Children and grandchildren of Henry Clarke to the number of about forty assembled at the home of Frank Clarke in Whitesville Thursday, Oct. 24th. A very enjoyable time was had. Mr. and Mrs. Charles Clarke of Sagertown, Crawford county, Mr. and Mrs. Adelbert Clarke, Mr. and Mrs. Fred Spears of Caton Center near Corning were present. Mr. and Mrs. E. Livermore and daughter Maud from Andover helped to make good cheer. Roast chicken, roast beef, cakes, pies, tarts, cookies, jellies and biscuits helped some to make time pass rapidly. Singing with Mrs. Gertrade Spears at the organ was fine but the stories of the times of forty and fifty years ago were best, and if they have another, may I, your scribe, in the language of John Gilpin "be there" and again participate.

HIGH SCHOOL TIPS.

SCHOOL NEWS AS TOLD BY OUR SPECIAL CORRESPONDENT.

Miss Georgia Cheesbrough of Wellsville was the guest of Miss Gertrude Hills over Sunday.

The Kappa Zeta and the Theta Phi will hold a joint meeting some time early in October. A warm time is assured.

Judging from the sounds of shingle slaps which floated out of the Second Primary Monday night some future president must have got his.

Bartley Joyce had to dig potatoes for the "old man," and was therefore absent Friday afternoon.

Miss Grace Coon of Alfred was the guest of Miss Roxa Hann over Sunday.

A couple of the town cusses gave the Principal a slight scare Saturday night by administering a tin can, a string and a piece of rosin to the window near that dignitary's head. Oh! well, all's fair in love, in war and in high school life.

Saturday night, about thirty of the members of the High School gave a surprise party at the home of Joseph Krusen in honor of Miss Ethel Hunt's seventeenth birthday. The evening was pleasantly passed by various games, and everybody enjoyed the occasion to the limit. These parties tend to lighten the hum-drum of school duties, and, in the language of the village Cut-up, "We're glad to get 'um."

A football team has been organized by the young men of the High School. The material is rather light; however, with much practice and the hearty co-operation of the town's-people, a winning football team may be developed. The members of the team are practicing nightly, and are arranging to play the schools of neighboring towns. Wednesday the eleven will meet the strong Whitesville Academy team on the gridiron opposite the Erie station. Attend the game and cheer the boys on to victory. The line-up of the team is as follows: Center, William Greene; right guard, John Lever; right tackle, Wm. Lynch; left guard, Geo. Lynch; left tackle, Chas. Mourhess; right end, Fred Turk, left end, Carl Tracy; full back, Bart Joyce; right half back, Fay Bloss; left half back, Mort Driscoll; quarter back, Leslie Hann. Bloss, Captain; Hann, Manager.

The Phi chapter, Theta Phi, held their regular meeting Tuesday evening. A highly entertaining program was rendered, and much business transacted. Two candidates, Wm. Mulcahy and Carl Tracy, were made brothers in Theta Phi.

The Kapp Zeta will hold their regular fortnightly meeting next Tuesday evening at the school building. Following is the program:

Answer to roll call by current event.
Piano duet; Ina Hann, Nina Loughlen.
Reading, Grace Cheesman.
Music by quartet, Grace Bodle, Nina Baker, Dora Baker, Alta Baker.
Recreations, committee.

Mill President Got Skinned.

Mr. —— President of a cotton-mill at Union, S. C.—he don't want to see his name in print—had two offers of 550 gallons of paint: $1.30 and $1.25. Took the $1.25; and got skinned. He'd have got three-quarters skinned if he'd taken the other.

The $1.30 was full-gallon; the $1.25 was 18 per cent short. The full-measure paint was adulterated 40 per cent; the short-measure paint was adulterated 45 per cent, besides benzine in the oil, don't know how much.

Devoe lead-and-zinc wasn't sold in the town then.

It don't pay to monkey with paint.

Devoe costs less than any of 'em; not by the gallon of course; by the house and year. That's how to reckon it. Go by the name.

THE PASSING OF J. K. REGAN.

BRIGHTS DISEASE TAKES ANOTHER ANDOVER MAN.

Chief Operator for the Erie Railroad at Hornelsville For Years.

