Dog Owners' Notice

Dog licenses for 1934 expired on December 31st, 1934. The 1935 license fee is due January 1st. Licenses so issued will cover the period from January 1 to December 31, 1935. Every dog must wear a tag of the current dog license year. A dog without such a tag is not protected by law and no action can be maintained for his injury or destruction.

An unlicensed dog may be seized and killed and the fact that a dog is without a tag is presumptive evidence that the dog is unlicensed.

Dog licenses must be obtained from the clerk of the city or town where the dog is harbored or kept.

License fees: Male dog, $2.25; female dog, $5.75; spayed female dog, $2.25. These amounts include clerk's fees.

No license can be issued for less than the full license year.

The owner of a dog who fails or refuses to obtain a license for the dog as required by law incurs a penalty of $10.00 and costs.

The enumerators of towns and the police departments of cities are required to prepare in January of this year a list of dog owners. The omission of the name of an owner from the enumerator's or police list will not excuse the owner from obtaining a license.

If you owned a dog last year and do not own one now, so advise the clerk of your town or city

Dog licenses in the town of Andover are issued by A. L. BLOSS, Clerk, P. O. Address, Andover, N. Y. 4

60% more electricity costs this family only 2c a day more

MR. and Mrs. Y have kept a careful account of household expenses for the past five years. When they first started, their electric bills averaged $1.90 a month. Now, although they have bought several new electrical appliances and improved their lighting, using about 60% more electricity, they pay only about 2c a day more.

Their records show that the more electricity they use, the bigger bargain it is. Cheaper electricity in this section has brought many dollars worth of electrical convenience to local families for only a few cents a day. Today your electricity is the biggest bargain you buy.
