Allegany County Nursing Council Asks Co-operation of Citizens

Following are ten ways every citizen can help during the present nurse shortage.

Military needs have first call upon our nursing resources and 12,000 additional nurses are needed immediately to care for the constantly increasing numbers of wounded.

These needs can be met if everyone on the home front will do his full share. Carol Carpenter, Chairman of the Allegany County Nursing Council, representing all nursing and health services, asks each citizen to observe the following:

1 Keep well.

2. Learn how to care for members of your own family by taking a Red Cross Home Nursing Course.

3. Volunteers for hospital service as a nurse's aide or orderly.

4. Become a U. S. Cadet Nurse if you are eligible, or recruit one.

5 Utilize hospital service ONLY when absolutely necessary.

Employ a private duty nurse only when your doctor and the hospital authorities deem it absolutely essential for your recovery.

7 Employ no private nurse who has been classified as available for military service. (Class I.)

8 Observe hospital regulations regarding visiting hours, etc.

9 Appeal to every nurse and every former nurse you know, who is not in an esential nursing position to accept one, and help her to make whatever personal adjustments are necessary.

10 Encourage every nurse you know who has been classified as "available for military service" to apply at once for military service either through the American Red Cross or the Surgeon General of the Army or Navy.

Presbyterian Church Holds Annual Meeting

The annual meeting of the Presbyterian Church was held on Sunday, Jan. 14th, following a fellowship dinner in the parlors of the church, at which about sixty-five were in attendance.

Erwin D. Baker was elected to act as chairman of the meeting and the various reports that were given, showed that all obligations have been met, with a goodly balance left in the treasury with which to start the new year.

Many repairs have been made and all members have shown splendid cooperation throughout the past year.

Erwin D. Baker and Wm. Snyder were elected to succeed themselves as Elders, their present terms having expired. Also William Lang and Miss Dorothea Snyder were elected to succeed themselves as trustees.

Almon Wood was re-elected Superintendent of the Sunday School, and Ruth Hardy was elected Secretary and Treasurer.

The congregation is most gratified in that Rev. Albert Rogers of Alfred Station has consented to continue quite indefinitely as stated Supply Pastor. His efforts and kindly ministrations have been deeply appreciated.

The meeting adjourned after a vote of appreciation to the chairmen, Mrs. Richard Harder and Mrs. Oliver Kemp for their efforts in making the occasion a pleasant one.

Secretary.
