The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

The Woman's Christian Temperance Union of Pittsburgh, Pa., is having a "coffee wagon" made to accompany the city fire department.

In a recent sermon Dr. Lyman Abbott said: "I am very glad the Woman's Christian Temperance Union is fighting the temperance battle, but I do not think it is very creditable to us men that we leave it to be fought by the women. In the old legend St. George fought the battle for the deliverance of the woman; in modern life the woman fights the battle and St. George sits on the fence [smoking] to see how it is going on."

In an interview with Prof. Rufus Clark, principal of a normal school in Tennessee, he said, regarding the effects of tobacco upon students: "As an educator, I am prepared from my own experience and observation to indorse all that has been said in regard to tobacco. I am convinced that it is an injury physically. I believe it is an injury morally. I know that it is an injury mentally. Fortunately, we have few students who use tobacco, but when one does use it he shows it in his standing in class. If there is an exception to this statement, if a young man does maintain rank in his recitations, and is still a user of tobacco, he is one who has such natural mental ability that if he did not use it he would so far distance his classmates that he would soon be out of sight. Of one, of whom I am now thinking, the other students say: 'We don't object to his using tobacco, for that is the only reason why we can in any degree keep up with him.' I can go through this school and put my hand on every boy that uses tobacco, for he shows it in his face, and if I am in doubt, I can prove my surmise by looking at his recitation marks."

WEST GREENWOOD NEWS.

This place boasts of absent-minded people. A week ago last Sunday evening a young man went to see his best girl. The next morning he was seen going home driving his team, minus the buggy. We think he was sleepy and forgot to hitch onto it. It's all right; mistakes will sometimes happen in the best of families.

Last Friday evening about thirty-five invited guests gathered at the home of Mr. and Mrs. Henry Snyder. The occasion was a most enjoyable one and all present will remember it with feelings of delight. The evening was spent in dancing and social enjoyment.

My little boy was very bad off for two months with diarrhoea. We used various medicines, also called in two doctors, but nothing done him any good until we used Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave immediate relief and soon cured him. I consider it the best medicine made and can conscientiously recommend it to all who need a diarrhoea or colic medicine. J. E. Hare, Trenton, Tex. 25 and 50 cent bottles for sale by L. A. Burrows.

Last fall I was taken with a kind of summer complaint, accompanied with a wonderful diarrhoea. Soon after my wife's sister, who lives with us, was taken in the same way. We used almost everything without benefit. Then I said, let us try Chamberlain's Colic, Cholera and Diarrhoea Remedy, which we did, and that cured us right away. I think much of it, as it did for me what it was recommended to do. John Hertzler, Bethel, Becks Co., Pa. 25 and 50 cent bottles for sale by L. A. Burrows.

Elder S. S. Beaver, of McAllisterville, Juniata Co., Pa., says his wife is subject to cramp in the stomach. Last summer she tried Chamberlain's Colic, Cholera and Diarrhoea Remedy for it and was much pleased with the speedy relief it afforded. She has since used it whenever necessary and found that it never fails. For sale by L. A. Burrows.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach." CARLOS MARTIN, D. D., New York City, Late Pastor Bloomingdale Reformed Church.

Castoria cures Colic, Constipation, Sour Stomach, Diarrhoea, Eruption, Eczema, Worms, gives sleep, and promotes digestion, without injurious medication.
