[illegible]9.

[illegible] outwardly, nor is [illegible] anguish caused by [illegible]. Then we speak of cus[illegible] and are naturally all up[illegible] shame, bereavement, or [illegible]. But man is so con[illegible] an assault on reputation, [illegible] general censure of [illegible] character, will often inflict [illegible] pain as the piercing [illegible]. There are, moreover, some [illegible] with pain more expansively go to [illegible] such as these will stand the [illegible] composition when proceed[illegible] great numbers, or from per[illegible] and importance. And [illegible] rebuke is [illegible] [illegible] sensitive soul, [illegible] emotion of unhappi[illegible] must for a time, under which [illegible] supports of religion are as truly [illegible] under the more palpable in[illegible]

But is there any means of [illegible] provided above such sufferings [illegible] but which is afforded by Christ[illegible] because the true believer in the [illegible] with one who can [illegible] and unfailingly appeal from the judgment of [illegible] to the judgment of God.—Dr. [illegible].

"I Always Pay My Debts.

"I might have been a bankrupt in our [illegible] a prominent business man was obliged to suspend payment and give up his business. Investigation showed he had not been prompt in dealings. He never paid his little debts, and they at length so accumulated that they brought on the sad crisis.

"At the last, speaking of affairs, said: "It is unpardonable. The man ought to fail. He should have paid his debts when he could. I always pay my debts as I go along, and so always know where I stand. I have not a single debt," he continued.

A friend standing by gently placed a [illegible] arm saying:

"You mistake, Mr. H——; I know a debt that you owe."

"It is false," was the quick reply. "I challenge you or any one else, to lay their finger on a cent that I owe."

"Still the friend insisted on his friend. "I know of One who lent you the fine house to live in, the money you have in the bank, and all the [illegible] with you are surrounded, and daily them your own. More than this, He gave you health and friends. How much have you ever paid him?"

"Ah! that is a different thing. I don't think about such things; but I always pay every cent I owe my fellowmen."

"You are like the merchant that [illegible] his little debts and lets the great debt go, and then boasts, 'I always pay my debts.'"

My friend, the great debt of gratitude is yet unpaid. Take care lest the Master cast thee into prison. Thou shalt not come from thence till thou hast paid the uttermost farthing."

Don't Think about it Now.

No fallacy of impenitence is so fatal, and at the same time so specious, as that of postponement—"I shall have a more convenient season."

A convict on being removed from one prison to another, was asked how he liked his new house.

"Not at all," was the reply.

"Are you not clothed and fed as well here?"

"Yes, better."

"Is your labor harder?"

"No, not so hard."

"Are you not treated with kindness?"

"Yes."

"Then what do you like it?"

"Why, I am not allowed to speak to no one. I eat by the table and sit and think all day about my work all day to think, and at night the iron door shuts me in my solitary cell to think! think!! think!!! and I cannot endure it."

Ah! he should have thought before as, impelled by necessity compelled him to do so; he should think reasonably now. Let's say of religion as above, "Can't think of it now," lest you fade with your soul. Be wise while it is called to-day! It will be sad thinking in the prison of despair.

A Last Illustration.

A young man was converted during [illegible] revival fatal, though [illegible] apprehended when he [illegible] to give his heart to Christ. [illegible] the physician announced an unfavorable change in his condition the [illegible] entire resignation, and requested Annie Adams to sing a hymn [illegible] of that feeling.

An hour or two after, in the silence of [illegible] was heard to say, "Lord! [illegible] me!" This surprised the moth[illegible] and the immediate inquiry, [illegible] your hopes feeble?"

"Not [illegible] another; but O, my lost life [illegible] wasted years, and, until a [illegible] has been lavished [illegible] and everything for myself [illegible] my pleasure. My companions [illegible] I've made a profession in [illegible] of truth. O that I could live to [illegible] my Saviour!" Shortly, and [illegible] left this [illegible].

VINEGAR BITTERS

PURELY VEGETABLE FREE FROM ALCOHOL

R. WALKER'S CALIFORNIA

VINEGAR BITTERS

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkable by so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system that has been well nourished with this great restorative.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Giddiness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Tumors, Ulcers, Erysipelas, Scalded Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. These and all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such diseases are caused by vitiated Blood.

Mechanical Diseases.—Persons engaged in Chemical Minerals, such as Plumbers, Type setters, Gold beaters and Miners, as they advance in life, are subject to paralysis of the Nerves, Rheumatism, Stiff Joints, etc. For all of these complaints, as a preventive, take one dose of WALKER'S VINEGAR BITTERS each day.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system so effectually as these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

MILK OF MAGNESIA.

The best and safest remedy in use. It will unquestionably remove HEARTBURN, SOUR STOMACH, DYSPEPSIA and HEADACHE, arising from acidity or inactivity of the stomach or bowels. Its action as a laxative is mild and pleasant, and is superior to any preparation of Magnesia in the market, as it contains no lime to induce them to take it, and it is thus available to any invalid in the land or child. The Milk of Magnesia is recommended by the most eminent physicians of the profession as the best remedy for the above complaints. Prepared by C. H. PHILLIPS, Manufacturing Chemist, New York.

THE GREAT SOUTH AMERICAN JURUBEBA BLOOD PURIFIER

Is the most powerful cleanser, strengthener and restorative of vitalized Blood ever known to the materia medica.

It is specially adapted to constitutions worn down and devitalized by the sunk weather of Spring and Summer, when the blood is sluggish and impure, and the system is filled with poisons from sluggishness and imperfect action of the secretive organs, and is unable to expel them. Impure blood is the cause of Boils, Carbuncles, Scrofula, Salt Rheum, Ulcers, Sore Eyes, &c.

When weary and languid from over work, carelessness, exposure and hardship take the place of energy and vigor, the system needs a Tonic to build it up and help the vital forces to regain their respective powers.

In the form of Sarsaparilla, frequently the Liver and Spleen do not properly perform their functions. Poorness and urinary organs are inactive, poisonous humors of the blood are not expelled, and a profuse eruption is the consequence.

DR. WELLS'S

EXTRACT OF JURUBEBA,

is prepared directly from the South American plant, and is peculiarly suited to all these difficulties. It will cleanse the Vitalized Blood, arouse the Liver and Spleen to healthy action, and in a few days you will find a complete renovation took place in your whole system. Like fire it burns out all impurities, and Enfeebled Organs.
