

W. C. T. U.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

Co-education continues to be justified by its results. The last proofs come from Chicago University. This institution began by opening all its advantages to women. President Harper and the faculty have now announced the awards of fellowships and honors for this year. Of new special fellowships, out of three assigned, women take two. Cora A. Start, A. B., of Vassar, wins that in history, and Alice Edwards Pratt, Ph. M., of the University of Chicago, receives that in English. Of the applicants for honors there were two-thirds more men than women. The examinations were identical, and the examiners did not know whose papers were before them. As a result Elizabeth Cooke, of the University of Michigan, wins the fellowship in physiology. Susan Rhodes Cutler, of the Western Reserve University, that of romance, languages and literature. Antoinette Ely, of the University of Cincinnati, the fellowship in Latin. Myra Reynolds, from Vassar, takes that of English. Emily James Smith, of Bryn Mawr, that of Greek. Madeline Wallin, from the University of Minnesota, receives that of political economy. Harriet C. Brainerd, of Cornell, a fellowship in English. Maud Wilkinson, of Wellesley is winner in English. A fellowship in mathematics has gone to Mary Frances Winston, of the University of Wisconsin. Vassar, in the person of Helen Honor Tunnicliffe, wins a fellowship in political science. Under the circumstances, there could have been no favoritism. The studies for which these honors were given were no child's play. The old cry of the intellectual inferiority of women must cease before the proofs which come with opportunity.

"There are two things for live men and women to do: to receive from God and give out to their fellows."

Saved A Travelling Man's Life.

Whitehall, N. Y., Sept. 20, 1892. A commercial traveler came into my store recently and said: "I am looking for something that saved my life. I was taken with terrible symptoms of cholera morbus about a year ago and stopped into some store along this street and got a cure for it." I showed him Chamberlain's Colic, Cholera and Diarrhoea Remedy. He did not recognize it at first but on tearing off the wrapper says: "Yes, this is it. It saved my life. I don't need it now, but I am going to buy this so as not to be without it." This remedy meets the wants of the people and sells well here. C. H. Broughton, druggist. For sale by L. A. Burrows, druggist.
