News Briefs of Local Men in U. S. Service

Mr. and Mrs. John Dolan received the following letter from their son, Warren (Naz) Dolan, telling of his arrival in Japan and his new address:

Sapporo, Japan

Dear Mom, Dad and All:

I suppose you're waiting to hear from me. Well guess it's about time I got around to write. Have been in Japan for about a week and a half but have been traveling most of the time so did not get a chance to write.

We came into Yokahama on the ship and came almost to the northern tip of Japan by train, so I've seen quite a bit of the country. It's quite a pretty place but the people are so backward I can't figure them out. They are like a batch of monkeys, running all over the place.

The way the situation looks now, I might get a chance to go to radio school, but the way things are done in the Army, I'm not sure of anything. I'd like to go to school; I might learn something for a change.

We live good here. We have brick barracks, steam heated and all the comforts of home, so I have nothing to complain about. There's a new theatre, different movie every night, bowling alleys, swimming pool, gym, anything you feel like doing.

I'm enclosing a blank for a pair of jump boots. I'll fill it out and send it to you and you can order them from home and send them to me, I'll get them faster that way. You could also throw in a bar or two of soap, maybe a carton of cigs and a can or two of brown shoe polish. Those things are hard to get here.

Love, NAZ.

Richburg Literary Club May Publish War Book

We are in receipt of the following letter from Mrs. Howard Thomson of the Richburg Literary Club which we publish in part:

Dear Sir:

At a meeting of the County Historical Society held in Alfred I saw a copy of your Servicemen's Records. It is an excellent one and am writing to ask if you would have an extra copy that our Literary Club may purchase.

Our club started work on such a book then temporarily dropped the idea for lack of interest on the part of the servicemen.

Your book gives new enthusiasm to continue.
