ONE DOLLAR A YEAR.

HAMILTON C. NORRIS, EDITOR

ANDOVER, N. Y., June 28, 1893.

## INDEPENDENCE NEWS.

Thanks to the clerk of the weather for a bountiful supply of rain.

Five candidates for baptism into the S. D. B. church at this place, were immersed last Seventh Day by Elder Jared Kenyon.

Rev. Madison Harry of Kansas, is in town, preaching trial sermons, with a view of becoming pastor of the S. D. B. church here.

Mr. and Mrs. Edison Clark of Hampshire Valley were in town and attended church Saturday.

A number of the "Bees" of this town visited their brother "Bees" in Wellsville last Wednesday.

A number from this place attended the Wallace reunion in West Union last Wednesday. They report over 200 present and a jolly good time. The North Hill band was on hand to discourse sweet music.

An ice cream festival for the benefit of the S. D. B. church was held at Potter's hall Monday evening.

Mr. Martin Sindall, a student of the Theological department of Alfred Centre, who has supplied the S. D. B. pulpit since Rev. H. D. Clarke moved away, finished his labors last Saturday. I understand he has had a call from a church in the eastern part of the State and will depart for his new field of labor after his ordination. He is a young man of great promise, and is highly spoken of in this community.

I acknowledge the receipt of a catalogue of the Andover Union School and Academy, and congratulate the News on the neat and artistic appearance of the same. It is a credit to the "Art preservative," and a fair criterion of the work turned out by the News Printing House. [Thanks, friend Gumption; we know you are a good judge of such work.]

During the thunder storm Sunday there were 12 or 14 telephone poles struck by lightning between here and Whitesville. Gumption.

How a marriage proposal is made and how it is worded always arouses the interest of girls, and to them the charming revelation made in "The Story of Five Proposals," which is told with delightful frankness by a western society girl, in the July Ladies' Home Journal, will have an unusual attractiveness. A. B. Wenzell, the artist, adds to the article with five of his exquisite illustrations. Just how to arrange a tennis tournament is also an excellent article, as timely as it is authoritative, since it is written by Mabel Esmonde Cahill, the champion lady tennis player of the United States. A full page, very well done, is that giving descriptions of various ways of "Entertaining in the Country." Mrs. Ella Wheeler Wilcox asks and answers "Can a Woman Reform a Man?" The above doesn't include one-fourth the contents of the number, which is overflowing with good things. Price one dollar a year, ten cents a number. Curtis Pub. Co., 421 Arch St. Philadelphia, Pa.

Puck cigars are the latest at Comstock & Benedict's.

One of the strongest attractions that ever appeared in this place is booked for Friday evening, June 30. It is Middaugh's Musical Comedy Co., Gold Band and Operatic Orchestra.

"It has cured others and will cure you" is true only of Ayer's Sarsaparilla. The motto suits the medicine and the medicine the motto. What better assurance could you have that a remedy will cure you, than the fact that it has cured such multitudes of others?

Giant firecrackers at C. & B's.

As a blood purifier, the most eminent physicians prescribe Ayer's Sarsaparilla. It is the most powerful combination of vegetable alternatives ever offered to the public. As a spring and family medicine, it may be freely used by old and young alike.

An immense line of firecrackers, fireworks and flags, cheap at Comstock & Benedict's.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

Count Leo Tolstoi, who spent his time and fortune a year ago in alleviating the sufferings of the starving Russians, asserts that drunkenness was one of the great causes of the famine.

The new factory inspection law of Pennsylvania requires, among other excellent things, that of the deputy inspectors five shall be women, each to receive \$1,200 a year.

Of 611 paupers in the Edinburgh poorhouse, not one was an abstainer, and 407 admitted that their poverty was due entirely to intemperance.

Fifty-three per cent. of the lunatics in the asylum of Bengal are there as a result of *hashish*, an intoxicating preparation of Indian hemp.

Appropos of the large number of women college graduates, the Boston Daily Journal says:

A serious question is, What will all these educated women do with their higher education, received at the expense of so much money and time? Another question is, What will be their chances for paying work in this world of competition?

It is fair to infer that, with a trained intellect and well disciplined faculties, any person is better prepared to do well in any situation in which she may be placed, so that, whatever comes to the college-bred woman (and any kind of thing may come,) her education makes her better equipped for it. At an early woman's rights convention, Mrs. H. Nichols, pleading for better education for girls, said: "A fortune in money may be lost or stolen, but, tapping her head, 'the treasures any woman has here, no one can take away.'"

Nature should be assisted to throw off impurities of the blood. Try a bottle of Harman's 1874 Tonic Bitters.

You feel faint and weak in the stomach - no appetite. Take Simmons' Liver Regulator.

Fifty cents is a small doctor bill, but that is all it will cost you to cure any ordinary case of rheumatism if you use Chamberlain's Pain Balm. Try it and you will be surprised at the prompt relief it affords. The first application will quiet the pain. 50 cent bottles for sale by L. A. Burrows.

For water brash and sour stomach take Simmons' Liver Regulator.

Dr. M. J. Davis is a prominent physician of Lewis, Cass county, Iowa, and has been actively engaged in the practice of medicine at that place for the past 35 years. On the 26 of May, while in Des Moines en route to Chicago, he was suddenly taken with an attack of diarrhoea. Having sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for the past 17 years, and knowing its reliability, he procured a 25c. bottle. Two doses of which promptly cured him. The excitement and change of diet incident to traveling often produce a diarrhoea. Everyone should procure a bottle of this Remedy before leaving home. For sale by L. A. Burrows.

F. E. COMSTOCK, M. D. Will fit glasses by Jackson's method, which is the latest and only accurate method. All glasses warranted.

IT SHOULD BE IN EVERY HOUSE.

J. B. Wilson, 371 Clay St., Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife who was threatened with Pneumonia after an attack of "La Grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cooksport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for Lung Trouble. Nothing like it. Try it. Free Trial Bottles at L. A. Burrows Drug Store. Large bottles 50c. and \$1.00.

Don't lose time and make yourself worse with pills and oils. Take Simmons' Liver Regulator.

Notice. To the Electors of the Village of Andover: A meeting of the electors of the Village of Andover will be held at Prest's opera house in said village on the 29th day of June, 1893, polls to be opened at 10 o'clock a. m., and remain open until 4 p. m., at which the question will be submitted whether the taxes authorized by chapter 181 of the laws of 1875 and the acts amendatory thereof, for the purpose of supplying the Village with pure and wholesome water for domestic purposes and for protection against fire, shall be levied and collected from the Village as in said Act provided.

Dated Andover, N. Y., May 31, 1893. PATRICK CANNON, President. FRANK S. CLARK, JAMES OWEN, A. M. BURROWS, Trustees.

For health and happiness, the boon of all mankind, take Simmons' Liver Regulator.

## A FRIEND

Speaks through the Boothbay (Me.) Register, of the beneficial results he has received from a regular use of Ayer's Pills. He says: "I was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me relief until I was induced to try the old reliable Ayer's Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are in need of a laxative to try Ayer's Pills. They will do good." For all diseases of the Stomach, Liver, and Bowels, take
