Mrs. Walter Sibley, Chapter Regent, introduced the guest speaker, Burdette Crofoot, a professor at Sampson College. His subject was "Japan Under the Occupation." This prejudice was greatly modified as he came to know the everyday Japanese. He feels that General MacArthur is doing a fine job there.

The Daughters were reminded to bring their gifts for Ellis Island and the approved schools to the next meeting September 18 in Wellsville where the program is "D. A. R. Projects."
