Andover Auto Crash Takes Two Lives

Mr. and Mrs. Leon Stocum of Canisteo were fatally injuried and their daughter, Shirley, 7, seriously injured in an automobile crash here shortly after 3 o'clock Sunday afternoon.

According to police reports, their car went out of control while coming down Joyce Hill, just east of the village, and after crossing Route 17 struck the east end of an iron bridge over Dyke Creek near the Gilkes farm.

The impact threw Mrs. Stocum and her daughter out of the car onto the floor of the bridge. The car then continued across the bridge, striking the west side, throwing Mr. Stocum out. He rolled thru the bridge railing and dropped six to eight feet into about two feet of water.

Mr. Gilkes removed Mr. Stocum from the water and administered artificial respiration until the arrival of Andover firemen and the drivers of the Frederick C. and James B. Mulholland ambulances who administered first aid. The two ambulances took the injured people to the Jones Memorial hospital in Wellsville, where Mrs. Stocum died a few minutes after being admitted, from a fractured skull and chest injuries.

Mr. Stocum died at 6:30 o'clock Wednesday morning from chest injuries, fractured ribs and lung injuries. The daughte's condition is reported as favorable.

Mrs. Stocum was a sister of Mrs. Lyle Mulconery of Andover.

A Word of Explanation

To avoid confusion in the future, officials of the Andover Fire Department again call the attention of those desiring aid to please tell the operator on duty what type of aid is needed. The fire officials also state for the benefit of Andover residents, that first aid equipment is carried on both fire trucks, besides by each of the eight members of the first aid team in the department.

So, in the future, please don't put a call in for the fire department only in case of fire or where trucks, ladders and equipment of that type is needed. In case a resuscitator or inhalator is needed simply tell the operator and a crew will promptly respond in automobiles with full equipment for any emergency of accident or respiratory trouble of any kind, thus avoiding the confusion caused by large numbers of people congregating and thereby slowing up the work of first aid crews and ambulances.

The Andover Fire Department is fully equipped with first aid equipment from stretchers to one of the best inhalators on the market, but cannot carry delicate and expensive instruments on ordinary fire calls over rough country roads because of possible damage to this equipment besides the extra weight.

So, remember in future emergencies, simply tell the operator the type of emergency and the equipment needed will reach you promptly and with less confusion.

To Republican Voters

I am not a candidate for nomination for re-election as an Assessor of the Town of Andover.

I also wish to thank you all for your co-operation and forbearance during the four years ending Jan. 1, 1948 I have been an Assessor.

HERVEY S. THORNE

Buy all the bonds you can.

Dorothea Snyder New Children's Agent

Miss Dorothea Snyder of Andover has joined the staff of the Allegany County Welfare Department as children's agent, succeeding Miss Barbara Whitmore, who resigned to complete graduate work in the University of Chicago.

Miss Snyder is experienced and highly trained in the field of children's work.

Home From Hospital

Carl Childs returned home Monday from the Jones Memorial hospital, Wellsville, where he has been recovering from injuries received in an accident on the Andover-Wellsville highway construction job July 11th.

Ralph Miles returned home from the St. James Mercy hospital, Hornell, Tuesday, where he underwent an emergency appendectomy last Monday.

Andover Postoffice To Close Wed. Afternoons

In conjunction with the local stores and bank, the Andover postoffice will be closed on Wednesday afternoons beginning August 6th.

Mrs. Burns states, however, that the lobby door will be open until 6 o'clock for the convenience of the public and both incoming and outgoing mails will be dispatched as usual.

New Diesel Locomotives Now On Erie Railroad

The first of a fleet of seven three-unit 4500 horsepower Diesel-electric passenger locomotives went into service on the Erie Railroad Monday. The balance of the engines now on order will be delivered within ten days at which time all Erie thru-line passenger carrying trains will be diesel powered between Jersey City and Chicago.

Residents along the Erie Monday had their first actual recognition of the change to diesel when the steamboat type of siren swept thru Allegany county valleys.

At the same time announcement was made that the railroad is planning an exhibition train to start next week showing the latest type passenger cars which will be used with these diesel locomotives. The first appearance of the train will be at Lima, O., on Friday, August 1st, and will be on display in approximately 25 other cities east to Jersey City during the succeeding six days. The public is being invited to inspect the train and go thru the diesel, including the engineer's cab, and the air-conditioned coach, diner and pullman which will make up the train.

For the time being the schedules of Erie trains will not be changed, but a partial reduction in running time will be made on August 17. With the September 28 timetable changes, schedules will be shortened by about two hours between Jersey City and Chicago over the present schedule.

A headliner of the exhibition train will be the smartly painted diesel locomotive (black with yellow design) which is 151 feet long and built in three units. In each of the units is a powerful 1500 horsepower diesel motor

(Continued on Page Two)

Rev. Taylor Now Permanent Andover Pastor

Effective June 1, 1947 the Rev. Raymond R. Taylor has been appointed permanent pastor of the First Methodist church of this village.

Mr. Taylor, whose parental home is in Lancaster, N. Y., was

born in Jersey City, N. J. . He received his early education in the Waverly, N. Y., and Lancaster public schools. Upon graduation from the University of Buffalo in 1938 he attended the University of Chicago Divinity School, the Meadville Theological School and the St. Lawrence Theological School from 1938-41. To become a priest in the Anglican Church has been a lifelong ambition, but he was involved in the High-Low Church controversy of the Episcopal Church and is now seeking ordination into the Methodist Church. He was temporary pastor of the Methodist Church in Lancaster in 1942. He entered the Army in August of that year and was not discharged until February 1946. Since July 1946 he has been a graduate student at Alfred preparing for the master's degree in education.

