Jail Inspector Makes Minor Jail Recommendations

Andover Town and Village Lockup Inspected Nov. 24, 1941 by State Inspector Charles D. Mullady.

Inspected Nov. 24, 1941. George Carpenter, mayor; Charles P. Caple, village clerk.

The lockup is in a room at the rear of the town hall and consists of two cells with modern sanitary facilities and bunks with waterproof covered mattresses. These covers are worn and should be replaced to preserve the mattresses. The cell room floor has never been painted but should be as it would serve as a protection against deterioration and make cleaning easier.

The cells were not as clean as they should be.

The records indicated that detentions average 25 a year and the police officer stated that prisoners held over mealtime are provided with food. The cell room is said to be visited at least hourly when a cell is occupied.

There is a separate room for lodgers which was clean and in order.

The inspection was made after 5 o'clock and some difficulty was experienced in obtaining a key to the lockup. A uniformed officer attached to the sheriff's office happened to be in the village and he furnished directions to the residence of the village clerk which is near the lockup. The village clerk tried to contact the mayor or one of the police officers by telephone and when unable to do so, took his car and located the mayor who found one of the officers and they went to the lockup together.

It is suggested that the village clerk be provided with a lockup key as his residence is nearby.

Recommendations

1—That two new waterproof mattress covers be provided.

2—That the cell room floor be painted.

3—That the village clerk be provided with a key to the lockup.

Respectfully submitted,
Charles D. Mullady, Inspector

W. C. T. U. NEWS

The Woman's Christian Temperance Union will meet at the Methodist parsonage Tuesday afternoon, Jan. 20th at 2 p. m. Topic: "Social Morality," Mrs. Walter L. Greene leader.

Bring a generous offering as a tribute to a former, now deceased president of our National Union, Lillian Stevens, whose eternal spirit still carries on thru the W. C. T. U. in maintaining a legislative director, Elizabeth Smart, in Washington, D. C.

Because Miss Smart is so close to the doings of Congress and in touch with the State presidents of the W. C. T. U. a very fitting memorial to Lillian Stevens as well as Senator Sheppard is being rushed to Washington from local unions all over the United States in the form of petitions to the Senate to pass the Sheppard Bill, Senate 860, signed by citizens of each town in the U. S. where a Woman's Christian Temperance Society exists.

Senator O'Daniel of Texas, the successor to Senator Sheppard announced to the Senate on January 5th that he would speak on January 16th, the anniversary of National Prohibition in memory of Senator Sheppard and ask for immediate consideration by the Senate of Bill S-860.

In spite of sub-zero weather and shortness of time (it being Saturday before the local union was informed) a petition, signed by 150 of Andover was sent to Senator O'Daniel early Tuesday morning asking for the immediate consideration of the bill and commending him for his interest and action.

The December issue of the New York State Journal of Medicine, official organ of the New York State Medical Society had in it an article. The Medical and Social Challenge of Alcoholism, by Dr. Eugene Boudrean of Syracuse. A few briefs from that article follows: "Alcoholism is a cancerous condition in our social fabric." "Alcoholism is a malady—a sickness." "Alcoholism is a medical problem of great magnitude."

Individuals alone cannot do much to combat so powerful an evil; but individuals organized can.—Edith M. Thorne, President, Andover W. C. T. U.

Farm Machinery Repair Program To Be Started

Allegany county's effort to help farmers adjust and repair their farm machinery for 1942, in view of the vital part machines will play in American food production this year, will start with a county-wide meeting of farm officials on January 19th at the Court House in Belmont.

The announcement from Leland Kreidler, chairman of the Allegany County Agricultural Defense Committee, says the meeting will bring together members of his committee, members of the County U. S. D. A. Defense Board, members of the Farm Bureau and 4-H Club executive committees, the county and 4-H Club agents, vocational agriculture teachers, the county highway superintendent and farm machinery dealers.

Mr. Kreidler said the meeting has been called to discuss the machinery repair and adjustment program announced recently by the State Agricultural Defense Committee. The program, to be supervised by the extension service of the College of Agriculture, brings into service 15 trained agricultural engineers to cover the state, which has been divided into 15 districts. One district engineer is assigned to this area, which includes Allegany, Cattaraugus and Chautauqua counties.

