

# THE ANDOVER NEWS.

VOL. VI

ANDOVER, ALLEGANY COUNTY, N. Y., JAN. 4, 1893.

NO. 19.

MRS. ELMIRA HATCH.

## HEART DISEASE 20 YEARS.

Dr. Miles Medical Co., Elkhart, Ind.

DEAR SIR: For 20 years I was troubled with heart disease. Would frequently have fainting spells and smothering at night. Had to sit up and get out of bed to breathe. Had pain in my left side and back most of the time; at last I became despondent. I was very nervous and nearly worn out. The least excitement would cause me to faint. I was also much troubled with fluttering. For the last fifteen years I could not sleep on my left side or back until I began taking your *New Heart Cure*. I had not taken it very long until I felt much better, and I can now sleep on either side or back without the least discomfort. I have no pain, smothering, dropsy, no wind, no stomach or other disagreeable symptoms. I am able to do all my own housework without any trouble and consider myself cured.

It is now four years since I have taken any medicine. Am in better health than I have been in 40 years. I honestly believe that *Dr. Miles' New Heart Cure* saved my life and made me a well woman. I am now 62 years of age, and am able to do a good day's work.

**CURED**

**SATISFACTION GUARANTEED**  
OR MONEY RETURNED.

White Bronze Monuments are sold by J. A. ROBINSON, Andover, N. Y., agent for the above firm. Those needing work in this line are invited to call on, or correspond with me. White Bronze is

**MORE ENDURING** than Marble or Granite, and is cheaper in price. Samples, Prices, Designs, &c., submitted upon application.

J. A. ROBINSON,  
ANDOVER, N. Y.

## Is Life Worth Living?

That depends upon the liver. If the liver is inactive the whole system is out of order—the breath is bad, digestion poor, head dull or aching, energy and hopefulness gone, the spirit is depressed, a heavy weight exists after eating, with general despondency and the blues. The liver is the housekeeper of the health; and a harmless, simple remedy that acts like Nature, does not constipate afterwards or require constant taking, does not interfere with business or pleasure during its use, makes Summers Liver Regulator a medical perfection.

I have tested its virtues personally, and know that the *Summers Liver Regulator* is a safe and effective remedy for all liver troubles. It is a simple, harmless, and effective remedy for all liver troubles. It is a simple, harmless, and effective remedy for all liver troubles.

Sold by Comstock & Co., Andover, N. Y.

## V. C. CITY NEWS.

A Few Things That Have Happened Within Two or Three Hundred Miles of Here.

Mrs. Cleveland and baby Ruth have been in Buffalo during the past week. Olean will ask the Legislature this winter to grant that place a city charter.

It is said that the Erie railroad company will build a new depot at Salamanca.

The Corning Board of Education has forbidden all dealers in tobacco to sell cigarettes to scholars under sixteen.

It is reported that John D. Rockefeller (Standard Oil John) will build a mansion at Watkins and make his home there.

The electric railroad from Canisteo to Hornellsville was formally opened Friday and cars are now running regularly. The fare is ten cents each way.

Monroe Brundage Post, G. A. R., of Hammondsport, contemplates building a memorial building at that place at a cost of \$5,000, to be used as an opera house.

An Alfred correspondent says: We understand a survey of the electric road is being made from Hornellsville. We believe that means Alfred people may "Look out for the cars" next season.

The railroad between Angelica and Belfast is to be discontinued, and permanently abandoned. The intention is to broad gauge the line from Angelica to Olean via Friendship and Bolivar. And it is further stated that the line will be extended to the coal mines and timber tracts of Pennsylvania, and make connections with New York Central at Geneva. All of this is talked of and next season will tell the story.

The convention of the Epworth League of the Genesee Conference, composed of delegates from all the Methodist churches of Monroe, Orleans, Niagara, Erie, Genesee, Ontario, Wyoming, Livingston, Steuben, Allegany, Cattaraugus and parts of Wayne and Tioga counties in New York, and in McKean, Potter and part of Tioga county in Pennsylvania, will hold its annual convention at Asbury church, Rochester, Feb. 24, 25, and 26. John A. Jones of Buffalo will preside.

