The Editors Say –

Did You Make Them and Break Them? New Year's Resolutions!

Someone will say that it is rather late for New Years' Resolutions, but it may not be.

Jim made a long list of New Years' Resolutions on New Years Day. He gradually crossed out these resolutions, as he broke them, and today he has none.

Sally didn't make any resolutions at the beginning of 1944, but she had made a resolution to improve her school work the next semester.

Sally's resolution will probably last longer than Jim's. Resolutions made in the enthusiasm of New Year's Eve celebration at the very dawn of each year usually do not remain unbroken so very long.

So, it's very possible and very worthwhile for each and everyone of us to make the resolution (not necessarily New Year's Resolution) to imporve our work during the coming semester, and maybe, like Sally, we can keep it. Anyway, we can try!

ACS

IT SEEMS TO US—

"Tick-tack, tick-tack; eleven o'clock," growled the old grandfather clock in the hall. A boy rubbed his eyes, looked dazedly at the paper-strewed table and stood up. Slamming down his heavy-looking book, he announced to the empty air, "Seems to me I should pass after all that studying."

It seems to us too that after all that studying some of you must have done, you certainly should have passed. Anyway, we hope you did. JW

Game Night Pleases High School Crowd

The combined game night and social hour sponsored by the Student Council last Friday evening was well received by the sixty-odd young people who attended.

In addition to the usual dancing, games of all description provided entertainment for the high school people. Shuffleboard, ping pong, indoor hockey, "jousting" and other organized games were included in the program.

An admission charge of 15c per pupil was made and the Student Council cleared about $8.00 which will be used for further student activities.

Allegany Ag. Teachers Meet at Friendship

The annual monthly meeting of teachers of agriculture, accompanied by their wives, principals and superintendents and homemaking teachers, was held last Wednesday, Jan. 12, at Friendship, N. Y. A. H. S. was represented by Mr. and Mrs. Bronson, Mr. Bretsch and Mr. Garwood.

An attempt is made to have some outside speaker present information on current agricultural problems.

Those attending this time enjoyed the privilege of hearing Dr. A. K. Gitman, who is the head of the N. Y. S. Agricultural Education Department.

As is customary, a dinner was also served.

In the spring a meeting will be held here in Andover, and a county F. F. A. banquet will be held in conjunction with the regular Ag teachers meeting.

Dental Clinics Serve Many Pupils

During the month of January three dental clinics have been held under the sponsorship of the Junior Red Cross, at which 23 pupils received dental treatment.

The dental clinics are held at the offices of Dr. K. E. Comfort of Canisteo and Dr. Edward Schwert in Belmont and are open to all pupils who are finding it difficult to procure appointments with and transportation to their family dentist. The pupils are taken to the dentist's office in the school station wagon by Mrs. Greene who is in charge of the Red Cross program. No charge is made for transportation, but parents are required to pay for the dental work done.

The next clinic is scheduled for Friday afternoon, February 4.

ACS

Tests Given

Audiometer and pitch range tests for defective hearing in pupils were given last Friday, January 14, by Mrs. Mary White of Rochester.

The tests this year were given to the pupils in the kindergarten and grades 1 and 2. Last year the tests were given only to pupils from the 3rd grade through high school. In commenting on this plan, Mrs. White said that it was particularly important to detect hearing loss just as early as possible, since the possibility of correcting the defect is much greater in the young child. In addition to the younger pupils, all pupils were also tested who were reported with a hearing loss last year or who were not present for the test.

Fourteen pupils were reported with defective hearing, of which number four were from the kindergarten and first grade. These pupils were all tested further by means of a "pitch range" testing machine, a test which will prove valuable to the ear specialist to whom parents may wish to take their children.

Girl Scouts Meet, Celebrate Birthday

The regular meeting of the Girl Scouts was held the week of January 12, in the Hoagland girl's home.

The girls started to work on their first class badges. Five are working on the drama and literature badge. They are working for a proficiency badge in stage craft. Five other girls are working towards an arts and design badge. Five more are working for a badge in homemaking in the cooking department. The other five are working for a health, safety and home-nursing badge.

