Mrs. Caroline Baham

Caroline, daughter of Lauraine and Ira Deming, was born in Alfred, December 21st, 1845.

October 2nd, 1865 she was united in marriage with Lyman Baham and had been a resident of Andover practically all of her life, with the exception of the past seven years, when she has lived at the home of her daughter and husband, Mr. and Mrs. Wallace Boyd of Greenwood Hill. Mr. Baham's death occurred March 28, 1921.

Of her immediate family there survives one daughter, Mrs. Wallace Boyd, who has cared for the mother in her declining years. A grandson, Germain Swink of Portland Oregon and granddaughter, Mrs. Charles Clark of Hartsville, N. Y., also a brother, Samuel Deming of Whitesville and sister, Mrs. Ida Lee of Buffalo, N. Y.

Mrs. Baham was endowed with a patient, cheerful disposition, esteemed by a large number of intimate friends and acquaintances who will sympathize with the daughter and family in their bereavement.

Deceased was a member of the Methodist Episcopal church.

Funeral services were conducted from the home by her pastor, Rev. R. C. Shergur Thursday afternoon, March 24, 1932. Burial was in Valley Brook cemetery.

Potatoes Wanted

A few "Good Samaritans" who have more potatoes on their hands than they wish they had, can find a place where they will be most welcome to some hungry families by leaving a few bushels with the local welfare agent, A. L. Bloss. Let's not feed all of our potatoes to the pigs while there are those in our midst who have none and have no money with which to purchase them. Thank you.

FARMER TELLS WHY DEPRESSION HURTS

Others Are Undoubtedly in Just the Same Predicament For the Same Reason.

Mike Clark of Holler Junction knows exactly why the depression hit him so hard. He recently analyzed his own case and, feeling that there were many others in the same boat, wrote his diagnosis to his local newspaper.

"I bought a car instead of a farm and it is worn out, but the farm I figgered on is still O. K. I invested in a radio instead of a cow, and the radio gives static instead of milk. I am feeding five hounds instead of five pigs. I had our piano tuned instead of having the well cleaned out. I spent all my cash in 1929 and traded my future wages for 1930 installments, so hard times caught me in bad shape.

"If I had spent my last $100 for flour and meat instead of gas and oil I would have been O. K. I built a nice garage instead of covering my barn, and I loafed in the mountains a week or two instead of fixing up the pasture so my cow wouldn't get out. But now she's dry and mortgaged to boot for two blankets my wife bought from an agent instead of paying the preacher. I'm on a cash basis now, but I ain't got no cash. I saved up $4 for a rainy day, but it turned dry and I spent the $4 for inner tubes.

"I am worred plum to the bone, and my wife's folks are comin' over next Tuesday to spend two weeks."

Did Mike get any constructive ideas out of his analysis? He did. He's firmly convinced that "we had otter change our ways of living and so forth."

YOUNG WOMAN HURT IN BAD AUTO CRASH

Auto Driver, Eugene Dailey of Hornell Arrested and Fined $50 For Driving While Intoxicated.

A young woman whose name was not given was seriously injured early Wednesday morning when the car in which she was riding with two young men left the road on the curve just this side of Stearns Crossing.

Officer Kilbane arrested Eugene Dailey of Hornell for driving while intoxicated and he was given a $50 fine.

Dailey was the driver of the car, a Pontiac coupe. It is said the car skidded on the turn of the road about 2 a. m., and crashed against a group of tar barrels and tipped over. It was badly damaged. The girl was the only one of the party seriously hurt. She was treated for severe scalp lacerations by Dr. S. B. Scott, having been struck by flying glass in the head and face.

Dailey was arrested by Policeman Edward Kilbane and was placed in the village lockup, where he remained until his arraignment before Justice of the Peace E. A. Mullen about 7 o'clock Wednesday morning. He pleaded guilty to the drunken driving charge and was assessed $50.

Dailey said the car belonged to his sister, a resident of Buffalo, who was visiting in Hornell. He said he had borrowed the car from her.

The occupants of the car were returning from a wedding party in Wellsville they said.

LITTLE JOY FOR POTATO GROWERS

County Farm Bureau Gives Little Encouragement for Future. — Advises Farmers to Continue Raising.

The Farm Bureau office points out that when final estimates were made the 1931 potato crop was 13 per cent. above the 1930 crop. Better prices for potatoes cannot hope to be reached this spring. The carlot movements being 20 per cent. behind last year with the increased production over 1930 brings potatoes for consumption up to three bushels per capita.

What farmers are interested in is 1932. As the time approaches for planting they are wondering what potatoes will be worth in the fall. With the prices of all commodities down to the point which they are apparently there will not be a great difference in price during 1932. From reports which are available, intentions to plant about the same acreage are apparent. However, the Allegany county potato farmers cannot afford to stop growing potatoes just because the outlook does not appear optimistic. Those farmers that get in and get out of a business always get in at the wrong time and out at the right time.

There are three items in the cost of producing potatoes which farmers cannot afford to cut expenses on. These items are seed, fertilization and spraying. By spending money on these items and thereby increasing yield the cost of producing a bushel of potatoes is less than where we try to economize on them. The place where farmers can economize on the production of potatoes in 1932 is labor. By economizing on the three above practices we cut yield to the extent that we increase the cost of production per bushel. What potato growers in the county should do is to have faith in their business, and follow the best practices possible even tho it does not look like an increased price during the fall of 1932.

Four Young Men Injured Returning from Dance

C. B. Tallman received painful injuries and bruises and four other young men from Whitesville were bruised and cut when the car in which they were returning to Whitesville from a dance in the Auditorium here Monday night left the road and went into the ditch.

Tallman was seriously hurt. Others in the party were Dougall Wildman, owner of the car, Dale Baker, Harvey Ainsworth and Chester Pritchard, all of Whitesville.

Following the crash, Mr. Tallman was carried a half mile to the nearest farm house, and Dr. Hardenburgh of Greenwood summoned. Later he was brought to Whitesville in the ambulance of Fred Wildman. He sustained deep cuts, and suffered considerably from loss of blood. The car was badly damaged, but was driven back under it's own power.
