WHY WORRY?

How about my job?
I could even lose my home.
I couldn't even sell my car.
How would I ever raise $11,000.00?
I might even go to jail.
I might never be able to drive a car again!

After January 1, 1942 these can be BIG problems unless you have Automobile Liability Insurance.

Facts Pertaining To Auto Tire Rationing

Erwin D. Baker, Erwin Lewis and R. J. Sootheran Appointed Tire Rationing Board in Andover.

Last week the Andover town board appointed Erwin Baker, Erwin Lewis and Reginald J. Sootheran members of the Tire Rationing Board for the Town of Andover, and at a later meeting Reginald J. Sootheran was elected chairman and attended the meeting of the various Tire Rationing Boards held at Belmont, on Monday, Jan. 5th, at which place Alwin Schaller of Wellsville, chairman of the Allegany County Defence Council and Allegany County Tire Administrator, explained the duties of the various Tire Rationing Boards. The session lasted for several hours and the quota for the whole county for the month of January was announced.

It was pointed out that there are only so many tires to be rationed and it now appears that there will be no tires for the ordinary individual, and that unless you are a doctor, a visiting nurse or a veterinary, it will be practically impossible for you to obtain a tire or tube for a privately owned automobile. It was pointed out at the meeting that the tire rationing boards of each town should set up a schedule of meetings and give publicity to the time and place for the filing of applications approved by the tire inspector.

In Andover it has been decided that the meetings of the Tire Rationing Board will be held at the law office of R. J. Sootheran on West Greenwood street the first and third Thursdays of each month at 7:30 p. m., but that if any emergency arises where a person entitled to a tire or tube finds he must have one the Andover board will be glad to hold an emergency meeting and pass on the application.

The Andover quota of tires and tubes for the month of January is as follows:

Two tires and two tubes for passenger cars, motorcycles or light trucks, five tires and four tubes for heavy trucks and buses. It can be readily seen that there is not too many tires or tubes to be allotted.

The process by which an individual will obtain a tire or tube is that first the individual must obtain an application form, which application forms it is believed will be available at the Sootheran law office, or the postoffice, and also at the place where the tire inspector has his place of business. The applicant must then take the tire which he wishes replaced to the tire inspector who will inspect the tire and decide whether or not it can be repaired, retreaded or recapped, and if he decides that it cannot be repaired, retreaded or recapped, he will fill out a form and give it to the applicant. The applicant will then take the form and appear before the Tire Rationing Board on their meeting night, and if the board decides that he falls into the category, he will receive a certificate which will entitle him to a tire or tube to be purchased within the town of Andover at a price which will be set by Leon Henderson, Tire Administrator.

However, as yet the Andover Board has informed the News that they have not received the various application forms so they have not appointed a tire inspector, but that he will be announced in the next issue of the News, and that if any person who falls into the category of those who need tires as shown by the Federal Regulations Governing the Issuance of Purchase Certificates for new tires and tubes, your board will be glad to pass on their application if they will contact Reginald J. Sootheran, chairman of the board.

Federal Regulations Governing the Issuance of Purchase Certificates for New Tires and Tubes:

Purchase certificates for new tires may not be issued unless an applicant certifies that the tires or tubes sought "will be mounted" on:

Tires For Profession

1—Vehicles used by physicians, surgeons, visiting nurses or veterinarians, principally for professional services.

2—Ambulances.

3—Vehicles used "exclusively for fire fighting services, necessary public police services, enforcement of specific laws affecting public health and safety, garbage removal or other sanitation services, or mail delivery.

4—Vehicles with a capacity of ten or more passengers operated "exclusively" to carry passengers as part of "services rendered to the public by a regular transportation system," as school buses, or to carry employees to and from any industrial or mining establishment or construction project "except when public transportation facilities are readily available."

Tires for Trucks

5—Trucks used "exclusively" for ice and fuel delivery, transportation of materials for construction and maintenance of public roads, public utilities or production facilities, defense housing, and military establishments; trucks used by essential roofing, plumbing, heating and electrical repair services, or waste and scrap dealers; by any common carriers; and for transporting raw materials, semi-manufactured goods and finished products—except that no certificates may be used or issued to transport such raw materials semi-manufactured or finished goods "to the ultimate consumer for personal, family or household use."

6—Farm tractors or other farm implements—except automobiles or trucks—for which tires are essential to operation.

7—Industrial, mining and construction equipment—except automobiles and trucks—for which tires are essential to operation.

Munroe—Joyce

Miss Edna Frances Joyce of Andover, daughter of the late Mrs. Gertrude Joyce Briggs and Carl W. Munroe of Buffalo, son of Mrs. H. L. Shirey of Wellsville were united in marriage by Rev. Ross in the Presbyterian church at Buffalo Sunday, Dec. 28th at 5:30.

The bride wore a wine colored velvet gown with brown accessories. They were attended by Mr. and Mrs. Paul Vincent of Buffalo.

Mr. and Mrs. Munroe will make their home in Buffalo where the groom is employed by the Socony Vacuum Refinery.

Pre-nuptial events included a shower given by Mrs. Elmer Lundi at her home in Wellsville.

Congratulations are extended by many friends in Andover where Mrs. Munroe has been employed as telephone operator for some time.

Scouts to Collect Paper Each Saturday

At the regular meeting of the Andover Village Board held at the village office on Monday evening, it was voted by the village board to allow the Boy Scouts to use the village truck on Saturday mornings during the winter months in order that they might collect the waste paper which all of us have been saving as requested by Leon Henderson price administrator.

