time and try to regain lost health.

Several loads of people went from

hear the Lotus Club sing. The crowd  
numbered over 25, and all report a  
grand entertainment.

Contracts between school-teachers  
and trustees must be in writing, signed  
by the trustees, or the districts will be  
liable to forfeiture of public money.  
This is a new law.

The ballot law will not be amended  
at this session of the Legislature. A  
vote was taken on Monday to substi-  
tute a blanket ballot for the separate  
ballots now used, but the bill was de-  
feated.

Arbor Day this year comes on May  
6th. Schools should begin to prepare  
for it. The state superintendent has  
issued a neat pamphlet regarding it.  
He recommends this year a careful and  
thorough study of the maples, the dif-  
ferent species of which are illustrated  
and described in the pamphlet.

Frank W. Bird, traveling salesman  
for E. H. Lanphear of Hornellsville,  
died in Addison Sunday night. His

their most popular visitors.

W. J. Glenn has repurchased the  
Cuba Patriot, and this week's issue of  
that paper will appear under his  
management. The readers will doubt-

Scarlet fever is now practically wiped  
out, owing to strict quarantine mea-  
sures adopted by Health Officer Still-

tients are either convalescent or well.

Wellsville business men have re-  
organized their Board of Trade, elected

easily much good may be accomplished.

The trustees of the village of Canis-

The Board of Education has engaged  
Miss Sophia McLaughlin as teacher in  
Andover Union School for the coming  
year. Miss McLaughlin has held a  
similar position in the Friendship  
School for several years past, and has  
been very successful. The Andover  
Board has now secured one-half of the  
necessary number of teachers for next  
year, and appearances indicate that the  
incoming faculty will be an excellent  
one, collectively and individually. Later  
—The Board of Education last evening  
voted to submit a proposition to Miss  
Elizabeth Owen, daughter of Wm.  
Owen of this place, to become teacher  
in the B Primary department. Miss  
Owen is now in the west. The Board  
also decided to issue the annual cata-  
logue at an early date, and to give our  
business men an opportunity to place  
advertising matter in the same—an op-  
portunity which they will doubtless take  
advantage of to a considerable extent.
