

The gates of the great Hornellville Exposition will open next Monday, Aug. 25, and will close on Saturday, Sept. 1.

The most complete arrangements have been made to make this fair the greatest ever held in Hornellville. The grounds have been completely renovated and put in first-class condition. The main building has had a thorough cleaning.

The entries in the department of Blooded Stock are the greatest in the history of the Farmers' Club. The main building will be full to overflowing of most interesting exhibits. Among the exhibits that will prove most interesting will be the art gallery in which will be seen over \$40,000 worth of paintings.

The management have spared no pains or expense to procure the best attractions obtainable. Madame Marantette and her wonderful horses, Woodlawn and Evergreen. Filemaker the champion high jumping horse of world will try to beat his own record of jumping seven feet four inches and a half. Jupiter the high jumping pony, ridden by Master Elmer Brooks will also give exhibitions. This pony recently jumped five feet seven inches and a half at Sturgis, Mich. Charlie Kluzer's team of trotting dogs, Watch and Frank, will trot against any pony under 14 hands high. These attractions will appear on the track every afternoon between the hours of the races. Over 150 horses are entered for the trotting, pacing and running races. The entries include some of the fastest horses in the State and are from many of the great breeding farms. Complete and extensive arrangements have been made with the N. Y., L. E. & W., the C. N. Y. & W. and the D. L. & W. railroads to run special trains during the exposition at the rate of one fare for the round trip with price of admission added.
