

W. C. T. U.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

A significant fact is shown by the latest census—that the only states where crime is not increasing faster in proportion than the population are prohibition states.

Liquor selling is not only a sin *per se*, but in these days of light it is a sin *perceived*.

Four attitudes for the intelligent voter to keep in regard to the saloon: Either he is ignorant, or he is apathetic, or he is in complicity with the saloon, or he is in open protest against it.

Hon. Thomas W. Palmer of Michigan, President of the World's Fair, made an address at the Asbury Park Auditorium, on Sunday, Aug. 13, to three thousand persons. Mr. Palmer spoke in complimentary terms of the Board of Lady Managers. Nothing of the present century, he said, compares with the work they have done at Chicago. "Don't believe," said he, "the reports you hear that there is continual strife and dissatisfaction among them. They behave better than the men, yes, and the House of Representatives also."

The Illinois Christian Endeavor societies have inaugurated a temperance campaign. They have secured the services of Mr. John G. Woolley for a year, and arrangements are being made for him to speak over the length and breadth of the state. He will remain but one night in each place, delivering in every town and city he visits his matchless lecture, "Inalienable Rights." We rejoice to see the young people of the churches thus setting an example of temperance activity. Temperance work is legitimately church work, and we hope this movement will be the beginning of vigorous effort along prohibition lines by the churches as churches.

The Silver Agitation.

The silver agitation is making a great stir but the benefits from it will be nothing compared with the investment of a silver quarter in Simmons Liver Regulator powder. It agitates the liver and cures biliousness and sick headache.

Read what G. B. Hart, a prominent druggist of Sing Sing, N. Y., says of a preparation which L. A. Burrows the druggist, is introducing here. "I can safely say there is no medicine so good for bowel complaints as Chamberlain's Colic, Cholera and Diarrhoea Remedy. There are families here who would not do without it during the summer months. I consider it far superior to any other."

For the most part, the people of this town during the day time will be seen in the streets. MUTUAL GAS CO. LT.

Take Good Care of the Children.

Pointville, Burlington Co., N. J., July 17, 1893.—Our baby now fourteen months old, was taken with every symptom of cholera infantum. I commenced using Chamberlain's Colic, Cholera and Diarrhoea Remedy and after the first few doses he was relieved, and at this writing is as well as ever. I feel that I cannot speak too highly in its praise. Mrs. Wm. E. Reed. For sale by L. A. Burrows, druggist.

LANE'S FAMILY MEDICINE.

Saved A Traveling Man's Life.

Whitehall, N. Y., Sept. 20, 1892. A commercial traveler came into my store recently and said: "I am looking for something that saved my life. I was taken with terrible symptoms of cholera morbus about a year ago and stopped into some store along this street and got a cure for it." I showed him Chamberlain's Colic, Cholera and Diarrhoea Remedy. He did not recognize it at first but on tearing off the wrapper says: "Yes, this is it. It saved my life. I don't need it now, but I am going to buy this so as not to be without it." This remedy meets the wants of the people and sells well here. C. H. Broughton, druggist. For sale by L. A. Burrows, druggist.

CASTORIA

for Infants and Children.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me." H. A. Ancker, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach." CARLOS MARTIN, D. D., New York City, Late Pastor Bloomingdale Reformed Church.

Castoria cures Colic, Constipation, Sour Stomach, Diarrhoea, Eruption, Kills Worms, gives sleep, and promotes digestion. Without injurious medication.

"For several years I have recommended your 'Castoria,' and shall always continue to do so as it has invariably produced beneficial results." EDWIN F. PARKER, M. D., "The Winthrop," 125th Street and 7th Ave., New York City.