Songs were sung and sandwiches and root beer was served. The Scouts celebrated the birthday of Marjery Hoagland, one of their members.

The meeting was adjourned with the regular proceedure of a patrol meeting and the playing of taps.

"Jim and Irene"

"Jim" was looking for a "Paper Doll" because he could find no women. He decided to go to "Oklahoma" to seek his "Paper Doll." Arriving there at 6 A. M. he exclaimed "Oh What a Beautiful Morning," but—it turned to "Stormy Weather!" Filled with despair at the "Blue Rain" that surrounded him, Jim said: "I will look for 'My Ideal' on 'The Sunny Side of the Street'."

Finding no taxi, he beckened to "A Surrey With the Fringe On Top" driven by a lady. She looked at him with "Star Eyes" and he said: "I have found 'My Ideal'." "Irene" says "Take It Easy," "Playmate," — "Don't Sweetheart Me," but "Jim" answered, "For the First Time I've Fallen In Love." Irene replied, "Don't Put Your Arms Around Me," "People Will Say We're In Love." However, "Jim" knew, "Secretly" that she would have a "Change of Heart" and he was glad they had a "Horse That Knew the Way Back Home."

Dairymen's League Essay Contest

Details of the annual Dairymen's League Essay contest for 1944 were brought to the school Tuesday by Mrs. Francis Meade, representative of the local chapter of the League.

Prizes of $3.00, $2.00 and $1.00 will be awarded to the local school for the best essays and the winners of the local contest will also participate in the County contest for additional prizes.

The topic for this year's essay is "The Farm Cooperative's Part in Feeding the World." The contest is open to all high school pupils and the essays must be completed by February 18th. Judges for the contest will be Mrs. Clifford Burdick, Miss Pauline Anderson and Mr . Glenn Bronson.

ACS

Walking up the street one day a Federal officer was attracted by frightful screams coming from a house. He ran up the steps to investigate, and found that a little boy had swallowed a quarter, and his mother, not knowing what to do, was frantic. The man caught the little fellow by the heels, and, holding him up, gave him a few shakes, whereupon the coin dropped to the floor.

"Well, mister," exclaimed the grateful mother, "you certainly know how to get it out. Are you a doctor?"

"No, madam," replied the official, "I'm a collector of internal revenue."

A Betty-Grableish young thing was watching some soldiers drill. A rifle volley rang out. With a scream the lovely young lady shrank back—into the arms of a young soldier.

"Oh!" she exclaimed, blushing. "I was so frightened by the rifles. Won't you please forgive me?"

"It's all right," the soldier assured her. "Let's go over and watch the artillery."

U. S. Treasury

Semi-Annual Still Without Suitable Name

The much discussed purple and white literary publication and review of the semester's events in A. C. S. must remain the nameless baby of the Hi Herald Staff until some brilliant member of that organization "comes thru" with an idea. Or so it seems.

Despite the delectable (the staff thought so) prize of some extra spending money dangled before the eyes of an imaginative (?) student body full of enthusiasm for a new project, no really prize-worthy name has been forthcoming. At the next meeting of the Hi-Herald staff some decision will be made concerning the title of the magazine.

ACS

Superintendent Visits A. C. S.

Mr. W. H. Garwood of Canaseraga, superintendent of schools for District 5, Allegany County, has paid A. C. S. several visits in recent weeks. His latest visit, concerned with administrative matters, occurred the week of January 10-14, just prior to the end of the first semester.

ACS

Wellsville Conference To Be Resumed

Following a meeting of principals and superintendents held at the Wellsville High School on January 7, it was agreed to resume the annual bi-county teachers' conference at Wellsville next October, according to a statement made by Principal Glenn E. Bretsch who attended the meeting. The conference was not held the past two years because of war time restrictions.

Committees were appointed for the various sectional and group meetings. Superintendent Virgil Hussey of Greenwood is general chairman and Principal Andrew Haynes of Fillmore is chairman of the high school section. Principal Bretsch will head the administration section and Mrs. Greene and Mrs. Allen will be in charge of the nurse teachers and primary sections respectively.

