American Prisoners say:

"WE WANT TO GET BACK AT THE JAPS!"

MATCH THEIR SPIRIT in the MIGHTY

7TH WAR LOAN DRIVE

YES, despite their long months and years of privation and suffering, those gallant men, just released from filthy Jap Prison Camps, still have their good old fighting spirit. They're itching to get back into the fight and give the Nips a taste of their own medicine.

Let's show them that we're not quitting either! Let's match their spirit with our dollars! Let's make this MIGHTY 7th War Loan the mightiest of them all!

But to come even close to matching their sacrifices, everyone here at home must buy War Bonds until it hurts. Buy double or treble the *extra* War Bonds you've bought in any previous drive. Remember, this is really *two* drives in *one*. In the same period last year, you were asked to subscribe to *two* War Loans.

So let's go, Americans. Our hard-fighting Soldiers, Sailors and Marines are *giving their ALL*. The least we can do is to *lend our dollars*.
