A PROGRESSIVE FAMILY NEWSPAPER FOR ALLEGANY COUNTY PEOPLE — IN POLITICS INDEPENDENT BUT NEVER NEUTRAL.

VOL. 62, NO. 41. For the Week Ending Thursday, Oct. 9, 1947. $2.50 Year; 7c Copy

Telephone Companies Hold Golden Jubilee

Charles Sutor, manager of the Allegany Mutual Telephone Co., has received reservations from the Independent Telephone Association for the "Golden Jubilee" anniversary of the founding of that industry which is to be held in Chicago next Monday through Thursday, Oct. 13-16.

Characterized by leading observers as one of the most efficient and successful groups of small businesses in the United States, the more than 6,000 Independent companies serve six million telephone subscribers from their 12,000 exchanges—Almost twice as many localities in the United States as the large Bell System. Most of the companies are small, yet the industry serves more than 250 towns and cities with 2,000 or more telephone subscribers.

Independent telephone companies, fully as much as the Bell System, are regarded as leading examples of United States free enterprise in an industry which is government-owned and operated in most foreign countries. The U. S. telephone industry's answer to government operation elsewhere is its service, far superior to that of any other nation, and the fact that the United States, with 33.6 million telephones, has about 10 million more telephones than the rest of the world combined.

Nationally known speakers, including Dr. Frank B. Jewett, wartime President of the National Academy of Sciences, Maj. Gen. Manton S. Eddy, D-Day Commanding General of the famed 9th Division, and Dean J. E. McCarthy of the College of Commerce, Notre Dame University, and vice-President Keith S. McHugh of the American Tel. & Tel. Company will deliver the major addresses at the convention. The Bell System will honor the Golden Jubilee in its nationwide broadcast concert, "The Telephone Hour," with a special salute to the Independent industry.

With the release on the "Golden Jubilee" received at the News office also came some interesting data on our local telephone company, the Allegany Mutual, which has been a member of the Independent Telephone Association for some years and upon which we are enlarging.

The Allegany Mutual Telephone Company was organized at a meeting held at Prest Opera House, April 13, 1900, with the meeting called to order by H. A. Benedict, a local pharmacist, who last week observed his 90th birthday at his home in Wellsville.

Jesse S. Phillips was named chairman of the meeting and J. S. Grantier, secretary. After some discussion the following directors were elected: E. P. Hamilton, D. L. Langworthy, A. W. Robinson, J. R. Willard, E. J. Atwood, C. L. Earley, Geo. E. Burdick, H. A. Benedict, J. S. Phillips, M. A. Green, Chas. Robinson, J. M. Brundage, A. B. Burrows, P. C. Lynch and John E. Cannon.

The first central was set up in the Fowler Furniture store, now Lever's Trading Post, with S. J. Fowler in charge. In 1910 the office was moved to its present location in the Bank building and Edson Langworthy took over as manager.

In 1905 the company was serving 95 phones and remained at about that level until the first World War when it jumped to 114 phones and has since showed a steady growth until today it is serving 487 phones.

Wm. F. Snyder, Andover Resident 80 Years, Dies

William F. Snyder passed from this life about 11 o'clock Wednesday morning, October 8, 1947, at the home of his son Raymond O. Snyder, where he suffered a stroke a week ago Sunday from which he did not rally.

Mr. Snyder was born in Sickendorf, Germany, August 31, 1860, the son of William and A Elizabeth Rausch Snyder. He came to the United States at the age of eight years and for the past 80 years has resided in Andover.

He learned the cheesemaking business as a young man and was a very successful operator of a cheesefactory near his home on Dyke street for many years, discontinuing it to become manager of the Brown & Bailey Milk Condensory when that firm located in Andover. He continued as manager of the plant until his retirement a few years ago.

December 26, 1888 he was united in marriage with Miss Ella Swartz whose death occurred November 30, 1945.

Mr. Snyder was a member and Elder of the Andover Presbyterian Church, a member of Andover I. O. O. F. Lodge and the Andover Fire Department, and served several terms as a member of the Andover Village Board.

He is survived by two sons, Raymond O. Snyder and Leo S. Snyder, both of Andover, a daughter Mrs. Kern Moyse of New York City, a brother Fred W. Snyder of Kansas City, Kan., three grandchildren and one greatgrandchild.

Services will be held at the home on Dyke street Saturday afternoon at 2 o'clock, the Rev. Albert N. Rogers officiating with interment in Hillside cemetery.

Muriel Sheppard Writes Another Book

The University of North Carolina Press has announced the publication on Saturday, October 18, of a new book, "Cloud By Day"; a story of coal and coke, and people; written by Muriel Earley Sheppard, daughter of Mrs. C. L. Earley of Andover.

In announcing the new book the release says in part—

Cloud By Day is no dry study of mining. One of Mrs. Sheppard's main interests has always been people—the simple people whom she met on the street, talked to in the stores, or saw going to and from the mines in their daily work or watching anxiously for husbands and brothers to come up after an explosion. These are the people of whom she writes; it is their daily activities, their troubles and pleasures, that she records with sympathy and complete lack of bias. When asked "Who is she for? Is she pro-labor or pro-management?" Mrs. Sheppard answers, "I am not pro-anybody, only pro-people."

Mrs. Sheppard is also the author of Cabins In The Laurel, an intimate story of life in the Toe River Valley of the North Carolina Blue Ridge, which was listed by the New Republic as one of the hundred books having the greatest significance for our times.

Andover to See New Comedy Next Week

Mrs. Lulu Jontz, who is here to direct the show "Cornzapoppin" which is being sponsored by the Andover American Legion Auxiliary, states that work on this unqualified and hilarious comedy is progressing very satisfactorily. The business and professional citizens of Andover have been very cooperative. The cast has been chosen and rehearsals are under way. Mrs. Jontz says each character is an artist in his or her part. The cast includes one of Andover's wits, Margaret Northrup, who takes the part of Elviry Judkins who rules the household including her poor henpecked husband, Henry Judkins, played by George Lehman. Elviry is set on her lovely daughter, Sue, who will be Kathleen Drew, marrying the town's sheriff and lawyer, old Squire Hicks, who is known as "Chuck" Holt.

Elmer, the only son of Elviry and Henry Judkins, and who is a great lover of rough games, such as marbles, is played by George Joyce. Bob Saudrock, the good looking neighbor boy who is wooing Sue is none other than Ernest Clark. Mazie Mae, fair and pretty Lila Childs will play the hired girl and teach her audience a new trick in dressing ducks. Cousin Linney Pearl who collects Mt. Music tunes and pretty rocks is Andover's blonde Evelyn Appier. The charming old maid, Miss Twitty, who wants a husband but is advised to leave husbands alone and try to find a single man, is our attractive Dolores Ellis. Dear old Aunt Bessie will be played by your most worthy Bertha Hardy.

In conjunction with this show we are conducting a popularity contest, to decide who is King and Queen of Toyland. This part of the show is something new, interesting and exciting. Mothers who have not entered their baby in this newest of contests please contact Mrs. Helen Zoyd, phone 6135 or Miss Doris Dean, phone 530. Every penny a vote, no expense to mothers. A prize will be awarded the winning boy and girl. Enter your baby today and your baby will thank you in later years. All proceeds will be used for community service. Buy your tickets early to insure a good seat.