On behalf of the Boy Scouts, the News announces that the Scouts, with the aid of the village truck will pick up waste paper in the homes and stores in Andover each Saturday morning, commencing Jan. 10 at 9 o'clock and hopes that all of the citizens of the village will cooperate in this very laudable work and do their bit to gain the victory against the aggressor nations.

So please have your papers and magazines that you wish to dispose of ready on Saturday morning and the Boy Scouts will call unless the weather conditions are such that they cannot do so.

Your junk is a jinx to the Japs.

America's War Victims Appeal for Your Help

Andover Red Cross Drive Lagging

Will Hold Benefit Dance In Andover Central School Auditorium Friday, Jan. 16.

With a quota of $750 to be raised by next Thursday, January 15, the Red Cross drive in Andover is badly lagging with only $259.50 subscribed today.

The American Red Cross is the only agency in our land, equipped and ready to provide relief, assistance and protection from the sufferings of the war that has been thrust upon us, but is entirely dependent upon the American people for funds with which to operate.

National Red Cross has asked each wage earner to give one day's pay to help in this emergency, but contributions large or small are most welcome.

Drop into the Andover National Bank and give your bit to the Red Cross to help the war sufferers.

The local Red Cross committee announces a benefit Red Cross dance to be held in the Andover Central school auditorium Friday evening, Jan. 16th, with old fashioned square and round dances. Nelson Brewster will be the caller. Sandwiches and coffee will be sold during the evening in the cafeteria. Dancing from 9 until 1, admission 40 cents per person.

The committee also wishes to express their appreciation to the Odd Feliow dance committee in postponing their dance to be held on that evening in favor of the Red Cross benefit dance.

There is news in the weather this morning. The Government thermometers showed a low of 21 degrees below zero for last night, and at 9 o'clock this morning it still had raised but one degree, registering 20 below.

Tuesday morning the thermometer showed 9 below and Wednesday 4 below.

Historical Exhibit Cancelled

Lewis H. Thornton, president of the Allegany County Historical Association, has announced that plans for an historical exhibit in the David A. Howe Public Library have been cancelled because of the war effort.

Mr. Thornton stated that the rapid expansion of Red Cross work had made the use of the exhibit room necessary to that effort.

Harold Bloss New Chairman of Board Of Supervisors

Supervisor Harold Bloss, Whitesville, was unanimously named chairman of the Allegany County Board of Supervisors at the organization meeting of the board, held in Belmont Tuesday. He succeeds John N. Thompson of Angelica who has held that office for the past four years.

Denzel Perkins of West Clarksville, clerk of the board since 1934 was re-elected clerk of the board. Mr. Perkins in turn selected Leon Ackerman, another veteran of Capital Hill as assistant clerk.

Brewster—Tuttle

Miss Margaret Tuttle, daughter of Mr. and Mrs. Oscar F. Tuttle of Hornell and Nelson Brewster, son of Mr. and Mrs. Fred Brewster of Andover, were united in marriage at the home of the bride's parents Sunday afternoon, Jan. 4th by the Rev. Donald Peck of the Greenwood Methodist church.

The bride was attired in a street length dress of heart-beat blue with gold accessories and a bouquet of pink and white sweet peas tied with a white ribbon. Miss Virginia Tuttle and Miss Idanette Brewster were bridesmaids and Betty Tuttle was flower girl. Miss Tuttle wore a soldier blue dress with a bouquet of yellow pompons while Miss Brewster wore a dusty rose dress with the same kind of bouquet. Betty Tuttle wore a wine colored dress.

Donald Tuttle was best man.

Following the ceremony a dinner was served to 71 guests. The bride's table was decorated in pink and white and had a large wedding cake as the centerpiece. The miniature bride and bridegroom topping the cake was used at the bride's grandparents, Mr. and Mrs. Fred Tuttle's 50th and 55th wedding anniversary.

Following a short wedding trip they will reside on the Brewster farm on Greenwood Hill.

The bride is a graduate of Hornell High School and the bridegroom of Andover High School.

Andover friends extend felicitations.

New Registration Date Set For February 16

All Men Between Ages of 20 and 44 Must Register With Local Draft Board, On That Date.

President Roosevelt set February 16 for registration of all male citizens of the nation between the ages of 20 and 44 who have not registered previously.

Men in this age group will be subject to military service.

In his proclamation the Chief Executive noted that this and other registrations under the Selective Service Act "will be required to insure victory, final and complete, over the enemies of the United States."

The registration will apply to all male citizens and some non-citizens born on or after February 17, 1897, and on or before Dec. 31, 1921. It is to take place, not only in the United States, but also in Alaska, Hawaii and Puerto Rico, between the hours of 7 a. m. and 9 p. m.

Selective service officials estimated approximately 9,000,000 men would be enrolled at the registration, the first of two or more such enrollments in prospect.

Officials explained that those to be registered February 16 were men 20 years old, those who have turned 21 since the registration last July, and men between 36 and 44.

County Firemen To Attend Defense School

Over 15 members of the Andover Fire Department will attend the course of instruction to be held at Belmont beginning next Thursday evening, Jan. 15th. The course will continue for about 14 weeks.

Instructor Chief Howard J. Keller of Canisteo has been named to give the State Fire Defense Training Course which will consist of such wartime problems such as incendiary bombs, etc., and was written by James J. Deasy of New York City after observation in England.

At a later date members of the Andover fire department will show pictures and give instruction to the residents of Andover in the control of incendiary bombs, information that has proven of immense value in England and other foreign countries.

The local instruction will be given in three lessons, one in the morning for school children, the second in the afternoon
