Andover High School TIDBITS

TID BITS

The High School students enjoyed a lecture given by Mr. Veigle of Rochester Business Institute, Monday morning. His topic was "Choosing a Career." We hope that this will have a good effect.

There will be a musical comedy Wednesday and Thursday evenings, April 24 and 25. We would like to see a big crowd present to show their interest in the school.

The Senior Class are planning on their play, which will be given in a few weeks.

Bill "Spivens" radio musician is coming to give an entertainment Friday, April 26, at 11:15 a. m. He plays the violin, piano, saw, banjo, and other instruments. Everyone is welcome.

The High School students are sorry that Elwood Williams has left school.

Prof.: "Burton, are you one of the cast in the play?"

Burton: "Yes, the outcast."

Miss Clarke: "Don't you understand the French for today?"

Ralph: "No, it's all Greek to me."

Francis (in math. lecture): "That last step is wrong."

Mr. Dunbar: "Exactly! I just wanted to see if anyone were awake."

Miss Waldron: "In which of his battles was King of Gustavus Adolphus killed?"

Ray O'Boyle: "I think it was the last one."

Robert Common, after finishing a number on his saxaphone: "What was that we just played?"

Registrar: "Name please."

Frosh: "Whose?"

Athletic Association to Stage First Local Show in New Auditorium

Rehearsals are now under way for the great musical comedy success, "My Dream Girl." Rehearsals are being held every afternoon and evening and over 125 local boys and girls will be seen in the cast and choruses.

"My Dream Girl" is a play in three acts with many dancing features and wholesome comedy, the characters are mostly rural and the comedy is hilarious at time.

The boys and girls are planning an active ticket campaign and trust that two capacity houses will greet this, their first attraction in the new school. The advance ticket sale starts Monday afternoon at Bloss Agency store. Be sure to reserve one night to see "your own" in action in this great musical treat on Wednesday and Thursday, April 24th and 25th.

Before measuring molasses, dip the measuring cup or spoon in scalding water and then the molasses will turn out quickly.

A coarse scrubbing brush kept near the door is convenient to clean muddy shoes and better than a knife which may cut or scrape the leather.

Husband (who, during spring cleaning has to shift for himself): "I say, dear, where can I find a knife and fork?"

Wife (from above): "Don't be silly, Harold; you know they are kept in the sideboard."

Husband: "I know that, but where is the sideboard?"

Wife: "Oh, it's in the garden."

Utilac, the very best of the quick drying enamels now on the market, is a product of the Benjamin Moore company. It is recognized by painting experts everywhere as having no equal.

It spreads as easily as an oil paint and no other paint maker has been able to duplicate the beautiful colors available in Utilac.

We are proud of Utilac. We want every person in Andover and vicinity to know how wonderful it really is, so have arranged for our people to test it themselves at no expense. Just pay us ten cents for a regular 15-cent brush, sign a coupon and receive a 25-cent can of Utilac free.

We don't know just how long this offer will stand so act quickly.

We have just received direct from the factory the largest assortment of quality fish lines ever shown in Andover; anglers, look them over while the assortment is complete.

A standard package of garden seeds contains about one-quarter of an ounce. If you pay the long price your seed costs you 40 cents an ounce.

To get highest quality seeds at lowest price, buy our bulk seed at from five to 20c per ounce (most of the ordinary selling at 10 cents) and our standard full-weight package seeds at 5c.

We specialize in Webber Wax Beans, Potlach Peas, Cream and Honey Corn and Leonard's quality Union Sets. These are all outstanding varieties and our prices are usually lower than you will pay for common jobbing stock elsewhere.

Buy good seed and note the difference.

The new Eagle Night Lock the most secure lock of its type on the market today and priced complete at only $2.50.

Get your copy of "What's new in Cookery," an up-to-date treatise on waterless cooking, direct from the test kitchen of Mirro Aluminum.

The new Vapo-Seal line of heavy gauge Mirro was developed under the personal supervision of the best home economic experts in America, and no expense was spared to make it as it is—perfect!

We claim there is no other just as good and certainly none available at so low prices.

We want every housewife in this locality to have this interesting book. It is a college education in modern food preparation and points out the straight path to luxury meals at most economical cost.

Buy your first Mirro Vapo-Seal Utensil, try the first recipe that strikes your fancy and you will be convinced that the new exploits in cooking have uncovered new flavors and aromas of which you were not aware.

Just one Vapo-Seal Aluminum—MIRRO.

Brunswick Casings are giving motorists a security against that annoyance so common in ordinary tires—pin cuts, Brunswick sturdy sides and extra treads carry you to your journey's end with no flats.

They are real good casings, sensibly priced and carrying a guarantee that gives you protection. There is no guess work about adjustments among Brunswick drivers.

Hoosier Lawn Mowers are the Packards of the lawn mower family. If you want a machine for long, dependable service—that can be adjusted without tools, runs easy and cuts smooth, the Hoosier fills your order.