Last Friday the entire force of boiler makers employed in the Brooks locomotive works in Dunkirk, about 300 in number, struck for higher wages. This is the first strike in the Brooks works for years. The movement causes great consternation in that city, which is largely supported by the trade derived from the workmen. The Brooks works afford employment to nearly 1500 men, and unless the matter at variance is soon settled it will paralyze all departments of the establishment.

A dispatch from Erie, Pa., Dec. 30, says: Lake Shore detectives, aided by the Erie police, made 17 arrests to-day and warrants are out for as many more charged with robbing freight cars. Over \$10,000 worth of goods were stolen in December from trains between this city and Dunkirk, the robbers mounting the train at some way station and using a rope ladder to let themselves down to the car doors. The goods were then thrown off and picked up by members of the gang. Nearly a hundred houses in this city were searched to-day and some of the stolen property was recovered.

The Buffalo Grand Jury which has been investigating the election steal of last November made a startling report Friday. Three indictments were reported against Geo. T. Crowley, a brother of Assessor Crowley; Julius Hoss, who is a clerk in the State Board of Health in Albany, and Alderman William Summers ex-president of the Board of Aldermen. They are charged with making away with the original sheets of returns and substituting false ones. The jury also censured City Clerk Marshall and Deputy Gethoffer for criminal neglect, and recommended the next jury to investigate them on charges of perjury.

A dispatch from Pittsburg, Pa., Dec. 30, says: Samuel Tryce, a resident of McKeesport, is at the South side Hospital crazy and horribly frozen and will die. He was found this morning in the cellar of a house in Williamsburg.

The house was a vacant one, and the man was found only by chance. How long he had been there no one knows. He was taken to the hospital. After working on him he became partly conscious and talked of England. The physicians found that the man's hands and feet were frozen through and as hard as ice. As soon as the hands were thawed out three of the fingers fell off, and the physicians say that both feet will fall off as soon as thawed out. The man's face, ears and whole body are horribly frozen, and he cannot live. He is 32 years old.

## GREENWOOD NEWS.

There is much talk of an electric railway from Hornellsville to Greenwood.

Vacation in our village school the past week.

The "Social Glass" given at the Christian church, proved in every way a success. The receipts were about \$25.

Christmas services were held at the Bennett's Creek school house Christmas eve. A short program was rendered by the children; after which the presents were distributed. Some of them caused much amusement and laughter.

The West Greenwood Alliance gave a social at the Lane school house last Thursday evening. Cake, coffee, popcorn, and music were plentiful, and as every one appeared in high spirits there were plenty of jokes, causing much amusement. May there be more similar entertainments.

Revival meetings are in progress at the Gully church, with good results.

N. A. Baker of Marion, Iowa, is visiting his relatives in this place, and will remain here four or five weeks.

E. H. Miller, formerly of this town, died at Alameda, Cal., the 21st inst. He was secretary of the Central Pacific Railway Co.

The annual meeting of the members of the Alliance Co-operative Fire Insurance Co. occurred at Canisteo on Monday of this week.

A large company assembled at the residence of Mr. and Mrs. Miner Shaw on Wednesday of last week to witness the marriage of their niece, Miss Belle Richards, to Mr. George Potter, of Austinburg, Pa. Mr. and Mrs. Potter have the best wishes of their many friends.

N. E. Costin is having a fine residence built on Main street. It is nearly completed.

William Kellogg of Cornell University is spending his vacation at home with his parents.

Mr. and Mrs. Wilson returned the latter part of the week from their two weeks' visit at Cameron and Corning.

Miss Agnes Shaw is just recovering from German measles.

Miss Blanche Jackson of Machias is spending a few weeks with her sister, Mrs. Arthur Woodard.

