Mr. Edwin Brown of this village is seriously ill and little or no hopes are entertained of his recovery. This morning he was reported as being just alive.

Miss Roxie Bundy is to teach the coming year in the Painted Post Union School. That she will prove entirely competent for the position there is not the slightest doubt.

Deputy Sheriff H. S. Smith continues to fail gradually. He takes little or no nourishment, and it seems to be the opinion of his attendants that he cannot long survive. He has the best of care, and everything possible is being done for him.

The sad news was received here yesterday of the death of Mrs. James Gilmore of LeRoy, N. Y., who formerly lived in Andover. She leaves a husband and one young child. Mrs. James Owen, sister of Mr. Gilmore, left for LeRoy yesterday.

Mr. W. L. Catlin is lying at the point of death as the result of an accident which befell him Monday. He was loading stone and the exertion caused serious trouble from hernia, from which he has previously suffered. Inflammation at once set in, and we understand there is no hope of recovery.

Prof. T. H. Armstrong left Saturday for Tully Lake to look after his Assembly matters. The Andover Union School and Academy has prospered wonderfully during the two years he has been its Principal, and the good work he has done here will long be remembered by our people, and its influence upon the School will be felt for years to come.

Mr. Thomas Guinn of Hartsville, son of Mr. James Guinn of Andover, died suddenly at his home this morning. He was as well as usual yesterday, and was taken sick during the night, expiring at 4 o'clock this morning. He leaves a wife and one little child. Mr. Guinn has been ailing recently, but nothing serious had been expected as a result of his indisposition.

There is a limit to the amount which can be expended by the village officers in putting in water works. The law places this limit at ten per cent. of the assessed valuation of village property. The assessment roll of this village shows that the assessed valuation of village property is \$201,520, ten per cent. of which is about \$20,000, which amount is the maximum sum that can be used for water works.

We are requested to state that Mr. Geo. E. Brown is now ready to use the money subscribed for his benefit, in rebuilding his mill, and those who have not paid the amounts subscribed by them are requested to call at A. M. Burrows' bank and do so as soon as convenient. The paper will be left at that place, and proper credit will be given. Mr. Brown has the frame of his new mill about ready to raise, and is pushing the work forward as fast as possible.

Monday evening a pleasant surprise was given to Mr. and Mrs. Chas. A. Robinson, it being the fifth anniversary of their marriage. Their friends to the number of about eighty invaded their home, taking many handsome presents, among which were a couch and rocking chair. The evening was delightfully spent, and congratulations to the worthy couple were numerous. Mr. and Mrs. G. W. Watson of West Almond, Mr. and Mrs. L. E. Wilce of Fillmore, and Mr. and Mrs. Charles Burdick of Almond, were present from out of town.

Hattie M., daughter of Mr. and Mrs. J. M. Hartum, of this village, died on Friday June 23, 1892, aged 9 years. The disease was laryngitis, and news of the death came as a shock to the people of this place. Mr. and Mrs. Hartum receive the sympathy of the entire community in the loss which has overtaken them in the death of their only child, a bright, intelligent girl who gave great promise for the future. Only those who have passed through similar affliction can know the depths of grief which the sorrowing parents and friends felt.

The funeral was held at the house Sunday afternoon, and was very largely attended. Rev. G. M. James officiated, and six little girls acted as pall bearers, carrying beautiful flowers which were strewn upon the casket after it had been lowered into the grave. The floral display at the house was most elaborate, the casket, which was exceedingly handsome, being almost completely enveloped in wreaths and bouquets, while a pillow of flowers was placed at the head of the casket. The floral tributes at the grave were not less numerous, the casket being lowered into a veritable bed of flowers and evergreens—a fitting interment for one pure in heart, who shall see God.
