**Golden Anniversary.**

**Mr. and Mrs. Hiram Frisbey Celebrated their Golden Wedding.**

Fifty years ago Thursday at the Charles Hotel, Angelica, Hiram Frisbey and Jane Lewis were united in marriage and Thursday evening their friends and relatives in goodly number gathered at their home in this city to congratulate them on their golden anniversary.

There were present from out of town, Mr. and Mrs. George Frisbey and daughter, Mr. and Mrs. Ralph Frisbey and Miss Irene Frisbey of Elmira; Sidney Frisbey and wife and Miss Grace Frisbey of Wellsville; Mr. and Mrs. Abram Frisbey and Mrs. Milton Gray of Andover; Mr. and Mrs. Chas. Green of Olean; Mrs. Alice Field and son of Tioga, Pa., and Miss Ida Hollis of New York.

Among those from this city were a large number of relatives and friends.

It was an occasion of unrestrained enjoyment and hearty congratulations to the worthy couple and were mingled with kindly greetings to the many guests. The evening passed in pleasant conversation and song, and included the partaking of refreshments most tastefully and bountifully served. A "cake walk" by Miss Irene Frisbey of Elmira and Will Wafer of this city was appreciated by the company.

The presents were numerous and appropriate to the occasion. It was a curious coincidence that the gold pieces, presented by various persons, and without the knowledge of each other, amounted in value, when counted, exactly fifty dollars.

The many friends in this city of Mr. and Mrs. Frisbey will join in the congratulations given by the guests and wish them many added years of comfort and contentment.—Hornellsville Tribune.

**Letter to James O'Leary.**

ANDOVER, N. Y.

Dear Sir,—If you buy paint by the gallon look out for short-measure. One of the paints for sale in the section has about 210 cubic inches a gallon. Takes 281 to make a real gallon. There are great businesses founded on ten per cent. short.

It is queer that a man or concern'll expose his or its nakedness so; but he does, and it does.

Look out.

But that isn't all to look out for. Some give full measure: and cheat in the quality.

What do you paint for, the looks? or to keep your house from rotting? Both, of course.

A big hotel man painted Devoe eight years ago; was going to paint it again;—eight years is a good long time for a hotel, you know—struck a bargain: saved five cents a gallon: missed Devoe.

Poor fellow! There isn't an oz. of lead in his paint—we don't know how, good or bad it is; but there isn't any lead in it.

Yours truly,
F. W. DEVOE & CO.

Torturing skin eruptions, burns and sores are soothed at once and promptly healed by applying DeWitt's Witch Hazel Salve, the best known cure for piles. Beware of worthless counterfeits. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

Feelings of safety pervade the household that uses One Minute Cough Cure, the only harmless remedy that produces immediate results. It is infallible for coughs, colds, croup and all throat and lung troubles. It will prevent consumption. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

For sprains, swellings and lameness there is nothing so good as Chamberlain's Pain Balm. Try it. For sale by Benedict & Van Noy, at Andover, and N. E. Coston, at Greenwood.

When you have no appetite, do not relish your food and feel dull after eating you may know that you need a dose of Chamberlain's Stomach and Liver Tablets. Price, 25 cents. Samples free at Benedict & Van Noy's, Andover, or at N. E. Coston's, Greenwood.

Two million Americans suffer the torturing pangs of dyspepsia. No need to. Burdock Blood Bitters cures. At any drug store.

FASHION has ruled the world ever since Eve robbed the orchard in the Garden of Eden. It started with Fig Leaves,—goodness knows where it will end.

Fashion is responsible for about 99 per cent. of the industries of the world. Don't believe it, eh?—Well just sit down and figure out exactly what you could live on and not suffer from hunger or cold, then subtract the result from your income, and see what you have left.

But don't try to live that way. Gracious no! Why, what would we do then? What would we do with this vast improvement in the latest arts and styles in the decorations of Home comforts and ease,

**Getting Enthused.**

It has been one of the unprecedented features of the present political campaign that the masses could not be aroused as of yore by the pleadings and exhortations of the politicians. But the past week's speeches have seemed to arouse them somewhat. The Prohibition lecture given last Wednesday evening by John Nicholson of Belmont, in which he took occasion to say all the mean things about the Republican party and their leaders he knew how, and the Republican speech the next evening by Hon. Thomas Leigh of Augusta, Maine, scouring the Democratic party in a very gentlemanly yet nevertheless severe manner, aroused the much-sought-for enthusiasm here at last, and we may expect hot stuff from all sides for the balance of the contest. It only needs a Democratic speaker to call the Prohis, and the political heat will be red hot.

LATER.—They're coming.

**Gill-Baker.**

On Wednesday, Oct. 10th, at the Blessed Sacrament Church, Father T. A. Murray officiating, occurred the marriage of Mr. William J. Gill of Withey and Miss Mary Baker, daughter of Patrick Baker of Elm Valley. A reception was held at the home of the bride at which over a hundred guests were present and a most enjoyable time was experienced by the guests. The wedding presents were many and valuable, testifying to the great esteem in which the young couple are held. They drove to Wellsville in the evening and took train 12 for Hornellsville, Niagara Falls and Toronto. They will be at home at Withey after Oct. 25th. Mr. Gill is an enterprising young business man of Withey, being proprietor of the cheese factory in that place. The bride is an estimable young lady, and is well known in this vicinity. The NEWS joins with the many friends of both the bride and groom in extending congratulations.

**The Political Speaches.**

Wednesday evening, Oct. 10th, at Prest Opera House, John Nicholson of Belmont told Andover people how to vote at the coming election. His speech was the first political attempt in Andover this year. A fair-sized audience was present. He managed to tickle every Democrat and make every Republican in the audience mad. We have not as yet been able to take the temperature of his political followers, but from the look on their faces we should think they were yet laughing in their sleeves.

A full house, at the same place, Thursday evening, greeted the Hon. Thomas Leigh of Augusta, Me., to listen to the issues of this political campaign as shot from the shoulder of a Republican orator. His speech was as clean a one as it was ever our pleasure to listen to,—using none of the personal abuse of the opposing candidates so frequently resorted to by campaign speakers. The attendance of ladies at political meetings is a marked feature of this year.

**Dr. Common Takes a Bride.**

A very pretty wedding took place at noon, Wednesday, Oct. 10th, at the home of Mr. and Mrs. Chas. Lounsbury, West High street, Angelica, when Miss Inez Fay, their niece, was married to Dr. John Common of Andover. The ceremony was performed by Rev. T. F. Thurresan. The house was elaborately decorated with autumn leaves and palms. The bride's gown was white brocaded taffeta with pearl trimmings, and she carried a bouquet of white roses. After the ceremony a wedding breakfast was served. They will be at home to their friends after Nov. 1st at Andover. The honored guests at the bride's table were Mr. and Mrs. William Thomas.
