When the people refuse to outlaw the saloon, the saloon makes outlaws of many of them.

Don't use any of the counterfeits of DeWitt's Witch Hazel Salve. Most of them are worthless or liable to cause injury. The original DeWitt's Witch Hazel Salve is a certain cure for piles, eczema, cuts, scalds, burns, sores, and skin diseases. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

There are persons who refuse to listen to the piteous appeals that come to them from ruined homes in this world, while they are looking for mansions in the world to come.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this, says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia." For sale by Benedict & Van Noy, at Andover, and N. E. Coston, at Greenwood.

The saloons are creatures of law. Drunkards are creatures of the saloons. Both are furnished by our citizens for revenue.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest, give it a trial and you are certain to be more than pleased with the prompt relief which it affords. Pain Balm also cures rheumatism. One application gives relief. For sale by Benedict & Van Noy, Andover, and N. E. Coston, Greenwood.

Patriotism and piety both demand the legal extermination of drunkard factories. The drunkard factory is annihilate true patriotism and piety.

If you would have an appetite like a bear and a relish for your meals take Chamberlain's Stomach and Liver Tablets. They correct disorders of the stomach and regulate the liver and bowels. Price 25 cents. Samples free, by Benedict & Van Noy, Andover, and at N. E. Coston's, Greenwood.

The Psalmist poetically addressed Jehovah by saying: "Can the throne of iniquity have fellowship with thee which frameth mischief by law?" May we not still ask "Can the formers of iniquitous license laws have fellowship with the Almighty?"

World's Champion.

"I tried many remedies to cure piles," writes W. R. Smith, of Latham, Ill., "but found no relief till I used Bucklen's Arnica Salve. I have not been troubled with piles since." It is the only champion pile cure on earth and the best salve in the world. 25c per box. Guaranteed at Benedict & Van Noy's drug store, Andover, and by other druggists.

The success of this country under laws that provide for making drunkards and then send them to the penitentiary for drunkenness and its consequent disorderly conduct, and call that good government.

The most effective little liver pills are DeWitt's Little Early Risers. They never gripe. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

Cash and character are both sacrificed by complicity with the grog shop. The customer and licenser of it are reproached and compromised by its iniquitous existence.

Now is the time when croup and lung troubles prove rapidly fatal. The only harmless remedy that produces immediate results is One Minute Cough Cure. It is very pleasant to take, and can be relied upon to quickly cure coughs, colds and all lung diseases. It will prevent consumption. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

It is a strange mixture of piety and prejudice that make a professed Christian hate the uncompromising enemy of saloons and of saloon laws, which are the most deadly enemies of Christianity.

When the stomach is tired out it must have a rest, but we can't live without food. Kodol Dyspepsia Cure "digests what you eat" so that you can eat all the good food you want while it is restoring the digestive organs to health. It is the only preparation that digests all kinds of food. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

It Did.

"From a nearer and more intimate view of politics," asked one of his old acquaintances, "doesn't its corruption sometimes disgust you?"

"It does," answered Senator Lotsmun. "Many a man to whom I have trusted money that was needed to carry a close district has given me lists of voters he claimed to have bought with that money, and the lists have turned out to be bogus. The infernal scoundrel simply put the money in his own pocket!"—Chicago

Help is needed at once when a person's life is in danger. A neglected cough or cold may soon become serious and should be stopped at once. One Minute Cough Cure quickly cures coughs and colds and the worst cases of croup, bronchitis, grippe and other throat and lung troubles. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

Crime Decreased.

Under the Clark law, when even partially enforced in Iowa, crime decreased to a remarkable extent. In 18 months the aggregate convict population of the two penitentiaries ran down from 750 to 532. At one time, during the Twenty-second general assembly 80 county jails were reported without an occupant. The national brewers' congress in 1891 reported reduction in sales as follows: 1882 (prior to prohibition), 292,391 barrels; 1890 (under prohibition), 88,266 barrels; decrease, 204,125 barrels.

When you need a soothing and healing antiseptic application for any purpose, use the original DeWitt's Witch Hazel Salve, a well known cure for piles and skin diseases. It heals sores without leaving a scar. Beware of counterfeits. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

Bondage, But Whose.?

