball was begun with much enthusiasm. Altho only a few really know how to play volley ball, the girls, as a whole, seem to be "catching on" and are looking forward to some exciting games in the near future.

It won't be long now before the basketball season begins. It would be a great help to everyone if the girls would brush up on their basketball rules. Then November could be started off with real playing instead of weeks of practice games and learning how to play.

Many girls are eagerly anticipating basketball games between the faculty women and students, similar to those played last year. Here's hoping that we may have many of these contests this year. MEB

GIRL CAPTAINS NAME INTRAMURAL TEAMS RECENTLY

There are now "devils," "beetles", "hornets" and "monkeys" playing intramurals with the high school girls. That sounds rather peculiar, but it is a perfectly sane statement. These names were recently chosen by the captains of the girls' intramurals to represent their sides. The names chosen by the girls are:

"Dot" Baker—"Blue Devils."
Ruth Hardy—"Red Beetles."
Norma Crowner—Green Hornets.
Arretta Dunham—Brown Monkeys

The teams this year are divided very evenly and there should be many close and exciting games of volley ball and basketball when they clash.

Every week under "Girls' Intramural News," we shall try to print the names of the winning teams and the outstanding play or player that made the winning possible. MEB

INTRAMURAL COUNCIL SPONSORS CHEER CONTEST

In order to find some new and better cheers, the Girls' Intramural Council has decided to sponsor a cheer-writing contest.

The rules of the contest are:

1—All contestants must be in the high school department.

2—All entries must be submitted before November 1. The cheers may be brought to Mr. Ingerson's office where a box for this purpose will be kept. More than one entry may be submitted by a person.

3—Decisions will be based on the originality and adaptability of the cheer and all decisions will be final.

4—The three best cheer-writers will be awarded season tickets. (The Council reserves the right to award prizes only to new cheers of merit.)

"Brother Goose" Is Cast

Senior Play Is November 24

The cast for the Senior play, "Brother Goose" has eleven characters, none of whom may be specifically called the "lead." Those who have been selected to take part are:

Jeff—Arthur Temple
Carol—Doris Mead
Wes—George Karcanes
Hyacinth—Marilyn Hardy
Helen—Dorothy Baker
Sarah—Betty Halsey
Peggy—Elaine Pope
Lenore—Cecelia Lynch
Eve—Barbara Brownell.
Mrs. Trimmer—Mary Baker
Truck driver—Leonard Cartwright

The play will be presented the evening of November 24th in the high school auditorium. Miss Anderson is directing the play. Tryouts were held Thursday and Friday of last week. DJM

Students To Vote Tomorrow

The elections for the three Student Council members-at-large, to be chosen from the Progressive and Co-operative parties, will be held tomorrow, Oct. 23rd at the village hall from 3 until 4:30. Voting will be done on the official voting machine used in the State and National election.

That same Friday morning there will be an assembly program at which both parties will conclude their campaign with a varied type of program, including speeches by the candidates. SM

"A Bad Beginning—A Good Ending"

I walked in and she invited me to be seated. I looked around the room and she asked me what I was searching for. Already I had broken one of the rules for being a successful reporter. I had come without any paper to interview the school nurse. But she was very kind and she provided me with some note paper.

Equipped with all my material, I was finally ready. So was she.

Mrs. Florence Greene, the school nurse, is a very likable person. She acquired her education in nursing at Park Avenue Hospital Training School in Rochester, the University of Buffalo, and St. Bonaventure College.

Mrs. Greene likes to do nearly everything but particularly likes to

Mr. Giffin Visits School

Andover Central School welcomed the visit of a former music teacher last Wednesday, Oct. 14.

Mr. and Mrs. Earl Giffin happened to be in this section and stopped to look in on the school in which he taught music three years ago.

Many students and teachers had the privilege of visiting with the Giffins for a few minutes. He is well remembered for the many things he did to improve the school especially for establishing a school band.

He stayed until Wednesday night, when he continued on his way to Buffalo where he is now employed by the New York Life Insurance Company. NAC

Acid Indigestion
Relieved in 5 minutes or double your money back
When excess stomach acid causes painful, suffocating gas, sour stomach and heartburn, doctors usually prescribe the fastest-acting medicines known for symptomatic relief—medicines like those in Bell-ans Tablets. No laxative. Bell-ans brings comfort in a jiffy or double your money back on return of bottle to us. 25c at all druggists.

ITCH CHECKED In a jiffy —or Money Back
For quick relief from itching causes by eczema, athlete's foot, scabies, pimples and other itching conditions, use pure, cooling, medicated, liquid D. D. D. PRESCRIPTION. A doctor's formula. Greaseless and stainless. Soothes, comforts and quickly calms intense itching. 35c trial bottle proves it, or money back. Don't suffer. Ask your druggist today for D. D. D. PRESCRIPTION.

NEW! "BACTERIOSTATIC"
FEMININE HYGIENE
now finding great favor among women...
Many doctors recommend regular use of douches as a precautionary measure for women who want to be clean, dainty—for women troubled by offending odor or discharge.
Some products may be harmful to delicate tissues. But not Lydia E. Pinkham's Sanative Wash! Pinkham's Sanative Wash is gaining great favor among women because it's NOT a harmful germicide. Instead—it's a mighty effective "bacteriostatic" (the modern trend). It not only discourages bacterial growth and infection but thoroughly cleanses and deodorizes. Very soothing—relieves minor irritations and discharge and has a tonic effect on delicate membranes. Inexpensive! Get your bottle of Lydia Pinkham's Sanative Wash today. All druggists.
