Andover High School TIDBITS

Eighth Grade

The boys' basket ball team was defeated by the Sophmores last Saturday by the score of 14 to 7.

We have new arithmetic review books to supplement our work with, for the rest of the year.

Several of the anthologies have been completed and are on exhibition for anyone who wishes to see them.

Spring is not only showing itself outside, but also inside, on our bulletin board, and by new flowers in our window box.

TID BITS

Andover people are pleased to know that the High School boys have organized a hiking club, but they wish they'd keep earlier hours.

We would like to inform you that the Pine Grove Inn burned to the ground on Thursday of last week. The wind was so strong that the services of the fire department was all in vain.

Teacher: "John, give one defect in history."

John: "Nero played a fiddle at the burning of Rome, when he should have played a hose."

Biology Teacher: "Burton, did you ever see a tree toad?"

Burton: "No, but I saw a tree leaf."

Professor: "Are there any questions?"

Student: "What course is this?"

Teacher: "What time was Adam born?"

Small Boy: "Just before Eve."

An Irishman and a Scotchman stood on a bridge looking into the water. "Faith," said the Irishman, "'Tis said a nickle thrown down to the water brings good luck."

"Guid," said the Scotchman. "Gimme a string and ae'll deen try it."

First: "Why does your sister call her beau 'June'?"

Second: "'Cause every time June comes May goes out."

"Many a true word is uttered thru false teeth." says Francis Cable.

Chemistry Teacher: "Claire, what is the definition of density?"

Claire: "I can't give you the definition, but I can give you the illustration."

Chemistry Teacher: "Sit down, the illustration is good."

Is he proud to say "this is my wife?"

ANY woman who wants to keep her husband's admiration must refuse to let housework steal her charm, her health, her beauty.

The *modern* woman has learned how to work less, yet do more. She lets an electric washer save her soft hands, and her time. An electric vacuum cleaner beats her rugs. An electric range magically cooks dinner while she's in the fresh outdoors with her children.

Visit your electrical dealer today. See for yourself how these electrical helpers come into your home for just a few dollars... run for a few cents an hour. With your electricity cheaper today than ever before you can afford to let it do every bit of household drudgery.

PROPOSITION

To Be Voted Upon at Annual Village Election.

Notice is hereby given that at the annual election to be held in and for the Village of Andover, N. Y., on the 19th day of March, 1929, between the hours of 12 o'clock M., and 5 P. M., the following proposition will be submitted to the electors of said Village to be voted upon at said election, which proposition is as follows:

Shall the Board of Trustees of the Village of Andover, County of Allegany, New York, be authorized to expend the sum of twelve thousand Dollars ($12,000.00) to pay the cost of grading, draining, edging, and paving that portion of East Center Street in said village, extending from the easterly side of the brick pavement of said Center Street easterly to the westerly side of East Avenue in said Village; one-half of such construction and improvement to be paid for by said Village and one-fourth the expense thereof to be paid for by the abutting property owners on each side of said street, and assessed in accordance with the provisions of Section 166 of the Village Law, and be empowered to borrow upon the faith and credit of said Village of Andover, N. Y., the amount necessary to pay the cost of such construction and improvement not to exceed in the aggregate, the sum of Twelve Thousand Dollars ($12,000.00); and issue and sell bonds of said Village upon the faith and credit thereof, to be paid within ten years from the date of such issue in ten equal annual installments with interest at 5% per annum, payable annually; and that a sum be raised annually by tax upon the taxable property of said Village sufficient to pay the principal and interest of said bonds as the same shall become due and payable.

This proposition is submitted in accordance with a petition duly filed with the Board of Trustees of said Village, by property owners abutting on said street, and a resolution passed by the Board of Trustees of said Village at a meeting of said Board held on the 8th day of February, 1929.

Dated at Andover, N. Y., this 13th day of February, 1929.

BAKERS' STORE NEWS

Published by Baker Bros. Hardware, Andover, N. Y.

"When did Moses live?" asked the teacher.

The class was silent, so she continued: "Open you books and read the page about Moses. What does it say there?"

After a pause, a boy replied: "It says 'Moses, 4000 B. C.'"

"Then why didn't you know when Moses lived?" demanded the teacher.

"Well," said the boy. "I thought that was his telephone number."

Maple Syrup, new crop, is now on the market—suggesting Hot Waffles.

Let us show you the new Hot Point Electric Waffle Iron, with tray pedestal and built in switch. The finest of fine irons—$14.50.

Your garden seeds are ready and the variety and quality will suit you in every way—and you will appreciate being able to buy a large package of strictly new grown seeds for 5c.

In the bulk seeds, growers have delivered full quantities of everything except the popular varieties of wax beans, these were almost a crop failure and most of the big dealers are sold out.

Fortunately our orders were placed with several shippers and we have our usual supply so you may be sure of your favorite if you buy promptly.

Don't forget some Cream and Honey Corn, the earliest, best flavored, most prolific of all the early yellow sweet corns.

There has been a decided improvement in the appearance of all kitchen appliances; this striving for beauty has reached its highest expression in the cooking apparatus now on the market.

The new Gas Ranges are marvels of utility, and convenience, and the prices are being constantly reduced.

Come and see one of the latest.

Teacher: "Rastus, what animal is most noted for its fur?"

Rastus: "De skunk; de more fur you gits away from him de better it is fur you."

Bearcat Coaster Wagons are made with the gear parts riveted together so the bangs they get from rough travel won't shake them loose.

They are large size, well painted, disc wheels and corrugated balloon tires.

Extra good value at $4.75.

Dan Patch Coaster, same size, with bolted gears and smooth rubber tires—$4.48.

If you youngsters tease hard enough maybe you can have one.

The new Franklinville Syrup Can with large top having slots so you can open with a kitchen knife, and a real soldered on handle is the greatest improvement in syrup cans since the old round one.

Syrup will sell better and for more money in these attractive cans.

Waste paper baskets that are different, match your room furnishings and are distinguished enough to look well anywhere.

Baskets of this sort have always been high priced, but this lot is offered you at 50c.

If your sink drains are clogged or frozen we have a drain pipe solvent that will open them at only 25c a can.

Put your discarded razor blades to work, make a paper cutter, a scraper to clean off paint spots, rip seams or cut out bastings, remove the burned spots from cooking pans and a lot of other odd jobs that will suggest themselves.

We furnish the safety adjustable handle for 25c.

Every day some one says give me a can of that good Louise Powder.

They mean GRAY LAWN.

Do you know the toilet paper you use is clean and sanitary? Use Lion Tissue and be sure. It costs less too.
