ANDOVER NEWS

A PROGRESSIVE FAMILY NEWSPAPER FOR ALLEGANY COUNTY PEOPLE — IN POLITICS INDEPENDENT BUT NEVER NEUTRAL.

VOL. 59, NO. 3. For the Week Ending Thursday, Jan. 20, 1944 $2.00 Year; 5c Copy

Andover's Quota $40,000 In Fourth War Loan Drive

George B. Rooth, Jr., chairman of the Allegany County War Finance Committee, has announced community quotas for the Fourth War Loan Drive in which Allegany county has a total quota of $1,400,000 as follows:

Alfred	$ 60,000
Angelica	25,000
Andover	40,000
Caneadea, Oramel and Belfast	40,000
Belmont	60,000
Bolivar	220,000
Canaseraga	20,000
Cuba	140,000
Houghton, Hume and Fillmore	75,000
Friendship	60,000
Rushford	15,000
Whitesville	20,000
Wellsville	625,000

Mr. Rooth emphasized that the county quota and the community breakdowns are figured in the cash value of the bonds purchased and that only individual purchases will be credited to the total. Bonds purchased by corporations, the State of New York and other such buyers will not be credited to the general quota. This is the result of a new policy adopted by the Treasury Department.

"We all realize," Mr. Rooth said, "that we are faced with the biggest War Bond Drive since Pearl Harbor. Our county quota is high but I feel certain that the people of Allegany and the people of our communities will put forth the extra effort needed to reach these quotas.

"We all know that the money must be raised for the successful prosecution of the war. We all know that some of the uncertainty of the Home Front has already been reflected by uncertainty in the minds of the men and women of the war fronts.

"Here is our chance to show our fighting men and women that we are united and we are going all out to speed victory and bring our service men and women back home as soon as possible."

Letters, News Briefs From Boys In Service

The following brief letter was received by Mr. and Mrs. Harold Perry from their son, Pfc. Robert Perry, serving with the Marines overseas:

Dec. 29, 1943

Dear Mom:

Just a few lines to let you know I'm O.K. Found out today that it is permissible to tell you that I was in action on Bougainville Island. Sure hope it will be our last campaign until we see the States again at least. Still haven't got my packages, but expect them within the next two weeks. Have received several letters and cards but will not get our papers and magazines until the packages come. Glad to know that dad finally got a deer. Hope to be back there next year and drop one myself. Let me know how the family made out for Xmas. Forgot to tell you that in the last mail call I received nine letters, so I'm not doing bad. Well give my regards to everyone.

Love to all, BOB.

Forecast Price of $3.50 for December Milk Confirmed

Dr. C. J. Blanford, administrator of the metropolitan area, has confirmed the forecast price of $3.50 a hundred weight for December milk deliveries in the New York milk shed, which is ten per cent higher than the 1942 price.

"December deliveries amounted in all, to 364,006,788 pounds of milk for a decrease of ten per cent from the receipts in the closing month of 1942," the administrator reported. "As a result of the lesser volume, the farm value of the New York pool this month is 2.3 per cent less than a year ago when the return was $13,660,942.05.

"Dairy payments from the War Food Administration, collected separately from the pool payments from dairy handlers, should yield in addition at least $910,016.97 from December milk at the minimum rate of 25 cents a hundredweight. The income from December production, therefore, should range upward from $14,252,400 for a gain from last year."
