ABSTRACT OF PROPOSED AMENDMENT NUMBER ONE

The purpose and effect of this proposed amendment is to provide for a veterans' bonus, for the payment of which the legislature is empowered to provide by law for the creation of a debt of the state in the maximum aggregate amount of four hundred million dollars by the sale of bonds by the state comptroller, the proceeds to be apportioned on the basis of period and place of service and so apportioned paid to every male and female member of the armed forces of the United States, still in the armed forces or separated or discharged under honorable conditions, who served on active duty at any time during the period from December seventh, nineteen hundred forty-one to and including September second, nineteen hundred forty-five, who was a resident of this state for a period of at least six months immediately prior to his or her enlistment, induction or call to active duty, and is such a resident at the time of making application for the bonus, and in the case of each member of the armed forces from this state who would have been qualified therefor but died either while on active duty during the designated period or subsequent thereto or after separation or discharge under honorable conditions while a resident of this state and prior to receiving payment of the bonus, the sum payable shall be paid to his next of kin.

ABSTRACT OF PROPOSED AMENDMENT NUMBER TWO

The purpose and effect of this proposed amendment is to facilitate and permit more extensive use of the absentee ballot by (1) eliminating the present provisions that (a) restrict the use of such ballots to general elections only, (b) require that the voter be within the United States, and (c) make it necessary that such ballots be returned to and canvassed in the election district in which the absentee voter resides, and by (2) authorizing the use of such ballots in any election by all qualified voters who may be unavoidably absent from their place of residence because their duties, occupation or business, or those of members of their families, require them to be elsewhere on election day.

ABSTRACT OF PROPOSED AMENDMENT NUMBER FOUR

The purpose and effects of this proposed amendment are to provide (1) an alternative method for the removal for cause of certain judges and justices and (2) a method by which such judicial officers may be retired for mental or physical disabilities preventing the proper performance of their judicial duties. It is proposed that a Court on the Judiciary be constituted, to consist of the chief judge of the court of appeals, the senior associate judge of that court and one justice of the appellate division in each department, all to serve without additional compensation, which court would be authorized to remove or retire from office, a judge of the court of appeals, a justice of the supreme court, a judge of the court of claims, a surrogate, a special surrogate, a judge of the court of general sessions of the county of New York, a county judge, a special county judge or a justice of a city court of record. Under this proposed amendment the chief judge of the court of appeals, the governor, the presiding justice of any appellate division or a majority of the executive committee of the New York state bar association may cause the Court on the Judiciary to be convened; no judicial officer may be removed except for cause or retired except for mental or physical disabilities, and only after charges have been preferred and the judicial officer has had an opportunity to be heard; in instances of removal proceedings the legislature may suspend the Court on the Judiciary by a majority vote of the assembly; in instances of retirement proceedings the proposed report on the judiciary above is substituted to determine the charges and in either case its action shall not extend further than to (1) removal from office, or (2) removal and disqualification to hold any public office of honor, trust or profit in this state, or (3) retirement for disability.

Shall the proposed amendment to article six of the constitution, adding section nine-a thereto in relation to the removal or retirement of judges and justices, be approved?

ABSTRACT OF PROPOSED AMENDMENT NUMBER FIVE

The purpose and effect of this proposed amendment is to authorize the creation of another judicial district out of the second judicial district as presently constituted, the new district to consist of the counties of Queens, Nassau and Suffolk, the justices of the supreme court now in office to be apportioned between the two districts and additional justices to be elected in the newly erected district not exceeding the limit otherwise provided for in the constitution.

HI HERALD - continued

ter luck next time, Caroline.

The Seniors are trying their best to out-do one another on their magazine subscription sales again this week.

Gloria Clair seems to be getting everyone mixed up. First she comes to the dance with Vic Daley and then Kevin Lynch.

We hear Bob Dunham gave Rose Marie Baker a hard time in the moonlight. All reports say that he finally succeeded tho.

Dick Hancock has been seen in the halls lately with Doris Atwell. How about it, Dick?

LeRoy Caple and the kids at his table in second period study hall just about drive everyone crazy with their giggling. Let's calm down a little.

Hey girls! The Seniors are having a Sadie Hawkins dance soon and there are still a lot of boys left, but they won't last long. Hurry up and ask your best beau.

We are now wondering why Louise Loucks doesn't quit making eyes at Charlie Dougherty during Social Studies class.

Bob Burger, Junior class president, kept things going smoothly Friday night and worked hard to make the dance the success it was. Fine work, Bob.

Bill Holt was kept pretty busy between Jo Ann Theetge and Rosemary Mead. I betcha we know which one will win.

Cornish and Smith, we hear, are still writing those daily letters.

We haven't seen much of Perrin and McAndrew together lately. What's happened, Colleen?

Pat Dolan and Teddy Vankuren spent the week-end in Buffalo.

Madge Collins finds that the Pennsylvania coal dust awfully dirty down around Clearfield where she spent the week-end.

To whom it may concern: How come we weren't told what time to come up to school to clean up Saturday? Was it because Bruce Nye wanted to be with Ruth Shutt?

Say, Joan Joyce and Louise O'Dell, how come you left the F.H.A. party before the rest, Thursday night, and also before the dishes were done?

So long, kids, see you next week.
