Whiter teeth

SOUND TEETH

Teeth whiten amazingly with a few brushings of Rexall Milk of Magnesia Tooth Paste. It leaves the teeth so clean—the gums so invigorated. You just know your teeth are sparkling. You feel the difference.

Rexall Milk of Magnesia Tooth Paste gives greater protection, too. It neutralizes mouth acids that are the cause of decay.

Gentlemen:

I have used Big Egg Mash for about eight years. I have about 900 hens and am getting 60% production. I have tested Big Egg Mash in comparison with a well known, higher priced mash and got better results with Big Egg. I also used home-mixed mash for four years, but get much better results from Big Egg and think it is the best mash I have ever used.

Yours respectfully,

(Signed) E. D. CONABLE.
