November Milk Price at Peak Of $3.28

New York Dairy Farmers to Share $13,776,000 Pool Before Christmas, Says Dr. Blandford.

Christmas checks that dairy farmers in the six-state New York milk-shed will collect in payment for November milk will be written at the uniform rate of $3.28 a hundredweight. Dr. C. J. Blanford, administrator of the New York metropolitan milk marketing area, announcing the price two days ahead of its scheduled time, reported that the November pool will yield a farm value of $13,776,214.43.

The pool contained 395,791,190 pounds of milk and was 4.6 per cent smaller than the November 1941 pool. Despite the lesser volume, the farm value of the current pool will better the return of a year ago by 10.2 per cent.

"A gain of 16.3 per cent in the uniform price," Dr. Blanford said, "accounts for the increased return from this November's deliveries. The reported price of a year ago was $2.82 and 46 cents under the current price."

The November uniform rate exceeds the estimated rate, announced nearly three weeks ago by two cents. The reported production, however, is nearly 4,300,000 ponnds less than the estimated receipts and is nearly 19,000,000 pounds less than the receipts in November 1941.

Two Men Injured in Bolivar Fire

Karl Burdick of Richburg and Harry Chambers of Bolivar were injured in a fire which badly damaged a large storage garage in the rear of the Main Street Service Station in Bolivar last Friday afternoon.

Burdick, who suffered burns about the face, hands and legs, was taken to the Olean General hospital. Mr. Chambers' burns were not serious.

About $4,000 worth of new tires which had been frozen and stored in the building and one of the large Bolivar Central School buses were badly damaged by the flames which burst out suddenly all thru the building. The cause of the fire has not been determined.

Firemen from Wellsville, Richburg and Portville, assisting the Bolivar fire department, confined the fire mainly to the garage with only minor damage to the Bolivar Hotel which adjoined the burning building.
