South Hill

Feb. 20.—Fine sleighing again, but it is not entirely satisfactory. Our residents have succeeded in making a highway thru the fields for auto travel.

Mr. Knox of Wellsville purchased potatoes of Robert Dean which he recently trucked to his city.

John Dean and Will Joyce attended the Dairymen's League meeting in Andover last week.

Dr. Scott of Andover was on our hill professionally one day last week.

Mr. and Mrs. Jackson of Andover spent Saturday afternoon and evening with Mr. and Mrs. Clarence Cronk.

Feb. 26.—The weather man has "held the boards" for over a week in this section, to the exclusion of all activities but breaking roads, which filled in over night. They are equally impassible now for autos in the present thaw.

Howard McAndrew of Andover spent Washington's birthday with his father on the farm. Richard accompanied him Sunday for a sleigh ride.

Miss Mary Byrnes who had spent the week with her cousin, Mrs. Dougherty, returned to her home in Wellsville, Saturday evening.

Robert Dean, John Dean and Anthony Dougherty visited the Gavin home on Pingrey Hill, Thursday evening.

A number from the hill attended the funeral of George, son of Mr. and Mrs. Michael Gavin of Pingrey Hill, held in Blessed Sacrament church at Andover, Saturday morning. Mr. Gavin was a former South Hill resident, growing to manhood here, and our people sympathize with him and family in the loss of their young son and brother from the family circle.

Miss Seely of Andover, made the trip to Fulmer Valley Monday morning by a relay from auto to Mr. Schoonover's sleigh.

We are sorry to lose as South Hill residents, Mr. and Mrs. Robert Dean, who are removing to Andover, where Robert will engage in state road work. They will be missed from our little community whose good wishes for abundance of success go with them. Dean brothers are to work his farm the coming year.

We have not seen our mail carrier, Mr. Church, for some days.

DON'T suffer headaches, or any of those pains that Bayer Aspirin can end in a hurry! Physicians prescribe it, and approve its free use, for it does not affect the heart. Every druggist has it, but don't fail to ask the druggist for *Bayer*. And don't take any but the box that says Bayer, with the word *genuine* printed in red:

Dr. Caldwell's 3 Rules Keep You Healthy

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time regardless of how much one tries to avoid it. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the most delicate system and is not a habit forming preparation. Syrup Pepsin is pleasant-tasting, and youngsters love it. It does not gripe. Thousands of mothers have written us to that effect.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. In a practice of 47 years he never saw any reason for their use when a medicine like Syrup Pepsin will empty the bowels just as promptly, more cleanly and gently, without griping and harm to the system.

Keep free from constipation! It robs your strength, hardens your arteries and brings on premature old age. Do not let a day go by without a bowel movement. Do not sit and hope, but go to a druggist and get one of the genuine bottles of Dr. Caldwell's Syrup Pepsin. Take the proper dose that night and in morning you will feel fine, all the second person. Use Syrup Pepsin

for yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, headaches, and to break up fevers and colds. Always have a bottle in the house, and observe these three rules of health: Keep the head cool, the feet warm, the bowels open.

We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and you will get, prepaid a sample bottle.