Mr. and Mrs. Jas. Baker are rejoicing over a ten pound boy.

Mr. and Mrs. Elijah Quick are proud of their new boy boarder, who is a ten pounder.

Mrs. John Hartman spent last week with her parents and other relatives at Savona.

Wallace Boyd, who has been quite sick, is said to be improving.

It appears that some of our young men are trying to gain notoriety. Better gain it some other way than by throwing clubs through school house windows.

The marriage of Miss Maud Smith to Earlman Fenner occurred last Tuesday afternoon at the home of

the bride's parents, Mr. and Mrs. M. F. Smith. The presents were very fine among which was a check for \$1000 presented by the bride's father. Mr. and Mrs. Fenner will make their future home at Flushing, Queens county, where Mr. Fenner is engaged as teacher.

Mr. and Mrs. Wm. Burger are very much pleased over the arrival of a fine girl on Thursday Dec. 22.

Mr. and Mrs. Byron Ruger are in the west at this writing.

## How Foolish.

A dispatch from Hornellsville says: When the supposed will of Joseph Church of Allegany, who died a few days ago leaving an estate of \$250,000, was opened, the following, in his own handwriting, was found:

"I have destroyed my will. If a man like A. W. Miner can't make a will that will stand law, I don't propose to try it and have my heirs quarrelling over its provisions."

It is a wonder that such men don't go naked because they can't make their own clothes. Go to a good lawyer and if you are not crazy and have not been unduly influenced you will have no trouble in getting a will that will stand.

## W. C. T. U.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

MARY ALLEN WEST.

Rarely has the temperance army suffered a greater loss than in the recent death of Miss Mary Allen West, editor of the *Union Signal*. She was born about 55 years ago, in Galesburg, Ill., of Puritan parentage. She began public work in connection with the Woman's Foreign Missionary Society of her church, the Congregational. She was especially successful in work among young women, and eight of the number with whom she was first associated afterward became missionaries. In the home of one of them, in Tokio, Japan, she closed her eyes on all earthly scenes. She was connected with the *Union Signal* from its beginning and became editor-in-chief in 1885. Until her departure for Japan, a few months since, her duties in that field were uninterrupted. Finding herself in need of rest she went to California; but rest, with her, only meant change of activity, not idleness. She felt impelled to go to Japan to carry with the story of Christ the story of "temperance, which alas, is not always its associate."

Her work was severe and exhausting. She added to long and tiresome journeys constant public speaking and a yearning over the people that was scarcely less wearing than work. Her death was without doubt, largely due to overwork. We add a few of the appreciative and tender words spoken of her at a memorial meeting held in Willard Hall in the Woman's Temperance Temple, Chicago, Dec. 10:

Mrs. Dye, acting president of the Illinois Woman's Press Association, said, among many loving tributes: "Miss West was strong and sweet, fearless and tender, brave and true; she was the most natural mother, I think, that I ever saw."

Dr. Gilbert, editor of the *Advance*, spoke for the religious press of the city. We give his closing words:

"A great personality, wonderfully sane and wholesome in every fiber of her being; a great mind, a great heart, a great will power, tenderly and joyously devoted to the greatest of all causes; immensely loved and trusted by not only this charmed circle of her more immediate associates and fellow-workers, but by a vast fellowship of all who knew her. And so she shall remain to us."

"Like some clear, large star, which pilgrims at their back leave and see not always, Yet, whensoever they list, may turn And with its glories gild their faces still."

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

## CASTORIA

for Infants and Children.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach."

CARLOS MARTIN, D. D., New York City, Late Pastor Bloomingdale Reformed Church.

Castoria cures Colic, Constipation, Sour Stomach, Diarrhoea, Eructation, Erysipelas, gives sleep, and promotes digestion. Without injurious medication.

"For several years I have recommended your 'Castoria,' and shall always continue to do so as it has invariably produced beneficial results."

EDWIN F. PARKER, M. D., "The Winthrop," 135th Street and 7th Ave., New York City.
