INDEPENDENCE NEWS.

Warm and spring-like Sunday. Our mail carrier failed to connect last week, all on account of mountainous drifts of snow barring his progress.

Mrs. H. D. Clarke went to Clayville, N. Y., the first of last week on a visit to her aged father, Thomas Jennings, prior to the removal of her family to Dodge Centre, Minn.

It is thought that William Bossard, whose leg was broken some time ago by a log rolling onto it, is in a decline, as he has no appetite and no ambition to live, and will probably never recover.

It is reported that a Mrs. Freeborn of Knoxville, Pa., daughter of the late Hon. Wm. Cobb, of Spring Mills, was recently thrown from her cutter by a run-away team and had one leg and her nose broken, and her face so terribly lacerated as to be unable to attend the funeral services of her father. Verily misfortunes never come singly.

Saturday night or early Sunday morning, the building used by Henry Kenyon as a pig pen, poultry house and storeroom for farm tools, was destroyed by fire. There was a stove in the building used to keep the young pigs warm. The building contained ten pigs and their mother, a lot of poultry, 1 mowing machine, 1 horse rake, 1 single wagon and other articles, all of which were destroyed.

And a good lamp must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and unbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its marvelous light is purer and brighter than gas light, softer than electric light and more cheerful than either.

Look for this stamp—The Rochester. If the lamp dealer hasn't the genuine Rochester, and the stove you want, send to us for our new illustrated catalogue, and we will send you a lamp safely by express—your choice of over 2,000 varieties from the Largest Lamp Store in the World.