Work Completed by Soil Conservation

At a recent meeting of the Directors of the Allegany County Soil Conservation District, a report of the work completed during the year was made by Robert A Reed, District Conservationist. This report, according to Hugh D. Chamberlain, Chairman of the District Board, indicates the valuable assistance the District has been able to render farmers in Allegany County towards controlling erosion and conserving moisture. The following are the items of work which were completed on the farms of District Cooperators:

Outlet Channals, 6,600 feet.
Stream Channels, 10,400 feet.
Contour Cultivation, 1,283 acres.
Contour Hedge, 4,050 feet.
Cover Crops, 121 acres.
Diversion Terraces, 93,025 feet.
Diversion Terrace Outlet Structures, 29.
Drainage Tile, 1,250 feet.
Drainage Terraces, 1,800 feet.
Fencing, 1,044 rods.
Fertilizing, 445 acres.
Grass Planting, Hay, 203 acres
Grass Planting, Pasture, 87 acres.
Gully Filling, 9,750 feet.
Hedge Removal, 1,050 rods.
Leveling Hummocks, 91 acres.
Liming, 417 acres.
Pasture Clearance, 146 acres.
Road Treatment, Farm, 12,250 feet.
Road Treatment, Public, 1,500 feet.
Roads Constructed, Farm, 6,700 feet.
Rotation Grazing, 490 acres.
Sod Waterways, 5,900 feet.
Strip Cropping, 1,303 acres.
Temporary Structures, 18.
Permanent Structures, 36.
Shrub Border Planting, 12,012 feet.
Tree and Shrub Planting 180 acres.
Woodland Improvement, 124 acres.
Woodland Protected, 515 acres.

This work has been scattered over many farms. To date, there are 134 farmers in Allegany County cooperating with the District on 22,458 acres. Since November 1, agreements have been entered into by the Directors of the Allegany County Soil Conservation District with the Wellsville High School, Allegany County, Catherine T. Reed, of Belmont, Reid Mehlenbacker of Canaseraga, Glenn Talbott of Caneadea, Paul Davie of Wellsville, Fred Marvin, Lee Ellis, George Loree and Donnelly Bros. of Bishopville, N. Y. Anyone interested in Soil Conservation work may secure help by applying at the district office in the Court House at Belmont or contacting Clifford Harrington, county agricultural agent.

One Car In Seven Off Roads

One out of every seven cars licensed in New York State in 1942 was not in operation in 1943 and it is expected that in 1944 there will be an even greater reduction in the number of cars licensed, according to a bulletin by the War Transportation Committee to the county administrators this week.

The need for group riding, carsharing and avoidance of unnecessary travel must be constantly impressed upon all persons in order to insure that essential transportation may be assured until such time as replacement parts and vehicles can be provided, said the committee.

Dog Owners' Notice

Dog licenses for 1943 expired on December 31st, 1943. The 1944 license fee was due January 1st. Licenses so issued will cover the period from January 1st to December 31st, 1944. Every dog must wear a tag of the current dog license year. A dog without such a tag is not protected by law and no action can be maintained for his injury or destruction.

An unlicensed dog may be seized and killed and the fact that a dog is without a tag is presumptive evidence that the dog is unlicensed.

Dog licenses must be obtained from the clerk of the city or town where the dog is harbored or kept.

License Fees: Male dog, $2.25; female dog, $5.25; spayed female dog, $2.25. These amounts include clerk fees.

No license can be issued for less than the full license year.

The owner of a dog who fails or refuses to obtain a license for the dog as required by law incurs a penalty of $10.00 and costs.

The enumerators of towns and the police departments of cities are required to prepare in January of this year a list of dog owners. The omission of the name of an owner from the enumerators' or police list will not excuse the owner from obtaining a license.

If you owned a dog last year and do not own one now, so advise the clerk of your town or city.

Dog licenses in the Town of Andover are issued by F. S. POTTER, Clerk, P. O. Address, Andover, New York. 5
