**More Dresses for Less Money.**  
 Dressmaking at home is one of the "social nuisances," but a stylish wardrobe at half the cost is one of its compensations. Besides, you have an opportunity of working out your own ideas, which the modistes either can't or won't do. The great fatigue has deterred many ladies from making their own dresses, but with Hall's Bazar Form this objection is entirely removed. It is adjustable, and can be made to fit NEARLY EVERY size. When covered with a waist and arranged to fit your own proportions, the Form becomes an exact model of yourself.