"That ring," said the advanced woman, indicating the wedding ring, "is a sign of bondage."

"True," admitted the young matron.

"Yet you wear it?"

"Certainly. Why shouldn't I? It isn't necessarily my bondage."

"Then whose is it?"

"Well, it takes several years of married life to find that out. I'll tell you later."—Chicago Post.

DeWitt's Little Early Risers are dainty little pills, but they never fail to cleanse the liver, remove obstructions and invigorate the system. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

There are 6,000,000 more total abstainers to-day than 50 years ago, and yet there are 20 per cent. more drinkers. The increase in population accounts for this apparent contradiction.

In the New York Central service 20 years ago the aggregate proportion of men discharged for drunkenness was 20 per cent., but now, with 300,000 men in the employ of the company, less than one per cent. is dropped from the rolls for that cause.

Many persons have had the experience of Peter Shermau, of North Stratford, N. H., who says, "For years I suffered torture from chronic indigestion, but Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsia and every form of stomach trouble. It gives relief at once even in the worst cases, and can't help but do you good. Benedict & Van Noy, Andover; E. Breeze, Elm Valley.

The saloon should be licensed. Should it be penalized, or be a law-maker?

A Keen Clear Brain.

Your best feelings, your social position or business success depend largely on the perfect action of your stomach and liver. Dr. King's New Life Pills give increased strength, a keen, clear brain, high ambition. A 25 cent box will make you feel like a new being. Sold at Benedict & Van Noy's, Andover, druggists, and at all drug stores.

The uncompromising enemy of saloon laws is greatly perplexed when he finds that deacons and distillers are both gnashing their teeth on him.

A NEW INVENTION.

TWO ANDOVER YOUNG MEN INVENT AN IMPROVED CURD MILL.

FULLY PROTECTED BY PATENTS.

We are pleased to place before our readers this week a half-tone of a new and improved curd mill recently invented and patented by Messrs. Snyder & Bloss of the Andover cheese factory.

THE SNYDER & BLOSS CURD MILL.

Although they have had the idea in mind for the past year, it is not until this summer that they have completed the machine and placed it upon the market, and not until this week have they obtained information from Washington that their patents had been granted.

The machine in itself is simple in construction, yet of inestimable value as a labor saver. It may be run with either hand or motive power and the manner in which it does its work comes as near perfection as machinery can. Some of the advantages of this mill over any other now in use, is, it retains all the butter fat, which is an item sadly lacking in many of the other mills. This mill cuts the curd into fine cubes, while others tear it apart and thus lose the fats. It is far more durable than any others. It makes the cheese finer and firmer, so that even the cheese buyers are loud in its praise. It is the easiest mill to cleanse, one pail of hot water thoroly cleansing every part in a moment.

After the milk is set the curd is cut into strips as long as one can conveniently handle, and just as wide as the hopper. These are fed into the mill as fast as bundles of grain are fed into a threshing machine. Four hundred pounds of cheese curd can be put ready for the hoops in five minutes.

Last summer W. W. Hall, Secretary of the State Dairy Association, and the expert state cheese-maker, who is employed by the state to hold institutes and give instruction to cheese-makers, highly recommends this machine, after seeing it work in the Andover factory.

Our townsman, J. M. Hartrum, having purchased one of these mills, and used it in his factory last summer, writes the boys as follows:

ANDOVER, N. Y., Dec. 7, 1900.

SNYDER & BLOSS:

Gentlemen,—After using your curd cutter the past season with such good results, I feel like congratulating you for its invention. Having used many other machines, I think I am competent to judge the merits and demerits. Your cutter gives the curd a clean rotary cut, thereby retaining all butter-fat possible, and I cut, with power, 400 pounds in less than five minutes. I would not take one hundred dollars for the one purchased of you last spring if it could not be duplicated.

Wishing you success, I remain,
Yours truly,
J. M. HARTRUM.

Arthur Mingus, of the South Andover factory, also has used one the past summer, and pronounces it in every way satisfactory.

We are glad that the gentlemen are meeting with such success from the very start and only hope that they will be able to reap the reward of their industry in dollars. The price of their mill is only $18, and all rights are fully protected by patents. Success to their enterprise.