Mr. Taylor served in France, Luxemberg, Germany and Belgium as a chaplain's assistant in the Army Medical Corps serving with the 4th Infantry Division. He is a member of the Masonic Lodge, No. 823, Lancaster. His major field in school has been philosophy and is a member of the Society of Phenomenology and Phenomenological Research.

New Blood Type Service

To facilitate blood donor service in Andover, a list of all Andover people who have been typed is being correlated at Clair's Pharmacy.

All local people who have been typed are asked to stop at the Clair's Pharmacy and register their type, so that an authentic list of local blood types will be readily available in case of an emergency.

Firemen's Meeting This Friday Night

Regular meeting of the Andover Fire Department will be held this Friday evening at 8 p. m. A good attendance is requested as several items of business will be discussed.

New Arrivals

A daughter was born Thursday, July 24 at Tullar Maternity Hospital, Wellsville, to Mr. and Mrs. Francis Barnes of Andover.

Connie Lee Meyn Polio Victim

Connie Lee Meyn, two-year-old daughter of Mr. and Mrs. Lee Meyn, is Andover's first polio victim this season. The young lady complained the last of the week of her leg hurting. A physician was consulted and the case has been definitely confirmed as infantile paralysis.

She was taken to the Children's Hospital in Buffalo, Sunday.

Undergo Operations

Mrs. Leo DeRemer underwent a major operation at Jones Memorial Hospital, Wellsville, Saturday. Reports as to her condition are satisfactory.

Mrs. George Vickers underwent a major operation at St. James Mercy hospital, Hornell, this morning.

Large Barn at Belvidere Is Destroyed by Fire

The large, fully equipped dairy barn on the Erwin Seberry farm at Belvidere was completely destroyed by fire last Thursday afternoon with an estimated loss of from $35,000 to $40,000.

The origin of the fire, which was discovered by painters as they were erecting a steel scaffolding preparatory to painting the barn and other buildings, is undetermined.

Burned with the barn were three silos, about 100 tons of hay, a three-day-old calf, a yearling bull, a five-horsepower electric motor, milk house, corn binder and the equipment which went to make a modern dairy barn. An 1,800 pound bull and two calves were rescued from the building.

Firemen from Belmont, Friendship and two Wellsville companies answered the call.

The 35 cows and milking equipment on the farm have been moved to the Richard E. Hall farm south of Belmont.

Mr. Seberry does not plan to rebuild at present.

County A.B.C. Board Amends Sunday Rule

The Allegany County A. B. C. Board has amended its long standing rule prohibiting the sale of alcoholic beverages on Sunday as indicated by its resolution dated July 19, 1947. In the adoption of the amended rule the Board issued the following brief statement:

Allegany county, since February 1940, has been the only county within the state in which Sunday sales of alcoholic beverages have been prohibited. The rule was adopted because of the desire of the members of the board that their action be governed by the sentiment of the majority of the inhabitants of the county and because of the conviction that the prohibition of the sale of alcoholic beverages on any Sunday bore the approval of the large majority. Prior to the adoption of the rule, 28 out of a total of 29 supervisors in the county signed a statement which was filed with the board indicating that a majority of the residents of their respective towns favored the rule. In spite of continued pressure by certain licensees the board has continued this rule in force.

Flagrant violations of the spir-

Andover Still Undefeated in Tribune League

Andover took another Tribune game in a ninth inning run fest from Angelica there Sunday by a score of 10 to 7, to hold their record of 100 per cent in the southern division of the Tribune League.

Andover took the lead in the first inning with three runs. However, Angelica tied it up by pushing over one run in the fourth and two in the fifth. Andover got another run in the eighth to make it 4-3, which was a good ball game. But in the last frame the fireworks started on both sides. When the smoke had cleared Andover had made six more tallies and Angelica four, making the fine score of 10 to 7.

The official score:

Andover	ab	r	h
Horan, 3rd	6	1	1
McAndrew, ss	3	2	0
Howland, lf	4	2	2
Lynch, 2nd	5	2	2
Shellman, c	5	0	0
M. Phillipson, 1st	2	2	0
Dugan, rf	5	1	1
Scott, cf	4	0	1
G. Phillipson, p	5	0	1
Totals	39	10	8

Angelica	ab	r	h
Spangler	5	2	1
Hoffman, 2nd	5	1	2
Duffy, 3rd	5	2	2
Dewey, 1st	5	1	3
Renwand, cf	5	0	2
Dorsey, c	5	0	3
Brandes, rf	4	0	0
Harding, p	5	0	0
Gusendorf, lf	3	1	1
Totals	42	7	14

Andover plays Arkport at home this Sunday, with the hope, of course, of continuing their winning streak and making it ten straight in league competition and one non-league game. Lehman has the nod to start Sunday's game for Andover.

There are four more games in the schedule before the playoffs start on August 31st, in which Andover is now sure of participating.

Local batting averages:

	ab	h	Ave.
Lynch	14	6	.429
Howland	43	15	.349
Rosintoski	36	12	.333
M. Phillipson	25	8	.320
McAndrew	27	8	.296
