## THE ANDOVER NEWS.

At a meeting of the Allegany County Publishers' Association, held at Bolivar, April 29, 1892, the following rules were unanimously adopted to take effect the week beginning May 9, 1892:  
Rule 1.—That not less than 5 cents per line be charged for resolutions of respect, and local notices of entertainments from which revenue is to be derived.  
Rule 2.—Cards of thanks to be charged \$1.  
Rule 3.—Obituary notices, except such as are published as a matter of news, and lists of wedding presents to be charged for at not less than 5 cents per line.

Mr. P. Hamel is building a new house on his lot on Chestnut street.

Benjamin Barney is taking a course in the study of medicine with Dr. Comstock.

Mr. and Mrs. O'Donnell are the parents of a boy baby, who arrived last Saturday. The young man is already taking lessons on the drum from "grandpa" Goodwin.

H. Mourhess' new store is being plastered, and the time will not be long before the handsome new business place will be ready for occupancy. Mrs. Mourhess will occupy one side of the store with millinery and ladies' furnishing goods, and will go to the city about the first of October to select her stock.

About thirty-five people gathered at the home of Mrs. Wm. Bines, Monday evening, in honor of her guests, Mr. James Eagles and family of England. A first-class time was had. On Tuesday Mrs. Bines and guests went to the home of Charles Smith, Coll Hill, Harrisville, to see the new house.

Mr. Matthew White is seriously ill at the home of his brother-in-law, Michael Clark. Doubts of his recovery are entertained.

Geo. E. Brown's grist mill is nearing completion, and will be a substantial structure, adequate in size and interior arrangement.

Two car-loads of pipe for the water works arrived yesterday and the work of laying the same, also work on the reservoir, will begin at once.

Part of the pipe for the Mutual Company's gas line to Whitesville arrived the first of the week, and it is expected the work of laying the pipe will soon begin.

Ellery Gavitt of Alfred is reported to have been held up by tramps, a few nights since, near the "Blind Crossing," three miles north of this village. An Alfred University student, whose name we could not learn, was robbed of a watch and ring by tramps near Alfred Station.

Uriah Davis will please accept our thanks for about half a bushel of Lombard plums. The size, flavor and smooth surface of the fruit leads us to believe that Mr. Davis knows how to raise plums. We suspect the fine condition of the fruit is due in some measure to the spraying of the trees in the spring, of which Mr. Davis gave an account at the recent Farmers' Club meeting here.

On Tuesday, Sept. 12th, a pleasant party of relatives assembled at the residence of Wm. Green of Independence, to participate in the marriage ceremony which united Mr. D. E. Livermore and Miss Elida Livermore. The rites were performed by Rev. J. Kenyon. Presents were numerous and selected with view to usefulness. A bountiful repast was served in good style, after which all departed extending hearty congratulations to the happy bride and groom. Mr. Livermore and wife started Wednesday for an extended tour.

The Presbyterian Harvest Home was held last Thursday in Prest's opera house, on account of rain. The unfavorable weather probably had a tendency to reduce the attendance, but there was a good turn-out notwithstanding. Rev. W. G. White of Cuba gave a very interesting talk on the World's Fair. He was followed by Rev. G. W. Gibson and Jesse S. Phillips of this place, who interested the audience, as they were expected to do. The total receipts were over \$86. The cornet band furnished the out-door music, and the Enterpe Club was present and rendered fine vocal selections. It was much regretted that Rev. G. M. Jones was unable to be present, owing to the accident which recently befel him.

Last evening at Union Hall a pleasant entertainment was given by one half of the members of the Women's Relief Corps. The members of the corps have for some time been carrying on a friendly contest at their meetings, having chosen sides, with Mrs. Almond Crandall and Mrs. Roswin Hardy as captains. Credits were given each side for various productions in a literary line, with the understanding that the side having the least number of credits should prepare and serve a supper for the winners. Mrs. Crandall's side being the loser by two counts, it fell to them to fill the conditions of the contest, and last evening was decided on as the date of the entertainment. The occasion was a very enjoyable one, and Mrs. Crandall, ably assisted by the members of her side, spared no pains to see that their guests were properly taken care of. The refreshments were more elaborate than had been expected, and included all the delicacies of the season, skillfully prepared and deftly served. The husbands of the members were invited, and on motion of Deloss Remington, J. G. (Judge of Gastronomy), seconded by everybody else, the affair was pronounced a complete success.

In surplus earned, as compared with mean liability, the Equitable Life Assurance Society has shown itself to be superior to either of its principal competitors, not only during the past year, but also during the past ten years. It must therefore be fairly considered as offering better security for future dividends than any other company.

The Golden Secret of Long Life. Keep the head cool, the feet warm and the bowels open.
