

MRS. ELMIRA HATCH.

HEART DISEASE 20 YEARS.

Dr. Miles Medical Co., Elkhart, Ind.

DEAR SIR: For 20 years I was troubled with heart disease. Would frequently have falling spells and smothering at night. Had to sit up or get out of bed to breathe. Had pain in my left breast most of the time; at last I became desperate. I was very nervous and nearly worn out. The least excitement would cause me to faint. I was also much troubled with flatulency. For the last fifteen years I could not sleep on my left side or back until began taking your *Heart Cure*. I had not taken it very long until I felt much better, and I can now sleep on either side or back without the least discomfort. I have no pain, smothering, dropsy, no wind on stomach or other disagreeable symptoms. I am able to do all my own household work without any trouble and consider myself cured.

Elkhart, Ind., 1888. MRS. ELMIRA HATCH.

It is now four years since I have taken any medicine. Am in better health than I have been in 40 years. I honestly believe that Dr. Miles' *Heart Cure* saved my life and made me a well woman. I am now 62 years of age, and am able to do a good day's work.

May 20th, 1892. MRS. ELMIRA HATCH

Is Life Worth Living?

That depends upon the Liver. If the Liver is inactive the whole system is out of order—the breath is bad, digestion poor, head dull or aching, energy and hopefulness gone, the spirit is depressed, a heavy weight exists after eating, with general despondency and the blues. The Liver is the housekeeper of the health; and a harmless, simple remedy that acts like Nature, does not constipate afterwards or require constant taking, does not interfere with business or pleasure during its use, makes Simmons Liver Regulator a medical perfection.

I have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. Have tried forty other remedies before Simmons Liver Regulator, and none of them gave more than temporary relief, but the Regulator not only relieved but cured.

And a good lamp

must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and unbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its marvelous light is purer and brighter than gas light, softer than electric light and more cheerful than either.

Look for this stamp—THE ROCHESTER. If the lamp dealer has not the genuine Rochester, and the style you want, send to us for our new illustrated catalogue, and we will send you a lamp safely by express—your choice of over 2,000 varieties from the Largest Lamp Store in the World.

CASTORIA

for Infants and Children.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ANDERSON, M. D.,

111 So. Oxford St., Brooklyn, N. Y.

The use of "Castoria" is so universal and so well known that it seems a work of supererogation to endorse it. Few are the great families who do not keep Castoria as a ready remedy.
