Independence Day.

Miss Anna O'Leary of Andover visited her sister, Mrs. Margaret Dean and family one day last week.

Mrs. Margaret Dean, the Misses Mary and Lenora and Howard Dean attended the recent Alumni banquet held in Masonic Temple, Andover.

Mr. and Mrs. M. T. Garvin and sons, Robert and Raymond motored from Pittsburg, Saturday for a visit with their mother, Mrs. Catherine Dean and other Andover relatives.

Many expressions of sympathy for Mr. and Mrs. Charles Lynch in the recent loss of their lovable little daughter were heard in this, their home community from which the funeral was largely attended.

Mr. and Mrs. Howard Dean and sister, Mary Dean were Hornell visitors, Saturday.

Mr. and Mrs. John Daniher and Mr. and Mrs. P. J. Byrnes of Wellsville and Mr. and Mrs. Howard Dean were dinner guests on Sunday of Mr. and Mrs. A. Dougherty. Callers at their home in the afternoon were Mr. and Mrs. John Byrnes of Wellsville, Mr. and Mrs. Leo Coyle of Scio and Mr. and Mrs. John Baker of Andover.

Why the very happy countenance worn by Clarence Cronk those days? Cause—a seven and one-half pound daughter arrived at the Maternity Hospital, Wellsville, Sunday morning and daddy is taking care of the congratulations.

Mr. and Mrs. Lou Snyder and family of East Valley enjoyed a motor trip over the hill, Sunday, and a visit with Mr. and Mrs. Leo Horan.

Mr. and Mrs. Jackson of Andover spent Sunday with Mr. C. Cronk.

A small contingent of New York "Fresh Airs" arrived on the hill, Monday evening. Josephine Cummings again with the family of Margaret Dean and Pauline Shimp at the Dougherty home.

Mrs. A. L. Dougherty was a Wellsville visitor Tuesday afternoon.

Earl Richardson of Andover accompanied a water system agent of Rochester over the hill, Wednesday.

ALFALFA HAY IS GOOD FOR HORSES

Fed With Corn Makes Well-Balanced Ration—Can Be Used as Part of Roughage With Other Grains.

Alfalfa hay can safely be fed either as the sole roughage for horses, or to replace half or more of timothy or prairie hays, according to A. O. Rhoad of the New York state college of agriculture. Experiments have shown that horses at hard work and fed alfalfa hay as the sole roughage, maintained their weight on 20 to 22 per cent. less grain than others fed timothy hay.

Alfalfa makes a well-balanced ration when fed with corn alone. Timothy hay may not be fed with corn alone, as this ration is low in protein and needs a supplement to balance it. With grains other than corn — such as oats, barley, peas and bran, which in themselves contain considerable protein — alfalfa should not be used as the sole roughage. Under such circumstances lower the amount of alfalfa fed; use, for example, half alfalfa and half timothy.

For horses, the first cutting of alfalfa is more beneficial than the second and third cuttings. Second and third cuttings are preferable for dairy cattle because the stems are not as coarse and there is a larger proportion of leaf area. For horses, however, the first cutting is better as it is not "stalky" and is coarser. It is commonly advised to cut alfalfa when one-third in bloom and this is highly desirable for the dairy cow. Alfalfa is better as a feed for horses, however, if it is cut at a later stage — when almost mature.

No better roughage exists for growing colts than alfalfa hay. The high protein and lime content of this hay is just what the growing animal needs to build firm muscles and dense bone.

Shine on woolen materials is caused by grease and wearing of the nap. To remove this shine wet containing a little ammonia and wet containing a little ammonia and press the garment lightly.

If it's good printing you want—we do it.

HIGHLIGHTS ON STATE PRODUCE

From New York State Dept Agriculture and Markets, July 2, 1929.

Pea Market Steady

The tone of the market on New York upstate green peas was steady. Arrivals were lighter and the demand was moderate, according to the New York office of the New York State Department of Agriculture and Markets. Wholesale business on Madison county consignments was transacted from $3-$3.75 a bushel basket, while the Erie county shipments brought $3.25-3.50. Peas in bushel hampers from California sold at $3.25-4. During the preceding week New York City's green pea receipts filled 47 cars of which 17 were from our own state.

Cherry Market Irregular

Fancy large cherries held steady, but offgrade and small tended downward. Supplies were more plentiful. Four-quart baskets of various black and red sweet varieties whole sealed at 75c-$1.15, while sour cherries in similar packages brought from 50c-$1. Of the 69 carloads of cherries received on this market last week, 67 cars originated in the West.

Live Poultry

Fowls were in light receipt by express and by freight; broilers were in moderate supply by express and liberal by freight. Fancy, heavy stock was in light supply and in good demand. Most of receipts were of average grade. Market was about steady at lower prices. Fowls: Leghorn, 24-26c; colored, 2628c per pound; broilers: Rocks, 2¼ pounds and over, 43c per pound; average run, 1½ to 2 pounds, 40-41c; under 1½ pounds and over 37-38c; 1½ to 2 pounds 35-38c. Reds: 2½ to 3 pounds, 35c; under 1½ pounds, 30-35c. Leghorn, 2 pounds and over 32c; 1½ to 2 pounds, 30c; under 1½ pounds 25-28c. Ducks: nearby 20-22c.

