Route of Travel.—The Brie Railway, the plo-turesque route of America. Is the direct and popular thoroughfare between New York, Philadelphia and Boston in the East, and Buffalo, Cleveland, Chicago, Cincinnati and St. Louis in the West. The road-bed is ballasted with rock, insuring the minimum of du hard coal engines do away with smoke and cin Through tickets are sold to all doints East, West

of all kinds, which may be ordered at pleasure.
With the new vestibuled train, the Erie Pullman

service will be the finest in the world.

New York passengers by the Erie are landed either Practicing Physician and Surgeon; the Eric are landed either up town or down town, convenient to the leading that it always is the biggest fish you catch that besiness business business business gets away. Office Hours from 12 M. to 2, and 7 houses, and steamship piers. To European and to 9 P. M.

Office on Greenwood Street, Residence on Connections are made with the New York, New Houses, and steamship piers. To European and content to office on Greenwood Street, Residence on Houses, and steamship piers. To European and Tis even so in other things—yes, in our gready is eyes.

The biggest boon is some clusive, never captured ANDOVER N. V. ing from Jersey City, as well as the day and night steemers for Albany, and the Bound Lines for Newport, Ftll River and Boston, avoiding several miles of confusing and expensive city transfer. Incoming Steamers.—Patrons expecting riends from Europe, unacquainted with this country, and who are unable to meet them, will be relieved of any anxiety POOL, in this respect, as authorized Erie agents, familiar with the various languages, meet every incoming steamship from European ports, and render any and every assistance in their pewer.

There is no charge for this service, and it will be The Eric has the most complete system of round-trip tickets to the numerous health and pleasure resorts, from the Atlantic to the Pacific, affording the greatest variety of routes and the sewest possible restrictions. its requirements. To commuters the Brie offers exceptional inducements, and in addition to its ordinary excursion tickets, issues mileage books,

at reduced rates, entitting the holder to a number of trips between commercial centers and surtors and settlers in the West. Trustworthy and disinterested information in regard to any locality desired, will be furnished upon application to the nearest ticket or passenger agent, and special care will be taken or parties and excursions.

Lakes and Parks.—The Erie is fortunate in and Fort Stanton, on the Rio Pecos, line of the most beautiful and romantic lakes and parks in America, and popular excursions and called the turn on me. It is agreed picnic to these charming resorts are made a fea-ture of the passenger service. Special induce-ments are offered to societies, churches and Sunday schools.