John K. Regan died in the St. James Mercy hospital at Hornellsville Tuesday morning of acute brights disease. For many years he had been the esteemed chief operator of the Erie railroad at Hornellsville, where he has made many friends. He had been sick only a week and his death came as a shock to his many friends. He was born in Andover 44 years ago. His mother, Mrs. Ellen Regan, sister, Julia, and one brother, Timothy, living here. In fact the deceased has always claimed Andover as his home, his only child, Guy Regan, passing most of his seventeen years with his grandmother in this village. He leaves also four other brothers, Thomas K. of Almond, Daniel of Wellsville and Patrick and Michael of Chicago. The body was brought to Andover Tuesday, and the funeral services conducted at the Blessed Sacrament church Thursday morning, at which a large delegation of Hornellsville Elks and Knights of Columbus and railroad employees were present. The interment was made in St. John's cemetary.

Strange People in Our Land.

The Rev. D. E. Finks of New York will give an illustrated lecture on the above subject in the Presbyterian church Thursday evening, Oct. 15th, at 8 o'clock. This is no "cheap stereoptican show" but is first class and has the commendation of many well known men. The admission is free since the Board of Home Missions of the church sends Mr. Finks here and asks only a free will offering for mission work. Prof. Tucker of the Andover High School and Dr. Deems of Hornellsville have both seen the pictures and speak very highly of them. The people of Andover are cordially invited to attend this lecture.

LECTURE COURSE

Andover High School Entertainment Course 1903-04.

A GALAXY OF ENTERTAINERS.

The Course this Season is Purchased from the Empire Lyceum Bureau of Syracuse and is one of their Best Combinations.

Five of the best numbers that perform on the lecture course platforms are promised the Andover people for the season of 1903-04. Supt. Tucker has secured the best talent at a heavy expense and Andover people will show their appreciation by a generous patronage.

The first number will be the Hearons Sisters Oct. 26. Allegany county people have all heard much praise for this entertainment, as they are residents of this county—Bolivar. They are known by reputation to us all.

The second number is Willard D. Howe, Impersonator, Nov. 25. He will be found to be a gentleman exceptionally well fitted to be a platform entertainer. At Yale, where he graduated, he enjoyed the reputation of being the most capable actor in the University.

December 22, just before the holidays, comes the Empire Entertainment Co. To secure this company more money was paid than has been given any entertainment before an Andover audience. Many full courses could have been obtained for the price paid for this entertainment. In this company is S. Platt Jones, the Humorist and Dramatic Reader in whose praise none too much can be said.

Ralph Bingham, another original humorist, violinist, vocalist and raconteur of national reputation and unlimited ability will be in Andover January 24.

The season's course will be closed by a grand lecture by Dr. Albert Burdsall Riker. He is up-to-date and gives his audience living truths. On Chautauqua or Lyceum platforms he equals the best. His subjects are "What shall we do with the boys?" or "The mission of culture to our times." Dr. Riker is president of Mount Union College.

Surely all will wish to avail themselves of the opportunity of hearing this choice course. Tickets will be on sale next week.

A Fashion Fad.

The bangles are the fashion, it is only the unusual bangle which the smart girl looks upon with favor. The latest bangle novelty is so surprising that it is worth hearing about. It is a narrow gold band decorated with the one thing in the world you wouldn't think it would be—a most unpleasantly natural-looking little mouse. It is a gun-metal mouse, and it has a long gray tail, and little pearls for eyes. And girls are actually wearing this mouse bangle. Another fashionable and new bangle is a flat gold band representing in shape a leather belt which appears to be fastened with a gun-metal buckle. The bow-knot bangle is also pretty and new. It, too, is made of gold, and the gold bow is studded with turquois.—Grace Margaret Gould in the October Woman's Home Companion.

Has Pleasant Surroundings.

Miss Helen M. Baker writes from Chicago that the office where she works is in the Marquette building, one of the finest office buildings in the city, white marble, 17 stories high, 11 semicircular elevators. The office contains private safety vault, telephone booth, toilet room with hot and cold water, etc.

Received an Invitation.

Edward Seaman Post and the Woman's Relief Corps have been invited by the Belfast Post to be present at the dedication of its cannon and annual camp fire on Friday, day and evening, Oct. 9th.