At the meeting the county's part in this state-wide machinery repair drive will be developed further, and committeemen will be selected for local arrangements on repair clinics, field meetings, and other developments to follow.

The farm machinery program includes work with equipment dealers who will not have as much new machinery to sell next year and who will co-operate in obtaining repairs to keep present machines going thruout the season.

Mr. Kreidler said the need for repair is obvious. Farmers will have to rely more on their old machinery this year because of the scarcity of farm labor and the greater allocation of steel to armaments instead of farm equipment and repair parts.

Firemen's Defense School Begins at Belmont Tonight

Plans were completed at the meeting of the executive committee of the Allegany County Firemen's Association held at Belmont Tuesday evening of this week in regard to the New York State Fire Defense Training School which starts in the Belmont town hall this (Thursday) evening.

This school will hold 12 sessions, one each Thursday evening, after which an examination will be held and those passing will be given a certificate from the New York State Regents Board.

It is expected that over 200 firemen from the county will attend these meetings. Non-firemen may take the course if they wish. The instructor for these meetings is Chief Howard J. Keeler of Canisteo.

Almond, Alfred and Canaseraga firemen will attend the school at Hornell.

More than 16 Andover firemen have already signed up to attend the Defense School.

At the Tuesday evening meeting the firemen's association voted to purchase $250 in Defense Bonds.

A committee was also named at the meeting to form a Mutual Aid Plan in connection with the New York Fire Defense Committee. Dr. John Marvin, chief of Fillmore department; Frank Royce, chief of the Cuba department and Frederick F. Graves, chief of Wellsville department was named.

Those from Andover attending the Belmont meeting Tuesday evening were Carl Childs, Albert Rogers, George Sackett and George Wereley.

Those attending the school are asked to meet at the Andover fire hall this (Thursday) evening so that arrangements can be made regarding transportation so that conservation of tires will be possible. Arrangements are under way to have transportation facilities for all attending the classes each week.

Appreciation

In behalf of the members of the And-Well Producers Co., Inc., we wish to express our appreciation to the Andover Grange for arranging their rooms so that we could have our annual dinner and our very interesting and educational speech in one place, in regard to the milk situation delivered by Charles Dumont.

Presbyterian Church Holds Annual Meeting

The annual congregational meeting of the Andover Presbyterian church was held in the church parlors Sunday afternoon following a fellowship tureen dinner served under the chairmanship of Mrs. Harold Hardy, assisted by Mrs. Albert Rogers, Mrs. R. O. Snyder, Mrs. Carl Tracy and Miss Emma Folsing. The dining room and tables were decorated in the National colors with lighted candles on each table.

The congregational meeting was called to order by Elder E. D. Baker, who was elected chairman of the meeting. A special number by the choir under direction of William Lang was followed by a prayer by Mr. Baker. The report of the church treasurer, Miss Mary Snyder, showed expenditures the past year amounting to $1,491.91 and a balance of $19.25. Miss Anna Hardy, treasurer of the Sunday School, reported receipts of that department of $83.87, and Miss Emma Folsing, treasurer of the King's Daughters read a fine report of the activities of that organization which showed receipts for the year of $668.71.

Mrs. Bertha Hardy was elected elder for three years to succeed her late husband, Harold Hardy. Miss Dorothea Snyder was elected trustee to succeed Miss Mary Snyder who resigned and William Lang was elected trustee to succeed himself. Almon Wood was elected Sunday school superintendent and Craig Snyder was elected secretary-treasurer of the Sunday School.

Following the church meeting the King's Daughters held their annual meeting, at which time fine reports were given by the officers of the past year's activities. The nominating committee, Mrs. Arling Baker and Mrs. Wm. Lang, recommended the following officers for the ensuing year, which were regularly elected:

Mrs. Almon Wood, president.
Mrs. T. R. Bassett, vice president.
Mrs. Carl Tracy, secretary.
Miss Emma Folsing, treasurer.
