A Battle Creek physician says: "Constipation is responsible for more misery than any other cause."
But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thoro, natural movement without forming a habit or ever increasing the dose.
Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. J. D. Cheesman & Co.

"Four and twenty PLAYSUITS DIRTIED by mud pies"

but mother can quickly iron them for about 8 cents a week

MOTHERS with small children appreciate the extra help of an electric ironer. It saves 40 minutes of every ironing hour or 4 hours a week for the average family. And you sit down while it does the work.

Try an electric ironer free. Our nearest Niagara Hudson System store or your electrical dealer will send one to your home. You'll be delighted with the way it sails through the week's ironing.

Yet it costs but about 8c a week to operate. For while the price of most necessities has almost doubled, Niagara Hudson electricity costs less now than when today's mothers wore hair ribbons.
