The Woman's Christian Temperance Union of Audover meets the first and third Thursday in each month.

The semi-annual convention of the W. C. T. U. of Alleguny Co. was held in the M. E. church of Scio, Wed nesday and Thursday, January 25 and 26.

Convention was called to order at 9 a.m., Mrs. Willard in the chair. The morning session was devoted to report of executive committee, appointment of committees, address of welcome and response. welcome and response, and a report of the State Convention by Miss

The lecture in the evening was by Mrs. L. P. Davies, a former resident of this county and at present Supt. of Scientific Temperance Instruction in this state.

The convention was opened Thursday morning by a consectation meeting, after which came a very helpful talk on Scientific Instruction by Mrs. Davies. The Dept. of Franchise was next in order, and any one who went to that session with the impression that women do not care for the balthat women do not care for the bal-lot must have gone away convinced that such is not the case with the women who wear the white ribbon This general discussion was followed by a lecture on Franchica by Mia Bliss of Alfred.

The devotional meeting which followed developed the opinion we some times here expressed that our organ gain pation forgets to some degree that its birth was in prayer and religious fervor. It was led by Mrs. Taylor of Roshford, with tact and tenderness, and every knee was bowed, every heart uplifted to the source of our power, for we are, as an organization, first of all, Christian.

The afternoon session was opened by paper on Non-Alcoholic Medication, first of all, Christian.

The afternoon session was opened of Alfred on "Thus Saith Science.

After this came an address on Physical Culture by Miss Parkins of Utica. Mrs. Taylor followed, discussing Mothers' Meetings, and after the reports of committees and miscellaneous business, the convention adjourned to meet at the call of the executive committee. We were entertained most cordially and kindly by the Scio ladies and unacimously voted the entire convention a success, convention of the castomary vote of thanks to the Union for entertainment, etc., the conve tion gave a good-sized collection toward their new headquarters as a more substantial token of appreciation.

Farmers' Club.

The regular monthly meeting of the Allegany County Farmers' Club will be held at Alfred Centre, Tuesday, Feb. 7, and a large attendance is desired. The State Farmers' Institute conductors will be present to give farmers of the eastern part of the County who could not well go to Fillmore, a chance to attend. Judge Norton will also be present and give an address on wills. Besides the large amount of matter of inderest to farmers and others to be brought before the meeting, there is also a large amount of uninished business which has to be settled at this time and with good sleighing there is no reason why this should Total. ment of Parliamentary Usage was taken up by Miss Carson of Hornells ville, an expert in that field. A net gain during the year of 36,066 members.

Since January 1st, 1892, there has been a net gain of 674 subordinate branches of the Order, making the total number of tents and hives at the present time 1,924.

In the Supreme Tent 170 death claims have been paid during the year, amounting to S31,755, and 31 disability claims, amounting to S36,000.

In the Giveat Camp for Michigan 198 death claims were paid amounting to \$295,255,00, and 101 disability claims amounting to S3, 30; while the Ladies of the Maccahees have paid out during the vear for death claims \$2900, making the total expenditures for death and disability claims and disability claims and disability claims and disability claims 2000, making the total expenditures for death and disability claims and disability claims and disability claims and disability claims 2000, making the total expenditures for death and disability claims and disability claims.

mediately on presentation of proper proofs.

The organization is now established in 29 states and provinces, and growing more rapidly than any other similar society of the country, as is shown by its business for December, when it received over 4,500 applications for membership and organized over 60 subordinate branches.

Its membership must be composed largely of young men, as we find the average age of the members is about 23 years. This is undoubtedly one great reason for its low rate of mortality and correspondingly low cost for death benefits, and is one of its valuable features, one that strongly recommends it to all classes.

Its equitable plan, careful and conservative methods, immediate payment of all just claims, enterprising, yet economical management and the zeal and ability displayed by its executive officers have want for the