Country Dressed Calves

Fresh receipts again were very light. Lightweights were in demand and higher, choice and good very dreggy. Market held steady. A few extra fancy obtained small premiums. Fresh receipts were: Choice 21-22c per pound; fair to good 18-20c; common 15-17c; small to medium 16-18c; lightweights 14-15c.

Butter—Cheese—Eggs

The butter market is unsettled as prices seek lower levels. Trading was listless and will continue so until prospects are brighter. Higher score was 43c; extra 42c per pound.

Western cheese market slumped quite badly at the close of last week. The New York market for fancy flats however remained firm and so far has not been affected by the slump. New York fancy flats were 24-25½c per pound.

The egg market has an improved feeling and the tone is steady to firm. Nearby hennery whites, close-selected extras was 40-43c per dozen; average extras 38-39c; nearby hennery browns, best grade 35-40c.

Monday's Livestock Prices

Bulls: Market steady; a few good at $9.75; medium $9-9.50; common lightweights $7-8.75. Cows: (mostly dairy) market steady, common and medium $7-8.50; a few good at $8.75; low cutter $4.25-6.75; reactor cows $5-8.50. Vealers: Demand active, market strong, prices higher. Good and choice $15.50-$17.50; a few selected $18; medium $11.50-15; culls and common $9-10. Calves: (whole milk-feds excluded) market steady; medium and choice $9.50-10.50; culls and common $7-50-8.50. Lambs: Demand active, market steady to firm; prices higher; good and choice $14.50-15.50; medium $13-14; culls and common $10-11. Sheep: Market steady. Ewes: Medium and choice $5.50-7.50; culls and common $3-5. Hogs: Market steady, 85 to 130 pounds $11-11.25; 130 to 160 pounds $11.-50-$11.75; 165 to 220 pounds $11.-75-$12; sows(rough) $8.50-9.25.

Hay Market

Receipts of hay were moderate and demand was active for No. 1 Timothy which is scarcer; medium and lowe: grades moving slowly Market steady. Timothy No. 1 $26-No. 2, $23-24; No. 3, $21-22.

A close relation exists between the growth of an apple tree and the amount and quality of the fruit borne.

TOM MIX IS WITH COMING CIRCUS

Sells-Floto Circus Greatly Enlarged, Will Be At Hornell Saturday, July 13 With Many Specialties.

Sells Floto Circus is coming with an entirely new show to Hornell on Saturday, July 13, in fact the circus is nearly twice the size it was when

big tent. Tom and Tony and the last in this territory. And what is more important to those who do not live in the larger cities, the circus is bringing the most famous cowboy the world has ever known with them. Tom Mix, himself and his wonderful horse, Tony, are both with the Sells Floto circus and appear at every performance in the cowboys and cowgirls of the Tom Mix ranch put on a real show. Tremendous crowds come to see this great attraction. Of course Sells Floto have many more famous circus acts with the show this season. Poodles Hannsford, the great riding clown, and his family of riders are once more with Sells Floto circus. Berta Besson the high wire marvel, five herds of elephants, hundreds of all types, 50 clowns, Allen King and a den of 30 Bengal tigers, three sensational aerial acts, Motor Poly the "golden girl in the golden whirl" and many other features.

Sells Floto circus also presents at each performance the most thrilling act of the decade, the Cliff Aeros, known in Europe as the Human Cannonball. In this sensational act a man is fired from a 3,700 pound naval cannon, hurled into space on a death defying flight. Sells Floto imported this act from Germany for this season's tour.

NASH "400"

Leads the World in Motor Car Value

$1027

Delivered, Fully Equipped, Nothing More to Buy!

Compare

delivered, fully-equipped prices

See why Nash is lower!

ON the basis of quality, the Nash "400" *should cost more* than other cars in its competitive field. It actually costs less!

Nash engineers—one of the industry's outstanding engineering organizations—have created a finer motor car. They have developed the high-compression, 7-bearing motor to its highest point of perfection and power. The exclusive Nash outboard mounting of hydraulic shock absorbers doubles their effectiveness and creates supreme riding ease. And here is the "world's easiest driving control," in this new and finer motor car.

These are but a few of many "400" features of superiority.

Why then, is the Nash "400" lower priced?

Here is the explanation. Every Nash "400" is now factory-equipped with the accessories, purchased at factory savings and included in the factory price of the car. Bumpers, shock absorbers, spare tire lock and tire cover come with the car and are not added later as "extras," at retail prices.

You will find some dealers (not Nash dealers) charging as much as $50 or $60 extra for bumpers alone.

Compare the *delivered, fully equipped* price of any Nash "400" with the delivered, fully equipped prices of competitive cars. *You'll see the saving!*
